Amusements Tonight. METROPOLITAN THEATRE.—Matinee and evening. "The Village Idiot." CHILDREN HAVE AN OUTING.—Thirty-five of the children at the receiving home of the Boys' and Girls' Aid Society were given an outing yesterday through the kindness of the Oregon City Transportation Company. They left Taylor-street at 8:30 P. M., and went to the park at Oregon City, where they enjoyed themselves playing games, and some of the larger boys were allowed to go fishing. Every courtesy was accorded them. Matron Graham packed a liberal lunch, and the youngsters spent a most enjoyable day. Chief Burns was on hand to see them safely on the boat for Portland, where they arrived about 6 P. M. Among the children at the receiving home there are two very desirable little girls to be placed out for legal adoption, aged 4 and 2 years, respectively. Superintendent Gardner has entered into arrangements with T. D. Hurley, of Chicago, editor of the Juvenile Record, a monthly magazine, in which will appear an account of the work of child-saving in the Northwest, by the Boys' and Girls' Aid Society of Oregon. MRS. J. C. CARSON'S WILL.—The will of Eliza Ann Carson was filed for probate in the County Court yesterday. It is valued at about \$50,000, and consists of shares of stock in the Northrop & Sturgis Company and real property. There is bequeathed to John D. Carson, a son, \$500; to Audrey Northrop, a grand-daughter, \$50; to the children, Elizabeth M. Carson, John D. Carson and Frances Platt, one-fourth each of the remainder. The other one-fourth is bequeathed to John D. Carson and Robert T. Platt, in trust for the benefit of three grand-children, namely, Georgiana Sturgis, Joe Carson Sturgis, and Eugene King Sturgis, children of a daughter, Rose M. Sturgis, in lieu of her interest in the estate, until the youngest such grandchild shall reach the age of majority, when an equal division shall be made. In the meantime she shall receive the income. John D. Carson and Robert T. Platt are named as executors without bonds. BASEBALL TODAY. CHAMPIONSHIP SERIES. 3 P. M. TWENTY-FOURTH AND VAUGHN. TACOMA, THE FASHION PLATES. Ys. A beautiful building site, 20x300 was sold last week by the Title Guarantee and Trust Company to J. P. Forbes for \$3500, who will build a handsome residence thereon. The company is also offering choice building sites in Mount Tabor Central Park on the west slope, in acre and half-acre tracts at very reasonable prices. Abundance of fruit of all kinds, fine view, pure air, pure water and a perfect car service. ALLOWED TO LAND.—Judge Bellinger yesterday announced a decision discharging from custody Jung Jow, a Chinese, who was arrested and held for deportation to his native land. The man registered under the act of 1892, but not under the amendatory act of 1893. He was therefore charged with being unlawfully in the United States. Judge Bellinger held that Jung Jow, having registered under the first act providing for the registration of all Chinese in the United States, was not absolutely necessary for him to register a second time. NO ANTHRACITE COAL AT BONNEVILLE.—A coal expert named Withrill has made an examination of the "anthracite" measures on the creek about a mile southeast of Bonneville. Much has been expected from this find, and it was thought it would solve the cheap fuel problem. Mr. Withrill found the deposit where it was reported to be, and located the nine-foot ledge, which had been heralded as a wonder. But it was not anthracite. It was black basalt. It contained no bitumen, it would not burn nor even sputter. Mr. Withrill has gone to the coast for a rest. OREGON CITY AND CANEMAH, 25 cents round trip. For a Sunday outing a trolley ride offers the greatest pleasure at the smallest cost. On account of frequent service the objections from a specific time of departure and return are overcome. The inauguration by the P. C. & O. Railway Company of low rates on Sundays and cars every 30 minutes offers to the pleasure, the fisherman and the camera artist attractions to points beyond the Willamette Falls and along the Clackamas River that are unsurpassed within a like distance by any trip out of the city. HOTEL FLAVEL.—The people at Hotel Flavel are delighted with the fine way the hotel is run this season. The carry-all is always ready to take guests down to the surf, and the beach bathing in front of the hotel is perfect. A large company of guests is now stopping at Flavel. Orchestra each evening, and unsurpassed table set by Colman and Harvey. Write to hotel or to J. L. Mitchell, 615 Marquam bldg. MILITARY CONCERTS AT VANCOUVER.—Commencing next Monday, the Twenty-eighth and Seventh Regiment bands, now stationed at Vancouver, will alternate in giving open-air concerts at the barracks. The concerts will be given from 5:30 to 7:30 o'clock in the evening, with the exception of Saturday and Sunday evenings. BODY WILL BE BROUGHT HERE.—The body of John C. Leasure, the well-known Portland lawyer, who committed suicide in San Francisco Friday, was shipped from that city last night, and will arrive here tomorrow morning. Funeral arrangements have not yet been made. REV. RAY PALMER'S FARWELL SERMON.—Rev. Ray Palmer's farwell sermon in order to reach his appointment in Chicago, he will have to leave Portland at 2 P. Ginn filed articles of incorporation in the County Clerk's office yesterday of the Copper Eagle Mining & Milling Company; capital stock, \$100,000. CONCERT, Cedar Park, this afternoon. HEAVY PIANO SHIPMENTS. Eilers Piano House Handles Five Carloads of Fine Pianos in One Week. "Do not imagine for a moment that on account of our determination to sell out all of our Portland retail stock before remodeling the store, that we are not receiving any pianos," said Mr. Eilers, of Eilers Piano House, yesterday. "Following right after a full carload of beautiful Chickering, which came in from Boston last Monday, came a car of Webers from New York. Then came a monster carload of Kimball's from Chicago, which is being shipped right after to our Spokane branch store. The next car, also Kimball's, came in Thursday; yesterday another carload of Weber pianos was shipped from Chicago, and is being shipped to our Pacific that two more carloads of pianos are now due in Portland for us. We are hustling for business in every section of this prosperous West; in far away Idaho, in Wyoming, in Montana, in Eastern Washington (where our Mr. Heidinger manages our Spokane branch), in Eastern and Western Oregon, in Western Washington and in Northern California, there is scarcely a town or hamlet in which one or more of our high-grade Chickering or Weber or Kimball pianos has not been sold of late to the most prominent and cultured homes." Mr. Eilers left for the Sound on last night's Northern Pacific train. MORE STEINWAY PIANOS. Another carload of choice Steinways just received and will be put on sale Monday morning at Soule Bros. & Johnston's. This lot includes several grands and is the finest assortment ever assembled under one roof in the Northwest. Another shipment of Estey's also arrived yesterday, and these, taken with the Emerson, Starr, A. B. Chase and Richmond pianos, make indeed a happy lot to draw to. During the balance of the month we shall close them out at regular wholesale prices. Don't put it off—now is the time to get a good piano at a saving of a good many dollars. Several used pianos, taken in exchange, must be gotten out of our way at once, for want of room, and the price will be more than you can stand. See Mr. Eilers and we'll convince you that you can buy the best value for the least money. SOULE BROS. & JOHNSTON, 325 Washington street. AN OUTING FAILURE. If the beauties of Nature Are blurred, the faces of Friends distorted; If the Letters play tricks when you read, and your eyes Are never at ease, You need glasses. Let me supply long-for Light and turn Gloom into gladness. Walter Reed, the optician, 123 Sixth street, Oregonian building. WHERE TO DINE TODAY. The Portland Restaurant, 205 Washington street, near Fifth, continues to be the favorite. Give them a call. Turkey or chicken dinner and a number other good things at Sam Strouse's Restaurant, 223 Washington. White labor only. The Perkins Restaurant, 108 Fifth street, will serve a fine lunch and dinner today. Moderate prices. D. H. Brown, Prop. WRAPPER SALE. Monday morning we will place on sale the balance of the manufacturers' stock of ladies' wrappers, secured for 50 cents on the dollar. Prices for Monday's lot, 50c, 55c, 75c and 95c. McAllen & McDonnell, corner Third and Morrison. A GOOD INVESTMENT. A La Sinceridad cigar will give you three times the enjoyment and smoke twice as long as one of any other brand at the same price. Judge for yourself. BUGGY TOPS AT COST. D. Heiboh, the well-known buggy top manufacturer and carriage-trimmer, is offering a specialty of buggy tops with side curtains, and wool-lined tops with next few days at \$2.00. He also handles carriage tops, canopy tops, and all kinds carriage trimmings. Corner Fourth and Ash streets. New Jewelry Store. E. J. Jaeger, formerly with A. N. Wright, left last evening for San Francisco, to purchase a full stock of jewelry. He will open his new store at 260 Morrison street, September 1, formerly occupied by O. H. Reiger. CHERRIES FOR BUFFALO. Lambert's as Large as Plums Grown in Illinois. When Buffalo Exposition visitors see the cherries which Secretary Lamberson, of the State Board of Horticulture, will in a few days send to Superintendent Donohue, their eyes will open and their mouths water. Lambert's, Oregon's and Bing's varieties which have been originated within a few miles of Portland, will make a first-class advertisement for Oregon's fruit industry. A box of plump and juicy Lambert's was received yesterday from A. T. Webb's orchard on the East Side. "Why," said a Chicago woman who saw the box, "those cherries are as large as our Illinois plums." Mr. Webb has 1200 of these Lambert cherry trees. H. W. Prettymann, of Mount Tabor, has contributed a box of fine Oregon, and W. J. Magoon a branch 19 inches long which is loaded with Royal Anne. SCHOOLHOUSE TO BE MOVED. Multnomah Building Will Be Taken to Oakley Green. Bids for the removal of Multnomah schoolhouse were opened yesterday by the School Directors. They were: McBride & Kendall, \$487; Adams & Co., \$519; Palmer & Ellison, \$610. McBride & Kendall, being the lowest, will probably be awarded the contract at the regular meeting of the board tomorrow evening. The big covers the expense of moving the building to Oakley Green, over a mile from the present site, and the construction of a new basement, heating system, etc. The building will be ready for use by September 18, when the Fall term of school will begin. Bids were opened also for plumbing work on the new Central School. They followed: Willbeck & Co., \$200; William Eccles & Co., \$250; Brady & Sherrett, \$255; H. L. Bruce, \$180. A LAND SWELL. Careful dressers who aim to create a good impression on their outing trips do not do an up-to-date pea-green suit with turn-up trousers a la Edward VII, and then nullify the effect with a pair of down-at-the-heel shoes or an old hat with a wisp of hair sticking through it. If a swell, be swell all through. Do not pollute the atmosphere with the fumes of an ill-fitted, mongrel cigar. Have a supply of fragrant Garcia cigars and a box of "Our Own" choice tobacco put up by Sig Sichel & Co., at 93 Third street, together with a fine briar pipe, a handsome cigar case and a nobby tobacco pouch, and look the real thing. CAUGHT AT LAST. That dealer who tells you he has another brand "just as good" is surprised to find he cannot substitute for the La Sinceridad cigar. Once a La Sinceridad smoker, always a La Sinceridad smoker. OSTEOPATHY. Dr. R. B. Northrup, specialist, nervous and chronic diseases, 415-416 Dekum building, Third and Washington streets.
