SERMON FOR EASTER MORN

BY MOST REV. ALEXANDER CHRISTIE, D.D., ARCHBISHOP OF OREGON

Today we celebrate the Resurrection of our Lord Jesus Christ. After three days of suffering, death, and burial, he rose from the dead, triumphant over sin and death, to open the way for all humanity to enter into eternal life with God. This event is the cornerstone of our faith and the foundation of our hope. The risen Christ is our Lord and Saviour, the Good Shepherd who leads us through life's storms and brings us to safety. In him we have peace and joy, and we are called to live in love and service to others, as he commanded us.

ROBERTS BROS

CLOSED

Monday and Tuesday.

To enable us to transfer our stock from the old stand on Third street to our temporary quarters at the corner of Fifth and Yamhill streets, we will be obliged to suspend business for the first two days of this week. But having secured sufficient extra help so as to enable us to be ready for business again by Wednesday, we hope to then greet our customers with some of the greatest values that we have been able to secure for a long time. Realizing that we are temporarily out of the main line of business traffic, we have decided to almost give away some special lines regardless of cost or profit, so as to induce our friends and patrons to come and renew their acquaintance with us, at our new location, on Yamhill street, two blocks West of old stand.

Note the address—FIFTH AND YAMHILL STREETS
Opposite the Postoffice.

P.S.—Watch for our ad, on Tuesday for the "Specials."
