

HEAD OF UNIVERSITY

President Butler, of Columbia, Installed.

MANY NOTABLE MEN PRESENT

Mr. Roosevelt One of the Distinguished Guests—Proceedings in the Gymnasium of the College—Addresses of Congratulations.

WILHELMINA'S CONDITION

Normal Course of the Malady Has Not Been Interrupted.

NICHOLAS MURRAY BUTLER

NEW YORK, April 19.—Professor Nicholas Murray Butler was installed as president of Columbia University with imposing ceremonies today.

Prominent Men There.

Prominent among those on the stage were: President Roosevelt, Dr. von Holst, the German Ambassador, Lord Kelvin, Governor Hiram Bland, Rev. Morgan Dix, President Charles Eliot, of Harvard; President Francis Patton, of Princeton; President William Harper, of Chicago; President Arthur H. Hays, of Yale; Mr. County, of the Catholic University of America; President J. C. Schurman, of Cornell; Rev. Dr. Vincent, of the Union Theological Seminary; Chancellor McCracken, of the University of Wisconsin; Colonel A. T. Mills, superintendent of the West Point Military Academy; President A. S. Webb, of the College of the City of New York; President C. A. Thwing, of the Western Reserve University; President Mary F. Wooley, of Mount Holyoke College; Bishop Henry Satterlee, of Washington, D. C.; Major-General Brooke, U. S. Army; Major-General Taylor, of the Philippines; Sir Percy Sanderson, the British Consul-General; Rear-Admiral Barker, Archbishop Corrigan, Postmaster-General Henry C. Payne and ex-Secretary Richard Olney.

Installed Yesterday as President of Columbia University.

The afternoon bulletin issued from Castle Loos reads:

Question of Succession.

NEW YORK, April 19.—Dispatches from Holland disclose that there is general gloom over the condition of Queen Wilhelmina, cables the London correspondent of the Tribune. The heir presumptive to the throne is a German Prince of Orange blood, but the succession is undetermined. The Dutch constitution provides that, in default of a legal heir, the sovereign and States General shall designate a successor. This has not been done, and the States General will exercise the right of selection in case of the Queen's death.

THE HOTEL PROPRIETORS OF THIS CITY FEAR THEY HAVE A SERIOUS PROBLEM BEFORE THEM IN THEIR EFFORTS TO SATISFY THE DEMAND FOR MEAT.

THE BLUE-COAT SCHOOL, OR MODERN

WEEK KIDNEYS AND BLADDER TROUBLE

Had to Pass Water Very Often Day and Night.

Cured by the Great Kidney Remedy, Swamp-Root.

DR. KILMER & CO., Binghamton, N. Y. About two years ago I had a very severe case of kidney and bladder trouble. The pain in the small of my back was so severe that I could not stand it to stay in one position more than a moment or two, and was obliged to pass water very often day and night. I tried medicines and doctors without getting relief. Noticing an advertisement in the Topeka State Journal of Swamp-Root, I determined to give it a trial and bought a bottle. By the time I had finished the first bottle the pain had entirely disappeared from my back. The pain and frequent desire to pass water ceased. However, I continued to take the medicine, using about six bottles in all. That was over a year ago and I have had no return of the trouble since.

A. H. Nooney, Chief Engineer, State Capitol Building, Topeka, Kan.

Weak and unhealthy kidneys are responsible for more sickness and suffering than any other cause, therefore, when, through neglect or other causes, kidney trouble is permitted to continue, the results are sure to follow.

We often see a relative, a friend, or an acquaintance apparently well, but in a few days we may be grieved to learn of their severe illness, or sudden death, caused by that fatal type of kidney trouble—Bright's Disease.

Swamp-Root is the world-famous kidney and bladder remedy. Dr. Kilmer's Swamp-Root, is soon realized. It stands the highest for its wonderful cures of the most distressing cases. A trial will convince any one—and you may have a sample bottle sent free, by mail.

Sample Bottle of Swamp-Root Free by Mail.

EDITORIAL NOTE—Swamp-Root has been tested in so many ways, and has proved so successful, every man that a special arrangement has been made by which all readers of The Oregonian who have not already tried it may have a sample bottle sent absolutely free by mail.

building of Christ Hospital, was erected in 1852. The foundation of Christ Hospital, in my communication to him, the Cunard line steamer Umbra, which sailed from Liverpool today for New York. The Opdena are going to meet J. B. Duke, president of the American Tobacco Company, in connection with the tobacco war here.

La Grande Again Responds to Mr. H. K. Sargent.

LA GRANDE, OR., April 19.—(To the Editor.) In my communication to you of the 13th inst. regarding Mr. H. K. Sargent's learned remarks on the "useless and tiresome metaphysical speculations as to the nature of the soul," published by The Oregonian in its issue of March 20, I have presumed to make a few observations on them, thinking that instead of meriting a reply from that gentleman I would rather be ignored by him. In this case, however, my fond wish is not father to the thought.
