

HIRSHY WINS HANDICAP

BECOMES CHAMPION WING SHOT OF AMERICA.

Kills His Fifty-third Bird in the Shoot-off at Kansas City—A Sensational Finish.

KANSAS CITY, April 5.—H. C. Hirschy, with a handicap of 24 yards, today won the Grand American Handicap, and thus became the champion wing shot of America. The last man to stand up with him in the shoot-off out of the 14 men who had clean scores yesterday was C. G. Spencer, of St. Louis, who a 24-yard man, who finally failed to kill his 53d bird, Spencer will receive second money; R. O. Helkes, of Dayton, O., third; J. D. Pollard, Chicago, fourth, and J. L. Owen, of Cushing, Okla., fifth.

The race, which was for 25 birds, proved to be one of the most sensational in the annals of shooting tournaments. The grand shoot-off today was held with bright and clear weather, but with a hard wind blowing. The 14 men who began the final race this morning were: R. W. Cool, Alex. H. Gay, V. Deering, Columbus, Wis.; C. G. Spencer, St. Louis; G. B. D. Darby, Philadelphia; D. O. Helkes, Dayton, O.; George A. Roll, Blue Island, Ill.; L. Squier, Cincinnati; H. C. Hirschy, Minneapolis; J. L. Owen, St. Paul; Fred Gilbert, Spirit Lake, Ia.; J. D. Pollard, Chicago; F. Snyder, Crawfordville, Ind.; J. W. Owens, Cushing, Okla.; G. W. Clay, Australia, Ky.

In the second round two men dropped, a third missed out in the third; three lost in the fourth; two more in the seventh; one in the 11th, and another in the 13th. Fred Gilbert, of Spirit Lake, Ia., was one of the first men to quit, and Helkes, after making many sensational shots, lost his 11th. The 21st, 22nd, 23rd, 24th, and Hirschy in the race. They killed their birds with ease and regularity, and soon passed the record mark for straight kills of 34, set by Estes in 1907. Hirschy's shooting was steadier and Spencer's on the last round, and many picked him for the winner after the 40th bird had been killed. Both men were straight up to the 53d bird. The 53d was a twisting outcast. Spencer shot first, and although he hit the bird it fell dead out of bounds. Hirschy's 53d was an ordinary ring quarter. He killed it with his barrel, but used the end to make sure.

Hirschy had not only won the Grand American Handicap, but he had placed to his record a score of 75 straight birds for the event, and a total of 102 for the week, having surpassed every one since the tournament began on Monday morning. When Hirschy killed his last bird his admirers swarmed around him and bore him from the field on their shoulders.

The complete scores in the shoot-off follow: H. C. Hirschy, Minneapolis, 53; C. G. Spencer, St. Louis, 52; B. O. Helkes, Dayton, O., 51; J. D. Pollard, Chicago, 50; J. L. Owen, St. Paul, 49; G. B. D. Darby, Philadelphia, 48; W. C. Cool, Blue Island, Ill., 47; Guy Deering, Columbus, Wis., 46; F. Snyder, Crawfordville, Ind., 45; L. J. Squier, Cincinnati, 44; H. C. SOMETHING NEW IN EUCHRE.

System of Scoring in Progressive Games Has Its Advantages.

Chicago Chronicle.

In most cases scoring in professional euchre games is computed by the number of games won. Advocates of reform in the game suggest, however, that the prizes will be awarded to those having the greatest number of points, irrespective of the games won. Point euchre, they say, is recognized by expert-players as the highest form of the game, and should be played, as each player receives credit for all points made at each game. It can be played at any progressive euchre either at home or in clubs. Excitement begins with the first hand, and continues until the last hand is played. Many objectionable features of the old game are overcome in point euchre, as fast playing is one of the essentials of the game.

A point euchre tally card is numbered as rapidly as possible to prevent the other tables from making high scores. All rules of euchre apply to this game. At the end of the two hours' playing the highest number of points made would determine the winners of prizes.
