SPRING SALE OF CARPETS

Every Spring we receive a large shipment of New, Fashionable Designs in CARPETS. The manufacturers discontinue many patterns of the previous years and notify us that they are "DROPPED." This means we can get no more, consequently we have on our shelves quite a number of carpets which are only sufficient for one room. It therefore becomes necessary to close these out as quickly as possible, so as not to interfere with the sale of the New Goods, as very often people will see old patterns and want more of it. In order, therefore, to save annoyance and to keep our stock bright, fresh and up-to-date, we will cut prices on these dropped patterns from 10 to 25c per yard.

Here Are Bargains in Dropped Patterns.

Bargains the prudent housekeeper will gladly take advantage of.
