MULTNOMAH WON BY 16 TO 5

ATHLETIC CLUB DEFEATED WASHINGTON 'VARSITY ELEVEN.

Kerrigan Was One of the Star Men of the Day—Cosgrove Made a Great Run.

SEATTLE, Nov. 16.—The Multnomah Athletic Club defeated the University of Washington at football here today by a score of 16 to 5. The visiting aggregation outclassed the Washington players in weight, team work and generalship, but nevertheless the latter put up a gallant struggle. Playing in the second half was about even.

Multnomah scored twice in the first half, Saunders and Dolph crossing the line. The feature of this part of the game was Multnomah's concentrated attack on the home line. Twice the Portland team drove Washington back nearly 60 yards without losing the ball.

In the second half the feature was a 70-yard run for a touchdown, made by Cosgrove for the university. The collegians worked a criss-cross play off the visitors. Later Dolph again crossed the line for Multnomah, leaving the score 16 to 5. The university had an inexperienced man at quarter.

Multnomah's line proved too strong for the local team, although several substantial gains were made through the guards and a few through center. Washington's tackles and center played well, but the guards were slow. Quarterback Kerrigan, of Multnomah, was one of the star men of the day and used good generalship throughout the game.

PACIFIC UNIVERSITY WON.

Defeated Oregon Agricultural College Eleven by 17 to 0.

CORVALLIS, Or., Nov. 16.—Pacific University defeated the Agricultural College eleven on the campus here today by a score of 17 to 0. The game was clean, and the work of the university men excellent. They easily outplayed the O. A. C. team, gaining ground almost at will. Captain Day and Halfback Millis played a star game for the University.

Pacific kicked off, and the O. A. C. punted after an advance of 15 yards. Day's long run advanced the ball to the Oregon Agricultural College's six-yard line, and Millis carried it over. Within ten minutes, using guard and tackle formations, Peck made a second touchdown. The half ended with Oregon Agricultural College menacing Pacific's goal.

In the second half, Pacific advanced steadily, and Bryant made a third touchdown in 11 minutes. Pacific again menaced the college goal, but fumbled, and the Oregon Agricultural College punted from the 10-yard line. The same conditions prevailed until the game closed.

A DISGUSTED CROWD.

Ruhlin Was Pitifully Outclassed by Jeffries.

SAN FRANCISCO, Nov. 16.—The town is still talking of the Jeffries-Ruhlin fiasco and the men who paid over $30,000 into the box office have come to the conclusion that they were buncoed. To them it looks as if clever managers had arranged a little easy money for Jeffries by pitting him against a man who could not beat him with the aid of one of the Oregon's 13-inch guns. Ruhlin was pitifully outclassed, and the wonder is that he was ever induced to enter the ring with Jeffries. The contest did not demonstrate much, except that Ruhlin is not a high-class man. Jeffries had hardly any opportunity to show what he could do if pushed. He appeared in excellent condition, was quick on his feet, and never lost his head. He apparently made no effort to avoid Ruhlin's gentle taps, but went steadily after his man. Apparently he could have ended the fight in the first round had he been so inclined. Next month Jeffries is to meet Tom Sharkey under the auspices of the San Francisco Athletic Club.

The exact amount taken at the box office last night is announced as $32,000.

In an interview after the fight Referee Corbett said:

"I think Madden made a mistake. He should have thought of the crowd that had paid a big admission fee to see the fight. The crowd that attends such exhibitions wants to see the defeated man knocked out. The fight might have gone another round or two, when a decisive blow might have been given."

Billy Madden said that he decided to stop at the end of the fifth to save his man from worse punishment. "I did not want a knockout," he said.

Ruhlin got over his grogginess quickly. He was not badly punished, and bore no serious marks of the fray. There was little trace of the heavy body blow in the fifth round, and he is little the worse for wear.

Ruhlin and his immediate followers spoke in awed tones of Jeffries' power. They agreed that he was a terrible fighter and sought to console themselves for the defeat by extolling the champion's fearful prowess.

Champion Jeffries in a signed statement says:

"I had not started to fight when Madden threw up the sponge. Had I gone at Ruhlin I am sure he would not have lasted two rounds. Ruhlin was scared from the first."

It is thought that only about $20,000 was bet on the fight.

RECEPTION TO CHOATE.

The Ambassador and Carnegie Were the Principal Speakers.

NEW YORK, Nov. 16.—Ambassador Choate was the guest of the Lotus Club tonight at a dinner and reception given in his honor. The keynote of the speeches was the friendliness existing between England and America, and the desirability of its continuance. Mr. Choate expressed it in saying that whatever differences came up between the two countries would be harmoniously, honorably and amicably adjusted. He said:

"After all that I have seen in other countries, it seems to me absolutely clear that the cardinal principle upon which American institutions rest—the absolute political equality of all citizens, with universal suffrage—is the secret of American success. Introduced by the comprehensive system of education, which enables every citizen to pursue his calling and exercise the franchises, it puts the country on that plane of success which it has reached. It passes my comprehension how any man can go abroad and not return a warmer lover of the institutions of his native land."

Andrew Carnegie followed Mr. Choate, and referred to the way he came to be quoted as saying New York was "one of the best-governed cities in the world," a remark that was brought up in the recent municipal campaign. A gentleman reproached him for giving so much money to so foul a city as New York. Mr. Carnegie rejoined:

"Look at your London, buying its water from companies whose shares were originally £1, and now are £2100. Look how New York prepares for the future in the matter of parks. It takes a head to do that. I don't care what party is in power; New York's progress is not to be impeded."

ATTORNEY DISBARRED.

He Is Said to Have Made Criticisms on President McKinley.

WASHINGTON, Nov. 16.—Secretary Hitchcock has disbarred William C. Budures, an attorney of Sturgis, S. D., from practicing before the Interior Department because of criticisms alleged to have been made by the latter on the late President McKinley. Budures said, when he learned of the shooting of the President:

"I am glad of it, and I hope he will die, as there will be one tyrant less."

The lawyer offered explanations, but Mr. Hitchcock declared them unsatisfactory.

Charges Against Arizona Justice.

PHOENIX, Ariz., Nov. 16.—Webster Street, Chief Justice of the Territorial Court, left today for Washington, to appear before the Deparment of Justice to answer charges of bribery in connection with charges brought against him last Summer. The charges filed against Justice Street are in connection with a decision affecting the King of Arizona Mining Company. It is alleged in the complaint that Street accepted a bribe of from $5000 to $7000. Street was in Washington some time ago and requested an investigation, which Attorney-General Knox promised him. He has just received notice that the charges would be considered November 21, and left at once for Washington.

NEW YORK, Nov. 16.—Under a remarkably cloudless Winter sky, the first ascent of the Aero Club of the United Kingdom was made yesterday from Stamford Bridge grounds, says the Herald's London correspondent. The ascensions of the various aeronauts were fairly successful, no accidents marring the initial enterprise of the club.

To the Public.

Allow me to say a few words in praise of Chamberlain's Cough Remedy. I can recommend it with the utmost confidence. It has done good work for me, and will do the same for others. I had a very severe cough and cold, and feared I would get pneumonia, but after taking the second dose of this medicine, I felt better; three bottles of it cured my cold and the pains in my chest disappeared entirely. OLD-FASHIONED FOOTBALL

YALE DEFEATED PRINCETON BY A SCORE OF 12 TO 0.

Superiority of the Sons of Eli Shown by the Score—Jersey Men Fought Hard in Second Half.

NEW HAVEN, Conn., Nov. 16.—Yale defeated Princeton in the annual football contest at Yale field this afternoon by the score of 12 to 0. The score, according to experts who witnessed the game, represents accurately the superiority of the Sons of Eli. Aside from the general excellence of the Yale team, the feature of the play was to be found in the entire absence of unfair tactics. During the game, lasting nearly two hours, including the intermission and the time taken out by delays resulting from injuries, two penalties were imposed, the rival teams being equally guilty.

The game was won by Yale as a result of the simplest kind of old-fashioned football, rendered effective by entire consistency in team play, and a physical condition which enabled the Sons of Eli to "last" through a grueling contest. Princeton, on the other hand, displayed a tendency to go to pieces at times, and throughout the game her men required frequent nursing. Yale played throughout the 70 minutes of actual time with a single change. Princeton found it necessary to call upon seven substitutes, and the introduction of these half-dozen fresh men enabled her to make a superb finish of a contest which had been altogether uphill. Yale's goal line was never in danger. Indeed, the Princeton players never reached a point nearer Yale's goal than the 30-yard line. Yale scored two touchdowns, one in each half, and each of these scores was converted cleverly into a goal by Olcott. Yale's touchdowns came as a result of a superbly developed system of line-plunging. The famous tackles back formations in all their variations netted the greatest gains. Yale's backs, assisted by as sprightly a set of forwards as could be asked for, found holes in the Princeton line which enabled them to make gains when they once found their pace, and touchdowns were inevitable with the magnificent team work displayed by Yale. Yale's first touchdown was made after about 15 minutes of play. A fumble by Princeton at the center of the field gave Yale her chance, and, seizing the ball on Princeton's 50-yard line, the Yale men in 10 plays forced the ball over for the first score.

Yale required about 20 minutes of play in the second half to score the second touchdown. This score, like its predecessor, came as a result of straight football, made possible by great strength and superior team play. Honors were evenly divided as to kicking. DeSaulles, the little Yale quarterback, holding his own amazingly well with Dewitt. In the handling of kicks, Princeton excelled a trifle. In the matter of scrimmages, however, Yale's play was impressively cleaner, Princeton time and again losing the ball on deplorable fumbles. Throughout the game the play was largely in Princeton's territory.

From the kick-off at the game Yale did not let up until the first touchdown had been made. Then she resorted to the kicking game, and the scrimmages were confined to the middle of the field. So, too, in the second half the New Haven boys clung to the ball amazingly and confined the play to the Tigers' territory until another six points had been added to the Yale score.

When the score was 12 to 0 against them, the Princetons disclosed that "never-say-die" spirit which so often has won great victories in the past and gave a superb exhibition of "last-ditch" fighting. Unquestionably beaten, and with seven-elevenths of the team substitutes, the heroes of Old Nassau went at it and fairly lifted the Yale men from their feet. Then it was for the first time in the second half that the Princeton men forced the play into Yale's territory, and for the last 15 minutes of the game Yale was decidedly on the defensive. Barn-door holes were torn in the hitherto invincible Yale line, and amazing distances were gained by the New Jersey men. Their brace had come too late, however, and time was called for the last of the game. The line-up:

WISCONSIN, 18; MINNESOTA, 0.

Now Michigan Alone May Dispute the Badgers' Supremacy.

MADISON, Wis., Nov. 16.—The stalwart Gophers, the fame of whose Titanic mass plays made them 2-to-1 favorites in the betting, went down before the brilliant Badgers on Randall Field today, and now Michigan alone may dispute Wisconsin's supremacy in Western football. The score was: Wisconsin, 18; Minnesota, 0. The Minnesota team braced wonderfully in the second half, and preserved its goal line from the attacks which gave the Wisconsin men their 18 points during the first half. Wisconsin's goal was in danger but once. The attendance was 15,000.

In the second half Aune was replaced by Hoyt, while Holstein took Shaw's place at center, the latter's cheek-bone having been broken. These were the only substitutes despite the desperation with which the teams crashed into each other. The line-up:

Minnesota.	Position.	Wisconsin.
Rogers	L. E.	Abbott

Flynn	L. G.	Lerum
Page	C.	Shaw, Holstein

PENNSYLVANIA, 16; CARLISLE, 14.

One of the Most Exciting Games Seen on Franklin Field.

PHILADELPHIA, Nov. 16.—The University of Pennsylvania football eleven defeated the Carlisle Indians this afternoon by a score of 16 to 14, in one of the most exciting games witnessed on Franklin field this Fall. The first half ended with the score of 12 to 5 in favor of Carlisle. In the second half Pennsylvania took a decided brace and by hard rushing managed to score two touchdowns, from which one goal resulted. The Indians forced Captain Davidson of the Quakers over the line for a safety a few minutes before time was called, making the final score 16 to 14. The line-up:

Pennsylvania.	Position.	Indians.
Ludes	L. E.	Coleman
Pelkarski	L. T.	Wheelock

Harvard, 27; Dartmouth, 12.

CAMBRIDGE, Nov. 16.—Harvard defeated Dartmouth, 27 to 12, this afternoon with a team composed of substitutes and without Captain Campbell. Dartmouth scored a touchdown in each half, after blocking punts by Harvard. Putnam was slow in getting his kicks off and the substitute line men allowed Dartmouth to break through and block. Daly, Harvard's substitute quarterback, kicked a goal from the field, on the 25-yard line. Griffin, of Dartmouth, tried two place kicks after catches in midfield, but in each the ball fell short. Harvard's play was very ragged, especially in the line. Harvard suffered five penalties for interference and offside, and Dartmouth three.

Michigan, 22; Chicago, 0.

ANN ARBOR, Mich., Nov. 16.—The University of Michigan defeated the University of Chicago on Regents' field this afternoon by the score of 22 to 0. Two touchdowns were made by Michigan in each half and the game ended with the ball in Michigan's possession on Chicago's three-yard line. Most of Michigan's ground gaining was made through the Chicago line. The maroon ends were very effective. The ball was on Michigan territory, in possession of Chicago, only once during the game. The Maroons made their distance on downs but twice, and usually punted when the ball was in their possession. There was much fumbling by both teams.

Cornell, 24; Columbia, 0.

NEW YORK, Nov. 16.—Cornell, 24; Columbia, 0. These figures tell the downfall of Columbia football team this afternoon on the Polo grounds, where the Morningside Heights boys were outgeneraled and outplayed by the sturdy representatives of Cornell. Columbia put its very best team into the field for today's game, with one exception, Harold Weekes, who was disabled by an injured knee. But it was not strong enough to stand up against the splendid team-work of the Cornell eleven.

Nebraska, 29; Kansas, 12.

LINCOLN, Neb., Nov. 16.—By defeating Kansas today, Nebraska retains the title of champion of the Western Intercollegiate Football Association. Score, 29 to 12.

KNIGHTS OF LABOR.

Re-elected President Burns, Reconsidered, and Chose Hicks.

INDIANAPOLIS, Ind., Nov. 16.—After re-electing Simon Burns, of Pittsburg, General Master Workman of the Knights of Labor, the general assembly at the evening session tonight reconsidered the action, and in Mr. Burns' place elected Henry A. Hicks, of New York, as the executive head of the order. Mr. Hicks was installed immediately after his election. The executive officers of the national organization as now elected, are:

General master workman, Henry A. Hicks; general secretary-treasurer, John K. Hayes, Washington; general executive board, I. D. Chamberlain, Pueblo, Colo.; I. H. Sanderson, Toronto; T. J. O'Reilly, Brooklyn, in addition to the executive officers.

Iglesias' Bail Reduced.

SAN JUAN, Porto Rico, Nov. 16.—The bail of Santiago Iglesias has been reduced to $500 cash. His trial has been set for December 2. Santiago Iglesias was arrested at San Juan November 7, upon his arrival from New York. His detention was due to his non-appearance after having been thrice summoned by the local courts to appear in a case against him brought in July, 1900. He was then charged with conspiracy for persuading the local Federation of Labor to order all labor organizations to go on strike unless they were paid in gold at the same rate as they had been paid in silver. A general strike, accompanied by some violence, followed. This was at the time of the change in Porto Rican currency. When the case against Iglesias was first called he was at large on his own recognizance. He did not appear for trial then, nor upon the date of two subsequent adjournments. When arrested here last week his bail was first placed at $2000.

NEW YORK, Nov. 15.—At the anniversary dinner of the Automobile Club of Great Britain and Ireland, to commemorate the completion of the fifth year since the light-locomotives-on-highways act of 1896 came into operation, just held at the Hotel Metropole, some interesting speeches were delivered on automobiling in England, the difficulties attending it and what ought to be done to render it more popular, says the Herald's London representative.

The Doyle-Burns Suit.

COUNCIL BLUFFS, Ia., Nov. 16.—John O'Hare concluded his testimony in the Doyle-Burns mining suit today and Frank B. Peck, a brother-in-law of Doyle, the plaintiff, took the stand. His testimony is exhaustive and will probably take up most of the time until Monday evening.

The witness who was the center of attraction and whose every word of testimony was closely followed was Mrs. Beatrice A. Steadman, of San Diego, Cal. With a broad-brimmed sombrero, Mrs. Steadman looked like a typical Western woman. She seemed the shrewd business woman that she undoubtedly is, and her quick replies, which came in the most convincing manner and with no uncertainty of tone or embarrassment of manner, showed that she is quite the equal of her cross-questioner in ready wit and comprehension.

Guard Waldrupe Is Dead.

LEAVENWORTH, Kan., Nov. 16.—J. B. Waldrupe, a guard at the Fort Leavenworth military prison, who was shot during the mutiny at that institution on November 7, died today of his wounds. Twenty-six mutineers now become liable to a charge of murder. It is generally supposed that Frank Thompson, the negro who led the revolt, fired the shot that caused Waldrupe's death. Thompson is one of the 17 convicts who have been captured since the outbreak.

Hope Diamond Sold.

NEW YORK, Nov. 16.—The famous Hope diamond leaves England for New York, cables the Tribune's London correspondent. There is a report in Hatton Garden that the exact amount paid Mr. Fraenkel was £29,769. It is understood that the diamond goes out on the importer's valuation of $50,000. The stone, which is about half an inch long, is set as a brooch. It is not of a brilliant blue color, being slightly grayish.

Duel to Be Investigated.

NEW YORK, Nov. 16.—The killing in a duel of Lieutenant Blaskowitz, says a dispatch from Berlin to the London Times and New York Times, will certainly be brought up in the Reichstag, and the Minister of War will be asked to explain it. There is much discrepancy in the stories about the events which led up to the forced duel, and much feeling against the practice of dueling is developing.

DISEASE DESCRIBED BY SYMPTOMS

The Diagnosis Made Easy by the Famous Symptom Questions; the Cure Made Certain by the Wonderful Medication Which Reaches Every Part Subject to Catarrh.

THE TREATMENT THAT CURES

Dr. Copeland's treatment, that has lifted the darkness and blight of the word "incurable" from hundreds of thousands of cases of Catarrh of the Head, Throat, Ear Tubes, Bronchial Tubes and Lungs, works as curative action for two reasons:

(1) It reaches every diseased spot from the orifice of the nose to the deepest part of the lungs and the innermost recesses of the middle ear.

(2) Instead of irritating, inflaming and feeding the fires of the disease, it soothes, quiets, heals and cures.

AVOID CURE-ALLS

In Catarrh, as in other maladies, avoid blind doctoring by patent cure-alls. Get individual treatment for your individual ailment at the Copeland Institute.

THE PROPER COURSE FOR SUFFERERS

The proper course for sufferers is this: Read these symptoms carefully over, mark those that apply to your case, and bring this with you to the Copeland office. If you live away from the city, send by mail and ask for information of the new home treatment.

CATARRH OF HEAD AND THROAT.

Eruptions

Dry, moist, scaly tetter, all forms of eczema or salt rheum, pimples and other cutaneous eruptions proceed from humors, either inherited, or acquired through defective digestion and assimilation.

To treat these eruptions with drying medicines is dangerous.

The thing to do is to help the system discharge the humors, and strengthen it against their return.

Hood's Sarsaparilla permanently cured J. G. Hines, Franks, Ill., of eczema, from which he had suffered for some time; and Miss Alvina Wolter, Box 212, Algona, Wis., of pimples on her face and back
