TACOMA MADE IT TWO ALL

TOOK GAME FROM PORTLAND BY SCORE OF 8 TO 5.

Today the Regular Series of the Northwest League Will Be Ended With a Double-Header.

Tacoma made the series two all by taking yesterday's game by the score of 8 to 5. Errors were bunched on both sides, and a few hits scattered in between so as to make things interesting for the 2000 spectators that had gathered to see the last Saturday game of the league series. This afternoon the two teams will play a double-header, commencing at 2 P. M. for the first game, and bringing on the second game after 10 minutes' intermission. The first game will conclude the series for the championship of the Pacific Northwest League, after which the Portlands may be truly hailed as the pennant-winners. The second game will be an exhibition contest, both games being open to the public for the price of one, and there are certain to be two lively contests.

Yesterday Engle was in the box for Portland, and he was touched up for eight runs and 10 hits. St. Vrain did the twirling for the Tacoma men, and his curves were effective up to the eighth and ninth innings, when Portland made a rally. Portland landed on St. Vrain for eight hits, but these were scattered, excepting in the sixth inning, when Portland managed to score two runs on three hits.

Lynch scored the first run of the game. In the second inning he sent a hot drive to Tinker, which that steady player, in his crippled condition, was not able to field. Tinker was taken out of the game in the next inning, his sprained ankle giving him trouble. Lynch took third on McCloskey's hit, and scored on Stultz' grounder to Engle.

In the fifth Tacoma sent five men over the plate. Zearfoss opened up with a two-bagger, and St. Vrain sent him to third with a hit. McCarthy scored him with a hit that went through Brown, and McCarthy landed on third. Murdock took first on an error of Weed's, and on the next play both McCarthy and Murdock scored, Weed making an overthrow of first base. On Lynch's fly-out Flannery scored.

This gave Tacoma a nice lead that Portland tried hard to overcome. In the sixth a batting rally netted two runs. Anderson and Glendon each sent out hits. Vigneux scored Anderson with a hit. Vigneux was retired at second on Weed's grounder to McCloskey. When Weed stole second Glendon came in on the play.

Tacoma gained two more runs by some neat batting in the sixth. Zearfoss took first on a hit, and was advanced to second on St. Vrain's base on balls. McCarthy came up with a neat sacrifice down the first-base line, advancing both men a base. Murdock scored Zearfoss with a hit, and St. Vrain came in on Flannery's fly-out to Brown. This was the last scoring done by Tacoma. The rest of the game was devoted to Portland's futile effort to win out.

In the eighth Portland had a fine opportunity for some runs. Only one materialized. Anderson started out with a hit. Glendon and Vigneux took bases on balls. Anderson scored on Weed's fly-out to right. Two strike-outs by St. Vrain saved his side from further scores.

Portland filled up the bases again in the ninth. Engle went out on a fly to second. Muller took first on balls. He went out at second on Deisel's grounder to McCarthy. Anderson was hit by a pitched ball, and Glendon took his base on balls. Vigneux came up to send a sharp one to McCarthy, and both Deisel and Anderson scored. With Glendon on third, Weed flew out to Lynch, retiring the side.

Glendon made a fine catch in right field, rising in the air after a high fly.

The score:

EASY FOR SPOKANE.

Visitors Defeated Seattle by a Score 13 to 3.

SEATTLE, Oct. 12.—Today's game was an easy proposition for the visitors. They hit Stovall hard, and in the sixth and seventh batted out nine runs. Seattle's three runs were a gift from the visitors, coming as the result of a couple of wild throws and some battery errors in the eighth. The feature of the game was when, in the fourth inning, with Lougheed on base, Adams lifted a ball high over the right field fence for four bases. Score:

Portland-Tacoma Game Called Off.

BAKER CITY, Oct. 12.—The game of baseball that was billed to take place in this city on October 23, between the Portland and Tacoma clubs, has been called off for the reason that the managers of the visiting teams want too much money for the pleasure of entertaining the Baker City people with an exhibition game.

American League Meeting.

CHICAGO, Oct. 12.—Owing to present unsettled conditions in baseball, it has been decided to hold the annual meeting of the American League in this city December 2, instead of next Wednesday, the date set in the league constitution.

MANY HORSES AT LA GRANDE.

Race Meet Will Last Eight Instead of Three Days, as Intended.

LA GRANDE, Oct. 12.—The Eastern Oregon District Fair will open at La Grande October 15 and continue until the evening of October 19, but in order to accommodate the speed programme to the large number of horses on hand the races will begin two days earlier and continued one day later. There will, therefore, be eight days of racing. The stables at the fairgrounds are all filled and it is believed that the number of horses excel that at any previous Eastern Oregon fair. Many of the horses are the best that have appeared on the tracks in the Northwest this season. The $2500 offered in purses by the association and the many special purses have served to stimulate interest among horsemen. The horses from the distant counties and from outside the state are runners, with but few exceptions. The standard-bred trotters and pacers are to a large extent from Union and near-by counties, where much interest has been taken of late years in this class of horses. About 150 horses are on the grounds. The names of a few that have reputations for speed are as follows:

Runners.

B. C. Greene and Irate, from the Whetstone stables, Heppner.

Undergrowth and Miss Remson, owned by W. M. Cushman, of Montana.

Bessie G., Grace W. and Selim, from the stables of Gus LaFontaine, Pendleton.

K. C. and Regalarg, owned by Hoffas & Scott.

Little Henry and Mr. Robison, owned by J. Reel.

Bernetta, Meadow Lark and The Lady, owned by B. Bornton, of Butte.

Jim Bozeman, owned by Frank Starkey, of Butte.

Rawhide and Josie R., owned by Riley & Alsop, of Enterprise.

Jessie B., owned by Ben Walters, of La Grande.

James F., owned by J. E. Foley, of La Grande.

Minnie S. and Eva Wilson, owned by R. D. Alexander, of Cove.

Typewriter, owned by Charles McClure, of La Grande.

Trotters.

Lon Creus, owned by R. Britts, of La Grande.

McKay, owned by F. S. Stanley, of Perry.

Duke of Walshine, owned by H. S. Hogoboom, of California

Brilliant, owned by T. E. White, of Baker City.

Prospect, owned by J. J. Conley, of Prospect ranch.

Altrim, owned by W. H. Sloane, of La Grande.

Brownetta, owned by R. Kelley, of La Grande.

Benefactress, owned by E. W. Bartlett, of La Grande.

Pacers.

Blondette, Taffeta Silk and Spool Cotton, owned by M. K. West, of La Grande.

Colonel Ott, owned by R. Waye, of Elgin.

The Freak and Gregmont, owned by T. E. White, of Baker City.

Populist, Morengo, Mount Hood and about a dozen others will be here from the Lewiston races.

In Addition to the Races.

The success of the fair will not be limited to the race meet. The agricultural and other exhibits, if not exhaustive, will be widely representative of the products of the Inland Empire. The chief exhibits will come from Union and Wallowa Counties, and there will be a sort of friendly rivalry between the two. Wallowa has some advantages in that its exhibit is prepared and classified, having already been displayed at the State Fair. Aside from the agricultural exhibits, there will be extensive exhibits of livestock.

PACIFIC ELEVEN WON

DEFEATED CHEMAWA INDIANS IN FIERCE GAME.

Millis Kicked Two Field Goals and Faulkner Ran 52 Yards for College Team—Score, 16-11.

FOREST GROVE, Or., Oct. 12.—The wearers of the cardinal and black defeated the husky Indian eleven from Chemawa here today in the fiercest game played on the campus gridiron for several years. The final score was 16 to 12. Pacific scored first in 12 minutes on a place kick by Millis, after the ball had been brought to Chemawa's 22-yard line. The second touchdown was made after a sensational run of 52 yards down the field by Halfback Faulkner, with Palmer in hot pursuit. Millis kicked the goal.

Chemawa kicked off, and Pacific soon after lost the ball on a fumble. Line bucks by the veteran Sanders and the speedy La Flumboise brought the ball to Pacific's five-yard line, and, although Pacific held well for two downs, La Flumbois went over for a score. Neafus kicked goal. Score, 11-6.

Pacific kicked off, and Sanders and La Flumboise, with a 25-yard run by Neafus, took the pigskin to the six-yard line of the college, and Sanders went over just as time was called. Neafus kicked goal. Score: Chemawa, 12; Pacific, 11.

In the second half Pacific kicked off. End runs of 15 yards by La Flumboise and 23 yards by Sanders brought the ball to the college 40-yard line, where a forward pass gave the college the ball.

Millis punted from the center, and Palmer ran in to his own 35-yard line. Chemawa soon after fumbled, and Day broke through right tackle for 24 yards. From the six-yard line Millis kicked the second field goal of the game. Score: Pacific, 16; Chemawa, 12.

Sanders kicked off over goal line. Millis punted out from the 25-yard line. The Indians fumbled. After 10 yards advance Millis punted 30 yards. Chemawa again fumbled, Faulkner falling on the ball. Millis made another try for place-kick goal, but the wind carried the ball away from the goal. The Indians kicked to the center of the field, when time was called. A large crowd saw the game.

How the Teams Lined Up.

Two 25-minute halves.

Officials—E. B. Tongue, M. A. A. C., umpire; Lawler, referee; Brewer, Chemawa, and J. G. Thompson, Pacific, linemen.

Second Eleven Won, Too.

FOREST GROVE, Or., Oct. 12.—The second eleven ran up four touchdowns and a safety in two 20-minute halves against Dilley Athletic Club on the campus here this morning. The work of Neal, Dugan, Dye and F. Fletcher was noticeable.

Score: Pacific University second eleven, 23; Dilley Athletic Club, 0.

Touchdowns—Neal, Dye, F. Fletcher, Engle.

The second team lined up: Right end, Neal; right tackle, Philbrook; right guard, Thomas; center, Engle; left guard, Hall; left tackle, Walker; left end, Dugan; quarterback, Christian; left halfback, C. Fletcher; right halfback, F. Fletcher; fullback, Dye (captain).

U. OF O. AND CHEMAWA TO MEET.

Former Eleven Is Doing Some Hard Work These Days.

UNIVERSITY OF OREGON, EUGENE, Oct. 12.—The faculty committee on athletics has granted Manager Redmond permission to contract for a football game with the Chemawa Indian School eleven to be played in Eugene October 26. As this will be the first practice game of the season, it will give some of the new men a sample of the real thing in footfall, and will enable the coach to get a line on his men and to be better prepared for the big game with the Multnomahs which will occur the following Saturday.

The perfect weather during the past week has been taken advantage of by the football men, who have been doing hard work for a week or more. The campus gridiron presents a lively scene each night, and the crowd of football enthusiasts who gather on the bleachers each evening to watch the practice are treated to some lively exhibitions of sport. After a half hour's work with signals and technical drill, the first and second elevens are lined up for hard work at linebucking. The boys display a snap and vim that assures the development of a winning team.

The return of I. H. Watts, guard on last year's eleven, is hailed with delight by the 'varsity football enthusiasts. Mr. Watts strips 160 pounds, and will materially strengthen the 'varsity line. He has this year been put out to left tackle.

The candidates for the various positions are Ben Wagner, Kuhlman and Thayer for center. Wagner, though not so heavy as his brother, who has played center for the past two years, is putting up a good game, and will likely win the position. Stubling and Kerron are likely candidates for guard. The two leading tackles, Watt and Earl, possess both weight and strength, and will be valuable linemen. Penland and Weed are also good men in the tackle positions, both of whom received training last season in the freshman eleven. The 'varsity has four good ends in Zeigler, Garrell, Rhodes and Casteel, with an advantage in favor of the first two named, who are considered the best pair of ends in the state.

Behind the line the positions are by no means certain. For the halfback positions there is plenty of good material. Chester Starr, Ray Goodrich, Ralph Starr, Jackson, Howe, Slusher and Dillard are showing up in good form. Chester Starr played last year at Willamette. He is quick on his feet, and can be depended upon to gain his distance on line bucks. Goodrich and Ralph Starr were both with last year's team, and have good chances this season. Slusher and Howe entered from the Eugene High School. Howe is lacking in weight, but makes up for the deficiency by his tackling qualities and power of penetrating the strongest line. He may also try for quarter. The other candidates for quarter are Murphy, Adams and Latourette—all good men for their positions.

Templeton and Henderson are working for fullback. Both are good at kicking, and Templeton played an excellent bucking game at half on the freshman team last year. Henderson shows up well, considering the amount of experience he has had.

Coach Smith takes well with the men, and the team is practicing faithfully under him. Mr. Smith is an earnest worker, and has demonstrated already that the University of Oregon management made no mistake in his selection. He arouses the proper enthusiasm among the men, and is making wonderful advancement with the team, considering the short time he has had it in charge. He represents the latest methods of coaching introduced into California last year from the East, and the development of the Oregon eleven this season from practically new material will be watched with interest by the lovers of the game in the Northwest.

Payne Elected Assistant Manager.

At a meeting of the board of managers of the University Athletic Association yesterday Clyde A. Payne, '04, was made assistant football manager in the place of J. H. Raulstone, '04, who was unable to return to college this Fall. Mr. Raulstone's position on the board of managers was filled by the appointment of I. H. Watts, '03. The members of the board of managers of the department of athletics are: Fred J. Zeigler, '02, president; Charles A. Redmond, '02, vice-president; Oscar Gorrell, '02, treasurer; Clyde A. Payne, '04, secretary; Ray Goodrich, '04, Clarence Foley, '04, and I. H. Wattes, '03.

The association incurred heavy financial losses last Spring in the track meets with Washington and Multnomah, but hopes to come out ahead with its football schedules this Fall. The track meet with California in Eugene last May drew a big crowd and was a gratifying financial success.

Portland Academy Won.

The Portland Academy football team played a game in Vancouver yesterday with the soldiers of the Eighth Artillery. A very clean game resulted in a victory for the academy by a score of 5 to 0. The star players of the day were Cole, of the artillery, and Stott, Chalmers and Chandler, of the academy team.

Following was the line-up:

P. A.	Position.	Artillery.
Jordan	L E R	Warren
W. Chandler	L T R	Hegby
Seeley	L G R	Bunk
Craig	C	Davin
Kenney	R G L	Spain

Referee, Lieutenant Leavitt; umpire, Professor Herdman; linemen, K. Fenton and Bateman.

Harvard, 18; Columbia, 0.

CAMBRIDGE, Mass., Oct. 12.—Harvard easily won her first important game this afternoon, defeating Columbia, 18 to 0. Columbia's weakness lay in her guards and tackle, but her back shield was equal to Harvard's. Columbia made only one substantial gain when Weeks got around Campbell's end for 12 yards. Harvard made most of her gains by end runs, in which the interference was very effective. Putnam went around the left end at least a dozen times for good gains. Columbia's men were not in as good physical condition as Harvard's and were frequently laid out by injuries.

Pennsylvania, 26; Brown, 0.

PHILADELPHIA, Oct. 12.—The University of Pennsylvania football team refeated the Brown University eleven today in a fast and well-played game by the score of 26 to 0. Brown played Pennsylvania to a standstill in the first half, and came within a yard of scoring a touchdown. Pennsylvania scored all their points in the second half.

Michigan, 30; Indiana, 0.

ANN ARBOR, Mich., Oct. 12.—Michigan today defeated Indiana by a score of 33 to 0. With a heavy ground and a light rain falling continually, Michigan ran up a large score by straight line bucking. From the first there was no doubt of the result, as Michigan pushed Heston over the line for a touchdown within four minutes.

Northwestern University Won.

CHICAGO, Oct. 12.—One safety was all the score between the elevens of Notre Dame and Northwestern Universities today, and that was made by Northwestern, giving it the game by 2 to 0. The game was played in a pouring rain and on grounds that were deep in mud.

Chicago, 5; Purdue, 5.

CHICAGO, Oct. 12.—Purdue today held its own against the University of Chicago, each side scoring five points after 50 minutes play on a gridiron more fit for a regatta than a football contest.

Yale, 24; Navy, 0.

ANNAPOLIS, Md., Oct. 12.—Yale's 'Varsity football team defeated the Navy eleven in a one-sided contest by the score of 24 to 0.

CHAMPION WOMAN GOLFER.

Miss Hecker Defeated Miss Heron on Baltusrol Links.

NEW YORK, Oct. 12.—Miss Genevieve Hecker, of the Essex Country Club, Orange, N. J., champion woman golfer of the Metropolitan Golf Association on the Baltusrol Golf Club links, near Short Hills, N. J., today defeated Miss Lucy Herron, of Cincinnati, by five up and three to play, and won the much-coveted title of champion woman golfer of the United States Golf Association. Miss Hecker's victory caused no surprise, as it was generally believed that she would acquit herself creditably. Several times during the tournament she played rather weakly, but she atoned for these lapses by driving and playing through the green with the accuracy of a professional. The spectators applauded the winner generously, and Miss Herron ran over and congratulated the winner in the most affectionate manner.

For the consolation cup, Miss Elizabeth S. Porter, of the Oakley Country Club, Massachusetts, beat Miss Elsa Hurlburt, of the Morris County Club, New Jersey, by one up. Following is the card of the match:

CANADIANS MAY CHALLENGE.

Syndicate Determined to Build a Yacht to Compete for the Cup.

NEW YORK, Oct. 12.—A dispatch to the Herald from Halifax, N. S., says:

"It is positively stated that A. J. Moxham, of Sydney, of the Dominion Iron & Steel Company; James Ross, of oMntreal, president of the Dominion Coal Company, and other members of the Cape Breton Yacht Club, have determined to build a yacht to challenge for the America's cup. The yacht will be built in Canada, and will certainly challenge for the cup this year or next."

As the New York Yacht Club has declined to allow Smahrock II to contest again for the cup until two years have elapsed from the date of her defeat, a suggestion has been made to Sir Thomas Lipton to challenge with Shamrock I for next year, says the Tribune. The two years which must elapse after the defeat of one boat before she can sail again for the cup will expire in favor of the first Shamrock on October 20, and the suggestion is that if the first Shamrock has, as reported, received the improvements she greatly needed when she entered her races with Columbia in 1899, she should be in good condition to give Columbia a good run for the trophy in 1902.

The schooner yacht Endymion, whose owner, George Lauder, Jr., of Pittsburg, is said to have just issued a challenge for a race across the Atlantic for $50,000 a side, was designed entirely for deep-sea cruising, says the World. In this country the only boats of the Edymion's class that could compete with her in an ocean race are the Hildegard, owned by Edward R. Coleman, of Buffalo, and the Constellation, owned by Francis Skinner, of Boston, while in England there is C. Lorr Ewing's schooner, the Rainbow, which might race Mr. Lauder's boat from the English coast to this country.

Sir Thomas' Reason.

NEW YORK, Oct. 12.—Sir Thomas Lipton was the guest of honor at a dinner given by the governors of the Lotus Club tonight. In response to a toast, Sir Thomas said that his reason for keeping Shamrock on this side was that he might race with Constitution or Columbia next year.

They Can't Deceive Him.

Ketcham's Future Plans.

TOLEDO, O., Oct. 12.—George K. Ketcham, owner, trainer and driver of Cresceus, made the following statement today:

"I have taken off 30 pounds since May 1, and if I could get to 135 pounds I would drive Cresceus in two minutes. I will take the horse to Columbus Monday, and will try to reduce his record next week on that track. I will take him from Columbus to Kansas City and will visit Minneapolis, St. Louis, Pueblo, Denver, Salt Lake, Sacramento, San Francisco, Los Angeles, Las Vegas, El Paso, Albuquerque and the City of Mexico, which will make a very pleasant and profitable trip. I shall not consider the offer to exhibit Cresceus on the vaudeville stage, as he is booked solid until the stud season will open."

Lexington Races Postponed.

LEXINGTON, Ky., Oct. 12.—The grand circuit trots scheduled for today were postponed, on account of rain.

Oregon Notes.

Hillsboro may hold a flower carnival next June.

Cottage Grove musicians are organizing a brass band.

Jackson County will have a large production of onions this year.

The Trout Creek mining district is busy, says the Ashwood Prospector.

The fishing season at Rogue River has been one of the poorest for years, says a Port Orford paper.

The rock foundations for the flour mill at Moro are nearly completed. The mill will be run by electricity from the Deschutes.

Orville Sanders and a companion named Pierce were held up and robbed at La Grande Tuesday of $25 in money and a stop watch.

T. B. Boyer, Newt McClanahan, George Elliot and Taylor Butts, of Upper Burnt River, delivered 400 head of yearlings to A. Leonig.

The Pendleton City Council has under consideration a proposition to buy 10 acres of land above the pumphouse and create it into an athletic park.

Indians from Yainax are purchasing supplies for the Winter at Lakeview. Many of them come to Lake County every Fall for flour and fruit.

Work is still progressing on the Wilson River road. A large force of men is at work and the road is complete for 18 miles west of Tillamook.

W. B. Dillard brought to the St. Helens Mist office Wednesday four short raspberry stalks filled with berries in all conditions from green to thoroughly developed and matured ones. The berries are of the wild blackcap variety.

The next city election in Pendleton will take place in December. At that time a Mayor, four Councilmen and a City Treasurer will be elected. Mayor F. W. Vincent's second term expires January 1, and he declines to accept a re-election.

Peck Bros. have 10 men at work building a ditch, which, when completed, will supply an abundance of water for their blacksand mines for the entire year, says a Curry County paper. The ditch taps Crystal Creek, and will be about 1¾ miles in length.

The October apportionment of the school fund of Wasco County is composed of $5743 76 from the state and $12,864 97 from the county fund, or a total of $16,608 73, giving a per capita of $1 22 from the state and $1 93 from the county fund, or a total per capita of $3 15.

J. P. Lieuallen lost a 3-year-old stallion recently that he valued at $300, says a Weston paper. The animal was fed and watered in the evening, and frisked about the corral as though in unusually good condition. Next morning it was stretched lifeless upon the ground.

Johnson, the Swede peddler who raises produce south of Athena, is in good fortune this year. He raised 1500 sacks of potatoes this season. He has sold 700 sacks at a good price, and will put the other 800 sacks in the ground and await the top price. Besides his potatoes he has a good fruit crop.

A large movement of cattle from the Upper Burnt River ranges took place last week, and Baker City was the delivery point for about 1200 head. Ennis & Beard, of Walla Walla, received about 800 from Thomas Drisline, of Unity, and they will be shipped to the Walla Walla and Puget Sound markets.

H. C. Brainard was mistaken for a burglar at his family residence at Ferndale several days ago, says the Marshfield News, and was shot in the arm by his son. Somebody had been prowling around the houses at Ferndale for several nights. Roy Brainard shot through the door at a man who was trying to get into the house several nights before.

Washington Notes.

A force of men is working on a wagon road from Northport to Flat Creek.

The jute mill at the Walla Walla State Penitentiary has been closed down for the annual overhauling.

A man by the name of Robb, from Boise City, Idaho, is in Vancouver, looking over the prospects for establishing a National bank.

C. L. Whitney, of the Walla Walla Valley, has shipped to Spokane for shipment to the Buffalo Exposition, 3000 pounds of fine fruit.

Boyd Teter and Mrs. Sylvina Carney were married at Davenport Wednesday. Both the groom and the bride have grandchildren, who attended the ceremony.

The Whitman County Commissioners have fixed the tax levy for the ensuing year at 19 mills, an advance of 2 mills over the tax levy of last year. The state levy is 9.281426 and the county levy is 9.718574 mills.

A jury in the Superior Court at Walla Walla, last week, found William Davis guilty of attempted murder in having shot at Miss Effie Haworth twice June 12. The shooting occurred on the street, and Miss Haworth was in company of another young man at the time Davis fired the shots.

The apple-picking and packing season is now at its height and wagon load after wagon load of apples is coming to Palouse and neighboring stations. Palouse will ship at least 10 carloads of apples and nearly as many carloads of potatoes, Guy, on the O. R. & N., and Fallons, on the Northern Pacific, will ship about eight carloads each of apples and probably five cars each of potatoes.

Alderman Stewart, of Aberdeen, made an offer to the City Council to give a portion of a highway and improve it for a stipulated sum. It was accepted by a majority of the Aldermen, but Alderman Anderson took the case to the Superior Court, and the court ruled against the purchase. Stewart took action enjoining any party from use of the highway, and will build fences and close up the road. The action will cause great inconvenience, and will lead to a great amount of litigation.

County Auditor Hubbard, of Spokane County, has filed with the board of commissioners a recommendation that the tax levy for county and state purposes for next year be fixed at 15 mills, exclusive of special school levy. He has also filed his estimates of expenses of the county as follows: Superior courts, $30,000; justice courts, $7500; repairs at courthouse and jail, $10,000; jail expenses, $5000; care of poor, $25,000; office expenses, including transportation, $9000; fuel, $2000; light, $1200; water, $1000; salaries, $80,000; miscellaneous, $15,000.

The rural delivery routes proposed to run out of Dayton have been changed. The first is laid out from Dayton to Longs, thence south four miles and after that pursuing a zigzag course to take in Hogeye, Whisky Creek, McAuley Hollow and practically all Bunday district, then back by Joe Rose's place down the Touchet to Dayton. On it are 150 families and the length is 30 miles. The second route is also extended. It was originally planned to run from Dayton to Longs and from Longs to Sturtevant's. This is now cut out and put on the other route and an extension is made north and west to Dittemore's schoolhouse, thence east down the Patit to Dayton, six miles. One hundred and ten families will be accommodated on it.

In Well-Shod New York.

New Orleans Times-Democrat.

"I was very much impressed with the woman of New York, while there recently," said a bright little woman who had just returned from the metropolis, "and I was impressed with the fact that they are probably distinctive for more than one reason. I am speaking, too, for the women one meets on the thoroughfares—shop-girls, society belles and all. I like the way they dress in New York. I like the way they walk. I like their little mannerisms in public. The New York woman dresses well. She may be a shop-girl, but she wears a neat, well-fitting, graceful costume. She stands well in her shoes. And, by the way, this is one thing that impressed me about New York women more than any other one hobby. I like good shoes, shoes that set well on the foot, shoes that fit nicely around the ankle, shoes that develop whatever there is of grace and beauty in a woman's foot and, parenthetically, there are no Trilby feet among the women, for every mother's daughter of them can slip her foot into Cinderella's slippers—but, as I was saying, I like shoes that have good, substantial soles and stand well on the heels, and these are the kind of shoes the women of New York wear. Just from observation I would judge that the women of the metropolis are fond of the best there is in the shoe market. They all wear shoes that look well and they are not ashamed to show them. They wear the short skirt, which falls no further than the shoe top. It gives them a firmer footing, as it were, and they walk with more grace. Why, it is really a treat to see them strike down the street, looking neither to the right nor to the left, but minding their own little business. They combine man's independence of appearance with a woman's grace, and it is an imposing spectacle."

LEARN THE TRUTH

Regarding Drs. Copeland and Montgomery's Ability to Cure---Take Nothing on Faith ---Investigate for Yourself and Be Convinced.

To convince the public that we are working real cures upon real people, only one kind of evidence can be accepted, and that is testimony which comes from patients who may be interviewed, who are honest, who are grateful, who are sincere, who are anxious to help their fellow men.

Such testimony has been appearing regularly in these columns for the past 10 years. It is enduring proof that Doctors Copeland and Montgomery are really curing — not merely helping or relieving, not merely improving and benefiting alone, but curing disease.

Read in such cures a part of the record of their wonderful skill. They can cure disease. They are doing it every day. They are making the sick well. They are curing the cough that racks the chest with distress. They are soothing those cramping, shooting pains of body and limb. They are driving out poisons from the blood. They are stopping that nervous fear and trembling. They are restoring the sense of hearing to ears that have long been dead to the sense of sound.

STOMACH DISEASE 15 YEARS. HOPE ALMOST GONE.

Mrs. Hester Worley, Palestine, Or., a former resident of Canyonville, and well known throughout Southern Oregon: For 15 years I was an invalid from stomach trouble. I could eat nothing at all without experiencing great distress. Over half the time I lived on liquids, and there was scarcely a day in all these years that I did not

Vomit What I Ate.

I never could eat breakfast, but would have to leave the table after I took a few mouthfuls, and even this the stomach would reject. Instead of bloating, as most stomach sufferers do, there was a constant pressure backward and the

Stomach Felt Heavy

all the time. I could not lie down or rest at night. I was troubled with headache, dizziness and palpitation of the heart

after eating. I was so bad at times that I would be down in bed for weeks, the attacks sometimes lasting as long as three months.

I doctored continually, but got only a little temporary relief, I had given up all hope of being cured, but seeing the statement of Mr. E. M. Foudray, whose case seemed exactly like mine, induced me to try the Copeland treatment, and I believe if I had not consulted these doctors I

Would Not Be Alive Now.

But I am glad to say that I improved almost from the first, and now feel and look better than I have in years. I am able to eat food that I never dared to touch before, and feel well in every way.

All my friends know how sick I was and feel greatly surprised over my recovery, which, after the years I have suffered, seems like a miracle.

FEARED HE WAS BEYOND THE REACH OF MEDICAL SKILL

Mr. Peter Peterson, Columbia, Wash., was a sufferer for over a year from a grave form of bronchial disease, which was rapidly developing into incurable consumption, when he decided to take the Copeland treatment. Today he is rejoicing in his complete restoration to health, and expresses his gratitude and his appreciation of the skill that has been the means of effecting so remarkable a cure. He said:

"My Cough Was Terrible,

racking my system day and night, and giving me not a moment's peace. I had awful pains through my chest and under my shoulder-blades, with fevers and night sweats, and raised great quantities of frothy phlegm and mucus. My flesh wasted away and my strength failed so that I was unable to continue in my occupation of carpet-fitting, and I was forced to believe that I

Was Dying of Consumption.

I was confirmed in this belief by the fact that I had taken all the 'Cure-Alls' advertised for the cure of bronchial and lung diseases, without obtaining the slightest benefit.

A Friend in Need.

"A friend had repeatedly urged me to consult the Copeland Physicians, and at last I did so, although I feared that my disease was beyond the reach of medical skill. In this I was most happily mistaken, for I am now perfectly well once more."

THEY CURE TO STAY CURED.

Mrs. M. Douthit, postoffice address, Portland: "Last year I took a course of treatment at the Copeland Institute for catarrh, complicated with deafness and a chronic discharge from the ears. The ears were dry and scaly, and itched so they nearly set me crazy. I could not hear the clock tick or follow conversation, and there was a constant buzzing and roaring. At the end of my course I heard as well as I ever did, and my ears were entirely healed. Money could not repay me for the enjoyment I have had out of life since my cure."

Mr. John Walters, West Portland: "From my own individual experience I can say that the Copeland treatment does cure catarrh and deafness, and cures them to stay cured. After an attack of grip several years ago I suffered severely with catarrh. My head was stopped up, there was a watery discharge from the nose, and I lost my sense of smell. The ears were affected, and I feared I would be totally deaf. I could not hear at all with the left ear, and the hearing in the right one was very dull. I was nearly distracted by a ringing and throbbing in the ears, which prevented sleep at night. If any thing, I am better today than I was a year ago, when I quit my treatment."

HOME TREATMENT
