

Our 23 years' active continuous growth in this community means 23 years of more than ordinary usefulness to its people.

OLDS, WORTMAN & KING

We will commence the 24th year by making ourselves more useful to the people of this city than ever before.

GREAT ANNIVERSARY SALE!

Tomorrow begins our TWENTY-FOURTH business year. In the past twenty-three years we have grown from a tiny infant to a robust adult. Every one of those years has added to our possibilities for good service to the people of Portland. We propose to make the twenty-fourth one the most vigorous and active of them all, and we will lose no time in starting. Tomorrow we will commence the birthday celebration with a far-reaching "Anniversary Sale" long to be remembered for the great number of its bargains and the big reductions in prices. Every department furnishes a full quota, all selected from the most seasonable merchandise in our stock. We tell of a few of them today on this page. Read every item lest you may omit something important. Come and we will do you good.
