WEBSTER'S DICTIONARY

Published to Sell for \$5.00

Our Great Special \$1.50

This dictionary weighs 8 lbs. in royal octavo form, contains 1,750 pages, with 1500 illustrations and 4 magnificent colored plates. Is unquestionably the greatest storehouse of knowledge ever compressed into a single volume.

This magnificent work must not be confounded in any way with the cheap, common, trashy books which flood the market under the same name. The binding is in tan sheep, strong and serviceable, reinforced with patent spring back. It is furnished with patent thumb index, giving ready reference to any word in the volume, and the definitions are the clearest, most comprehensive and concise to be found in any dictionary in the language.
