SPRING OPENING OF MUSLIN UNDERWEAR

Easter preparations being over, the mind of the feminine world turns to plans for the new season and its demands for plenty of undermuslins. TOMORROW AND ALL THE WEEK we will welcome ladies to a display of all that's best for the season in lingerie. This season we've prepared a greater offering than ever before. It will be a most tempting display. Garments of sheer, fine materials, exquisitely trimmed, that show the best ideas of the masters of this branch of manufacturing. Also HAND-MADE FRENCH MAKES and ITALIAN WASH SILK LINGERIE. Not forgetting to keep our usual full supplies of the good medium and everyday sorts.
