==SEVENTH== Annual Watch Sale

Genuine bargains in thoroughly dependable watches are not common, nor really much sought for. Watches are not bought for a season, to lay aside with each change of style. Therefore the purchase of a new watch is made with utmost caution, generally, and the thought of a bargain is secondary to that of obtaining a trustworthy timepiece. Here's the rare opportunity for men and women to obtain an honest watch and save at least one-half jewelers' prices.

MISS SIBSON WINS

Defeats Miss Griggs for State Championship.

THE GOLF TOURNAMENT ENDS

R. L. Macleny Again Successfully De fends His Title in Men's Open Event, and Also Makes Lowest Score of Meet.

The feature of the Waverly Golf Club tournament, which closed in the rain Alice Silson over Miss Griggs, of Tacoma, the Pacific Northwest champion. With the victory goes the title women's champion of Oregon. The men's open championship was won by R. L. Macleay, who defeated N. E. Ayer. His score of 84 also won him the prize for the lowest of the tournsment. The men's open handicap resulted in a tie between R. L. Macleay and A. A. Wright, both with net scores of St. Mrs. F. D. Warner won the women's handleap with a net score of 51 for nine holes. Dr. A. A. Morrison won the men's prize for clock golf with a score of 21, and Miss Flanders carried off the women's prize with 17. The three-hole contest resulted in a tie between A. A. Wright and J. W. Rankine. In the play-off, Wright won with a score of T.

The Spring tournament of the Waveriy Golf Club was concluded yesterday, and despite the cold and rain, the sport was exciting, and no event was lacking in interest. The men's and women's open championships were concluded in the afternoon, first honors going to Miss Alice Sibson and R. L. Macleay, respectively. The semi-finals were played in the morning, Miss Sibson winning from Miss Laura King; N. E. Ayer from J. E. Young; and R. L. Macleay from C. W. Walker. The final in the women's class was an exciting contest between Miss Sibson and Miss Griggs, of Tacoma, who recently won the championship of the Pacific Northwest, Miss Sibson plays with marked coolness and accuracy, her drives being long and effective. Although she defeated Miss Griggs yesterday, the latter will continue to hold the Northwest championship, as the contest was not in a regular interstate meeting. Miss Sibson is now champion of Oregon, in the women's class, and in addi-tion to the honors won yesterday, she took first place, jointly with Mrs. F. D. Warner, in the women's fourstomes, held on Friday. Mr. Macleay again won the men's open championship from N. E. Ayer, after a hard-fought game, the reoult of which was in doubt until the very ast moment. Mr. Macleay's work throughout the tournament has been of a very high order, his score of 84, made yesterday, winning him the men's first rize for the lowest score of the meeting. The lowest score in the women's classes was 55 (for 9 holes), made yesterday by Mrs. F. D. Warner,

Dr. A. A. Morrison and Miss Flanders won yesterday's first prizes for clock golf, their scores being 21 and 17, respectively. There were more than 40 contestants in this event yesterday, and a number of good scores were made.

Three-Hole Golf.

Yesterday's three-hole contest for men resulted in a tie between J. W. Rankine and A. A. Wright. When the tie was played off, Wright won, his score of seven winning for him the first prize of the tournament for this event.

The Prizes Presented.

After the last games had been played

yesterday afternoon the cups and other prizes were distributed among the various winners, and there was a general eig-nal for merrymaking. Among the hand-somest awards were the beautiful silver cups won by Miss Sibson and Mr. Macleay in the open championships. Other special cups were awarded, and the minor prizes, consisted of sweaters, golf sticks and other useful paraphernalia for those who love the fascinating Gaelic sport. From

start to finish the tournament was a suc-cessful one, everything about the links

and clubhouse being conducted promptly

and accurately. The managing commit-tee, W. J. Burne, T. Linthicum and John

Extent of Recent Earthquakes. NEW YORK, April 26.-The earthquake which caused such destruction in Central America, last Friday, extended as far north as Baltimore, says a dispatch from that city to the Tribune. At the Johns Hopkins University Observatory the film had just been taken off the seismograph, and it was found to indicate the heaviest

earth disturbance recorded since the ma-chine was put in operation.

The first measurable shock reached Bal-timore about \$:30 o'clock last Friday night, For about four minutes the dis-turbance was slight, then it suddenly be-came stronger. The heaviest shock was recorded about \$:40 o'clock. It soon sub-sided to a lower degree of violence, but the disturbance was comparatively strong the disturbance was comparatively strong for an hour and a half. The whole disturbance was apparent over a space of two hours and a half. The shocks were not strong enough to be generally per-ceptible.

TREAT OUTSIDE PATIENTS St. Vincent's Hospital Will Minister to Needs of Worthy Sick.

The Sisters of St. Vincent's Hospital have established an out-patient department in connection with the hospital, which will be open Tuesdays, Thursdays and Saturdays from 1 to 2 P. M. Here all patients that are able to come to the hospital and receive treatment and not be confined will receive the attention of

one of the regular members of the staff of the visiting physicians and surgeons of the hospital free of charge. The doctors and nurses of Portland have long felt the need of such a move-ment. There are a vast number of people who, although amply able to provide them-selves with the ordinary necessities of life, and who are by no means people who should come under the care of the county. Two of those killed lived on Moonshine were blown down, and chimneys were

Many Poor Families in the Town Were Rendered Homeless-Damage by the Storm in Adjoining States.

JOPLIN, Mo. April 28.—Today it is known that three persons were killed and about 30 injured in the tornado that swept through Joplin late yesterday. Of the injured, perhaps eight are fatally hurt. A conservative estimate places the total loss at \$100,000. The casualties were caused by flying debris or falling walls.

trees, and numerous outbuildings were blown over. Near Centerview, a residence on the Robinson farm was demolished, but the occupants escaped injury. In Kansas City the damage was slight.

The Damage at Omaha. OMAHA, April 26.-The damage from last night's storm appears today to have been general throughout the city, al-though no great individual loss occurred The greater losses were down town, where a number of large plate-glass windows were blown in and immense skylights blown to pieces. Probably 100 buildings suffered loss of roof, cornices or porches. Albert Davies, a clerk, aged 20 years, was struck by a flying walk and his shoulder badly crushed. A large number of other accidents, some of them more or less serious, occurred, but the injured were removed to their homes before their names were learned. Telegraph and tele-

San Francisco Street Railway Tie-Up Broken.

NO. 17

THE EMPLOYES ARE VICTORIOUS

All Their Principal Demands Are Conceded-General Manager Vining Tenders His Resignation-It Will Be Accepted.

After being on a strike one week, San Francisco street railway employes win a victory, and will resume their places today. They secure a 10-hour day, an recognition of their union.

SAN FRANCISCO, April M .- The strike on the street-railway system of the United Railroads, which went into effect last Saturday night, was officially declared off tonight. Victory rests with the employes, who are conceded all their principal demands. The United Railroads have granted an advance in wages, a 10-hour day and in a measure recognized the carmen's

On the question of unionism the agreement provides that the company will maintain such regulations as will enable full attention to all complains made directly by its employes; will cause prompt investigation to be made of such com-plaints, and when it discovers the same to be well founded will rectify any wrongs found to exist. It will not, however, deal in matters involving the management of its own affairs with other than its own employes or committees thereof. The company recognizes the right of every person to belong or to refuse to belong to a labor union, and it will discharge no employe because of his connection with such a union.

The company agrees to pay a flat rate of 25 cents an hour, or 23½ cents an hour, together with a bonus for long service as the employe may elect. A rate of 39 cents per hour will be paid for overtime. All runs are to be finished within 14 hours from the time of commencement. The em-ployes are to be allowed full liberty when

It is stated on good authority that E. P. Vining, general manager of the Market-Street Railway Company, which controls all the lines recently purchased by the United Railways, save the Sutro, Sutter and San Mateo properties, has sent in his resignation. Its acceptance is said to be a foregone conclusion.

Mr. Vining came to this city at the re-quest of the Huntington interests to take charge of the Market-Street Railway system in 1894, and has held his place synce. He had been traffic manager of the Union Pacific, with headquarters in Omaha, and subsequently served as commissioner of the Transcontinental Freight Association.

A report is current that the same in-terests that brought him to San Fran-cisco will now put him in charge of the street railway properties in Los Angeles, which those interests have recently ac-

The choir will sing Brosic's "Mass in F." and the brass band of St. Joseph's Verein will play some select numbers. The new church was built by Joe Speldrich.

Kansas Town Destroyed.

ST. JOSEPH, Mo., April 25.-A special to the Journal from Marysville, Kan., says: The town of Herkimer, on the St. seph and Grand Island Railway, six miles west of here, was almost entirely destroyed by fire, which broke out shortly after midnight. The place had a popula-tion of about 500. The origin of the fire is unknown. The property loss is estimated at \$100,000. Herkimer has no fire protection, and a

Kansas gale increased the fury of the flames. Nearly all of the property was insured. Only one business house—a drug store—escaped the fire.

The President Will Speak.

NEW YORK, April 25.-President Roosevelt has promised to attend the jubilee celebration of the centennial of Presbyterian home mission effort, and to speak at a mass meeting to be held in Carnegie Hall, Tuesday evening, May 20. This meeting will be the culmination of the celebration, which will be one of the features of the meeting of the Presbyterian general assembly. The latter will con-vene in the Fifth-Avenue Church, Fiftyfifth street and Fifth avenue, on May 15.
