

TREATY WITH CUBA

Reciprocity Agreement Authorized by Committee.

TO BE CONSIDERED AT CAUCUS

We Will Grant a 20 Per Cent Reduction on the Island Government First to Enact Our Immigration Laws.

WASHINGTON, Feb. 22.—The Republican members of the ways and means committee, who have been considering the question of concessions to Cuba at several meetings during the week, finally reached an agreement this afternoon which is considered a victory for those who have favored tariff concessions to that island. The action taken was the adoption of the following resolution: "Resolved, That it is the sense of the majority members of this committee (subject to the approval of the Republican members of the House in caucus assembled, to be held as soon as practicable) that the committee report a bill in substance authorizing the President to negotiate a reciprocity treaty with the Cuban Republic, when established, providing for the entry of our products into Cuba upon such terms as shall be deemed by him to be advantageous to us; provided, however, that the treaty shall secure for our products going into Cuba duties less than those allowed to the other countries, substantially equivalent to the concession made by us; that the consideration upon our part for such treaty shall be a concession of 20 per cent of our tariff duties upon imports of the products of Cuba, upon this condition: That Cuba shall first enact our immigration laws."

SISTERS OF CHARITY RELY ON PE-RU-NA TO FIGHT CATARRH WHEREVER LOCATED IN THE SYSTEM

In every country of the civilized world the Sisters of Charity are known. Not only do they minister to the spiritual and intellectual needs of the charges committed to their care, but they also minister to their bodily needs. With so many children to take care of and to protect from climate and disease, these wise and prudent sisters have found Peruna a never failing safeguard. A letter recently received by Dr. Hartman from the Ursuline Sisters of Cleveland, Ohio, reads as follows: "We have lately given Peruna a trial, for though the medicine was not new to us, we had not tried it sufficiently to testify to its worth as we are now ready to do. We find Peruna an excellent tonic and a valuable remedy for catarrh affections of the throat. We have recommended it to our friends and have good reports from them as to its merits." Yours respectfully, URSULINE SISTERS.

Some years ago a friend of our institution recommended to us Dr. Hartman's Peruna as an excellent remedy for the influenza, which we then had several cases which threatened to be of a serious character. We began to use it and experienced such wonderful results that since then Peruna has become our favorite medicine for influenza, catarrh, cold, cough and bronchitis. Another recommend from a Catholic institution of one of the Central States, written by the Sister Superior, reads as follows: "A number of years ago our attention was called to Dr. Hartman's Peruna, and since then we have used it with excellent results for influenza, colds and catarrhal diseases of the head and stomach. For grip and winter catarrh especially it has been of great service to the inmates of this institution." These are samples of letters received by Dr. Hartman from the various orders of Catholic Sisters throughout the United States. The names and addresses to these letters have been withheld from respect to the Sisters, but will be furnished upon request. One-half of the diseases which afflict mankind are due to some catarrhal derangement of the mucous membrane lining some organ or passage of the body. A remedy that would act immediately upon the congested mucous membrane, restoring it to its normal state, would consequently cure all these diseases. Catarrh is catarrh wherever located, whether it be in the head, throat, lungs, stomach, kidneys, or pelvic organs. A remedy that will cure it in one location will cure it in all locations. Peruna is such a remedy. The Sisters of Charity know this. When catarrhal diseases make their appearance they are not disconcerted, but know exactly what remedy to use. These wise and prudent Sisters have found Peruna a never-failing safeguard. They realize that when a disease is of catarrhal nature, Peruna is the remedy. Dyspepsia and female weakness are accompanying the catarrh of the stomach and female weakness is due to catarrh of the pelvic organs. The Sisters are fully aware, consequently, that Peruna is their remedy in both these very common and annoying diseases. If you do not receive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case, and he will be pleased to give you his valuable advice gratis. Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.

SISTERS OF CHARITY

All Over United States Use Peruna for Catarrh. LEAGUE MAGNATES CONFER

Resignation of President Spalding Was Disapproved. PITTSBURGH, Feb. 22.—The National League Baseball officials assembled in secret conference at the Hotel Stanley at 2 o'clock this afternoon. A. J. Reach, of Philadelphia, was not present, nor was any word received from him. Those present were Colonel and L. E. Hoegarty, of Brooklyn; President Charles Ebbitt, of Brooklyn; Ed Hanlon, of Brooklyn; President J. M. Hart, of Chicago; Harry Pulliam and Colonel Dreyfus, of the local club. At the conclusion of the meeting tonight a statement was given to the Associated Press to the effect that the resignation of A. G. Spalding as president of the National League and American Association had been disapproved and returned. "It was resolved," says the statement, "that his nomination and election to such office for me to fight till I am ready, and I think the public will let me know when it is time to fight again," said Young Corbett tonight, as he read the Associated Press bulletin announcing the victory of Terry McGovern at Louisville. "I am glad McGovern won. I think it disposes of his claim that he was not in condition when he fought me last night. I beat Young Corbett in two rounds, and he asserted that he was not in condition. Now it takes him 15 rounds to put Dave Sullivan out, and I think I can do better than a second-rater. I beat McGovern fair, and was the first man that ever made him break ground. I can do it again any time, but I am not going to be forced to fight."

FIGHT IN SENATE.

(Continued from First Page.) site and in the galleries, which were thronged with people who had been attracted by the spirited debate. Everybody was on his feet. Not a word, however, was spoken. Senators stood about the chamber for the moment quite helpless and pale to the lips. Finally order was restored partially, and in the midst of the intense excitement the Senate went into secret executive session. For two hours it discussed the event behind closed doors. When the doors were opened it was made known that both the South Carolina Senators, by unanimous vote, had been declared to be in contempt of the Senate. They were permitted, by a vote of the Senate, to make apologies to the Senate. Their statements were listened to by both the Senators and the people in the galleries with breathless interest. Senator Tillman left the Capitol when adjournment was taken for recess and did not return for the night session. Senator McLaughlin was in the chamber about 9 o'clock, but left early. Neither Senator would make a statement.

Black Hair For 50 years Ayer's Hair Vigor has been restoring color to gray hair. It never fails to do this work, either. It affects all the vital processes. W. P. Weston, Woodstock, Ala., took Hood's Sarsaparilla to cure his blood. He writes that he had not felt well but tired for some time. Before he had finished the first bottle of this medicine he felt better and when he had taken the second was like another man—free from that tired feeling and able to do his work.
