

OLDS, WORTMAN & KING

On Thursday Morning Next, January 2, 1902, We Will Commence Our

24th-Annual Clearance Sale-24th

It will be conducted on the same broad-gauge plans that have made our twenty-three former annual clearance sales so popular with the people of Portland, and will continue as usual for 30 business days. Our annual clearance sales held at the beginning of each year are monuments to our good storekeeping methods. They are the outcome of our determination to close out to the utmost our immense stocks before the flood of Spring goods begins to pour in upon us. Only severe price-reductions will do this quickly.

WE WILL NOT MINCE MATTERS OR DO THEM BY HALVES AND MAKE

Big Price-Reductions on Our Entire Stocks

Of high-class, progressive merchandise, excepting only a few lines the prices of which are made by the manufacturers. All good things have imitations. Our annual clearance sales are not excepted. We originated these sales in Portland, and while clearance sales are now held on all sides, we alone conduct them in the original, thorough manner. Our annual clearance sales are looked forward to by the people of the Northwest as the greatest bargain-event of the year.

A SPECIAL FEATURE OF AND INCLUDED WITH THIS SALE, IS OUR MAMMOTH STOCK OF

Ladies' and Children's Muslin Underwear.....

For years we have made a great specialty of this branch of our business. We have firmly held to the highest standard of quality of make and size. Every garment is strictly "sanitary made," in state-inspected factories. No sweat shop underwear is allowed entrance to our stocks. Our muslin underwear represents the best efforts of skilled American women, aided by the most modern machinery and methods yet invented.

Continuation of the

Greatest Selling of MUSLIN UNDERWEAR

EVER KNOWN IN PORTLAND

Trust the women of Portland for truest discrimination in the quality and tastefulness of garments. No price-temptation can make them sacrifice the standard of beauty and comfort which they require. It was not the very cheap goods that made the success of this sale.

It is the better goods—the fine and handsome garments that are sold as cheaply in proportion as the 22c Corset Covers.

That is the vital point—best goods at lowest prices that secured full and strong—the result of our masterful efforts in the selling of Muslin Underwear—success.
