DRAMATIC INCIDENT AT SALEM POLITICAL MEETING.

Came About With McMahon's Defense in Charge He Obtained Money Wrongfully.

SALEM, May 31.-A scene, bordering on the sensational, attended the close of the Marion County joint political campaign here tonight. The McMahon-Croisan controversy reached its climax here, when the former, after a complete review of Croisan's official record as Sheriff of Marion County, charging him, as such officer, with the collection of "ill-gotten" and "unconscionable" fees, offered a defense to the alleged insinuations that had been made by Croisan that he (McMahon) had obtained money from a questionable source, with which he had secured Europe in 1897.

USED PIANOS To Be Sold This Week at Half Their Values

If you think of purchasing a Piano and are willing to take one that may not be absolutely new, and yet look in every respect like new, you will be greatly interested in the collection of slightly used Uprights in our store just now. The variety is very large and the prices are wonderfully low. There are thirty-eight Uprights at this writing, of which about twenty-five are instruments that have been at rent for a few months. The rest are new Pianos by makers outside of our regular lines, and good Uprights that were taken in part payment of higher priced Pianos and thoroughly overhauled before offering for sale.

The particular point we wish to make is that each of these is as good as new. Each is guaranteed in precisely the same way as if it were new, and all are subject to EXCHANGE IF NOT SATISFACTORY after three or four months' use in your home. The prices are exceptionally low. In practically every instance an instrument is priced at a third less than its actual value. We purposely make figures so exceptionally low in order to quickly dispose of this stock of slightly used Pianos that is constantly being augmented by other instruments coming back from rent. There are good Pianos at as low as \$150 and \$160 that are worth \$225 and \$230, and there are some splendid instruments for which we ask \$250 and thereabouts that are splendid value for \$350 and \$375. The price in every instance makes each a genuine bargain.

Just now there are numerous Pianos even below \$100, seventeen Pianos ranging from \$135 to \$225, fourteen at prices between \$215 and \$300, and three that are priced \$305 and over. Many celebrated makes are represented among this stock, such as Steck, \$160; Haller & Davis, very fine, \$250; Fischer, largest size, \$185; Fischer, small size, \$85; Erard, rosewood, \$95; Behr Brothers, \$155; Whitney, used only two years, \$218; Hardman, fancy walnut case, \$185; another, nearly new, \$215; Victoria, largest size mottled walnut case, \$183; Doll, fancy mahogany case, \$183; and in Square Pianos, fine Steck, \$75; Gilbert, \$40; Whitney, \$64, and a beautiful genuine rosewood case Weber, one of the finest square pianos we have ever sold, for \$135.

You can have almost any instrument in the whole collection on a payment of \$10 down when taken and a promise to pay from four to twelve dollars a month for the balance according to value. EILERS PIANO HOUSE.

Remember the street number, 351 Washington street, opposite Cordray's Theater.

look as though there will soon be electric light and power and to spare in this city. A. B. Frame, of Portland, is rushing matters as fast as possible to get to work on his Rock Creek power plant. Now comes J. J. Henry, who recently purchased the old electric light and power plant, and announces that he will put in a large power and light plant at Eagle Creek. Mr. Henry is expected here tomorrow, when it is the intention to proceed with the work as rapidly as possible. Mr. Henry proposes to put in an electric railroad just as soon as he can get his power-houses well under way.
