VIGNEUX' TEAM WINS

PROFESSIONALS SET TOO HOT A PACE FOR MONOGRAMS.

Amateurs Go Down to Defeat, 21-3 -Schmeer's Home Run Saves a Shut-Out.

The baseball season began in Portland yesterday, when the professional ball-tossers, clad in their new uniforms of dark gray, rolled up a score of 21 to 3 against the Monograms. Although onesided, the game was not without interest, especially in the first half of the eighth inning, when Schmeer knocked the ball safe against the west-side fence going around the bases himself and bring-ing in Fay and Whitehouse, who were waiting for a hit. Outside of this spectacular play, the game was uninterest-ing, except as a test for the new men on the professional team.

Center Fielder Van Buren and Third Baseman Hupp certainly displayed good form yesterday, and Manager Vigneux is greatly elated over their work. As hard hitters, these two deserve especial mention, and they fielded their positions

neatly and faultlessly. neaty and fauttessiy.

George Engle, the old reliable pitcher, was the man who caused most of the trouble for the Monograms, and his work was so successful that only one of his opponents reached first base. Engle is up to his last year's form, and the fans who saw him yesterday are greatly elated over his possibilities for the season. Joe Mahaffey pitched during the last four innings, doing good work in the box, but not coming up to Engle's

themselves, displaying good form for such an early date.

nons today received the following telegram from Jeffries, in reply to his mes-sage of Thursday last: "Los Angeles, Cal., April 19, 1902.—Robert Fitzsimmons, care the New York Evening Journal, New York: Your telegram re-ceived, and I sincerely trust you are in earnest and that you mean business. Without wasting words, you made a big mistake in not accepting the Los Angeles offer, as everything was fair and just to you. Your acknowledgment that a contest is impossible in the East is only a repetition of my action toward their bid. Your actions towards the California bids led me to believe you were trying to avoid a meeting. We pledged mutually to avoid a meeting. We pledged mutually to agree on the best bid on a certain date, and at that time the East had not been

heard from, and you refused to accept anything here. "I don't want to dictate anything, but want mutual financial interests, and therefore will communicate with clubs in Cali-fornia, which doubtless will insist on deciding what is the best date, and we must agree on something. You deposit \$2500 now with the Examiner, and I will do likewise. I am sincere in all I have done and sorry you have not realized the same. "JAMES J. JEFFRIES."

TIE GAME FOR ENGLISH CUP. Football Between the Shefflelds and Southamptons at London.

LONDON, April 18.—The Sheffield United and Southampton Clubs football game this afternoon, at the Crystal Pal-ace grounds, for the possession of the "English cup," the blue ribbon of British scoring a goal. Upwards of 50,000 people thronged the parks and converted them into huge picnic grounds. Sheffield won the toss and kicked off.

The contest immediately entered upon an exciting stage. In the first few minutes play had to be stopped in order to allow injured players to be attended to. No very serious injuries, however, were sustained, and, after being bandaged, the men were able to resume play. The work of both teams was magnificent, but the attack and defense were so equal that at half time small as could be expected to exist in

to score had been recorded.
On changing ends the game became very fast. The ball was mostly in the Shef-field's half of the field. By a combined rush of the forwards, however, the Northers secured the first goal. The Southamp-tons in turn adopted forcing tactics, and shortly before the close of the game equalized matters. The last few minutes saw a desperate struggle to obtain a win ning point, but the great game ended in a draw. It will be replayed April 26.
