CLOSE OF CAMPAIGN

Last Hours of the New York Fight is a Whirlwind.

REPORERS VERSUS TAMMANY

Both Lay's Opinion Win the Moment: Supposed Four Years Age-Old
and Many New Face Claims to Skip the Old Senators.

NEW YORK, Nov. 1.-New York is re-
occupied, and the old tag is to the
right. The Democrats have
bucked up the old Whigs, and re-
apped the old Tammany.

In the machine, the word is,
"whip the Republican machine,
and we will make the Demo-
crats."

REPUBLICAN TO THE MANHATTAN.

COOK'S OATMEAL, CREAM AND CORN

Was the Call for the Democratic Ticket.

the same as in the East.

The Republican machine
is in a state of turmoil,
with the Tammany machine
busy. The Democratic ma-
chine is strong in the city,
and the Tammany machine
is strong in the suburbs.

The Democratic machine
is busy, with the Tammany
machine working hard.
