NOTHING ELSE LIKE IT. MORE LIGHT LESS EXPENSE. Can be obtained by using our old reliable M. & M. Arc Portable Lamps. For stores, street-lighting, churches, halls, and in fact, any place where you want light of 500 candle-power. One M. & M. ARC LIGHT GIVES MORE LIGHT than one electric arc light. At Cost of Only One-half Cent Per Hour. This lamp is sold on trial, subject to perfect satisfaction; is fully guaranteed for one year; over 30,000 in actual commercial use in the United States today. If you want more light, do a little figuring. Note how many hours you burn your gas or electric lights, then figure the cost of our Gasoline Arc Lamps. They are on the list of the permitted devices of the National Underwriters' Board of Consulting Engineers, and are absolutely non-explosive; no smoke, no smell. You will be astonished at the cut on your light bill, and you will be more astonished at the increase in your light. Do not turn us down because you have had some other light that did not work satisfactorily, but give us a trial. Remember, we guarantee all the claims we make for our lamps. We carry a stock in our store and can make you prompt deliveries. Special prices and protection given to agents. Write for catalogues of full particulars. C. W. LORD, State Ag't, Portland.
