"This is awful," remarked Manager John J. Grim, as the Spokane ballplayers were putting on their natty brown coats and departing from the field that had been the scene of still another of their defeats at the hands of the Portland balltossers.

For the fourth time the Portland boys administered a drubbing to the Falls City aggregation. This time it was by a score of 4 to 1. It would have been a shut-out but for a balk by Witbeck in the eighth.

Superior stick work by the locals was in the main responsible for the victory. Witbeck was somewhat of a puzzle, and three hits were all the Spokane players could make off his delivery. Kostal handled the ball in good fashion for the visitors after the first three innings. From that time on Portland did not get a hit. The fielding honors fell to Spokane and the team did not make a single error. The outfield did great work, especially Howells, who accepted two beautiful chances. Howells has done the prettiest outfielding that has been seen on the local grounds this year. The fielding feature by Portland was the double play by Deisel, Anderson and Mahaffey that retired Howells and Kostal in the seventh.

In the first inning there was nothing doing in the line of runs. Muller got a hit, but was left on second. It looked as if Spokane would cross a man in the second, but they failed to do so. An error by Mahaffey let Howells reach first in safety, and allowed Donahue to get to third. But Green sent a fly to Van Buren and retired the side.

Weed started the second for Portland with a hit. Mahaffey sacrificed, and Weed saw his chance when Donahue was off his bag to steal third. A hit by Vigneux brought Weed in for an earned run. Witbeck struck out; then Kostal loosened up and issued Muller and Deisel each a pass, which filled the bases. Van Buren hit to Green, who handled the ball too slow to throw his man out at first; but he could have easily retired Deisel and the side at second; Vigneux scored. Anderson was retired at first.

Again in the third Portland had a few fireworks. Hupp's start by sending a fly to center was not encouraging; but Weed revived the spirits of the crowd by putting the ball to the left field fence and beating the ball to third by a narrow margin. Mahaffey followed by hitting the rightfield fence for two bases and crossing Weed in for another earned run. Vigneux went out at first, and Witbeck hit to center, scoring Mahaffey for still another earned circuit. Muller got a hit, but Deisel spoiled further fun by putting a fly in McKevitt's hands. After the third Portland did not get a hit, and was able to get but three men to the bat in each inning.

In the eighth McLaughlin reached first on an error by Deisel. Reitz flew out to Anderson. Witbeck must have had it in for Elsey, for he landed the ball on him instead of over the plate, and the big Spokane first-baseman walked to his own bag. Witbeck started to throw to first to catch Elsey, but Mahaffey was not there, which forced the pitcher to retain the ball, and Mullane called a balk, which advanced both McLaughlin and Elsey a base. A fly to Hupp by McKevitt scored McLaughlin. This was one Spokane got, and they would not have had that if McLaughlin had not been forced to third. The score:

BASEBALL AT CHAUTAUQUA.

Good Sport Assured During Coming Season.

It has been the policy of the Willamette Valley Chautauqua Association from its beginning to encourage good clean sport for the entertainment of the thousands who annually visit the beautiful grounds of the assembly, at Gladstone Park. People seem to take more interest in the National game of baseball than in any other athletic event, and to cater to this almost universal sentiment the management will promote and carry out a baseball tournament this year, the series lasting through the session.

Five clubs can enter. A game will be played every day. The umpire will be employed by the association, and every safeguard thrown around the series of games to insure fair play. Already the famous Chemawa team has entered. The Mount Angel Baseball Club has asked to be allowed to enter and its wish will be gratified. It is putting up great ball this year and will make it exceedingly interesting for all comers. The Vancouver team, that carried off the solid silver cup last year and met such an ovation on its return home, is gathering its solid men together again for another tryout. There will be room for two more teams. For all particulars information can be had of H. E. Cross, secretary, Oregon City.

ATHENA DEFEATS WALLA WALLA.

But It Was by a Score of 1 to 0—Good Work of Pitchers.

ATHENA, June 7.—In the best game of baseball ever played outside the league in the Northwest, Walla Walla lost to the Yellow Kids, of Athena, this afternoon. The only score of the game came in the second inning, and was the result of a base on balls, two timely sacrifices and a wild pitch. There was but one error in the game, that being made by Fisher, Walla Walla's third baseman. Rol Brown allowed but one hit off his delivery, while Mills, who pitched for Walla Walla, sent all but four away empty-handed. Only two of the visitors reached first base, and not one got so far as second. In the last half of the eighth inning Brown struck out three of Walla Walla's heavy batters. The score:

CHICAGO, June 7.—The dual meet between the University of Chicago and University of California was won today by Chicago by a score of 8 to 5. Shortly after the games were called, a drizzling rain set in, which finally ended in a terrific downpour, which put a stop temporarily to the events. When the officials again called the athletes to resume the games there was fully two inches of water on the track, while the field was a miniature lake. Under such conditions, fast work was out of the question. The best race of the day was the 220-yard dash, participated in by Blair and Senn, of Chicago, and Cadogan, of California. THE DEATH ROLL.

Wilson W. Dunlap.

NEW YORK, June 7.—Wilson W. Dunlap, the loan broker, who spent large sums of money in a missionary enterprise of his own, died two weeks ago at his home in this city. News of his death has just become public through the probating of his will. Mr. Dunlap came into prominence by conducting services in a quaintly painted wagon for the purpose of converting Hebrews to Christianity. His methods of proselyting were of such a character that they often incited feelings of hostility. As a result there were frequent small riots on the East Side of this city, and also in Philadelphia, Chicago and other places he visited.

Dunlap was a paralytic, and he was afflicted, too, with a malady which gave him the appearance of being ossified. He always sat in the wagon when he made his missionary journeys. His helpless condition did not detract from his missionary zeal, although it did not always serve as a means of immunity from the missiles which were frequently hurled at him and his followers. In connection with his missionary work Dunlap conducted a loan agency, and was said to have been a silent partner in several pawnshops, from which he derived a large income. The amount of his fortune is not known, as the will just filed mentions only the sum of $5000 to be used in missionary work.

Heavy Rainfall at Chicago.

CHICAGO, June 7.—Hundreds of acres of flooded lands in the southwestern part of the city, streams swollen to the tops of the banks, two city bridges and several railroad bridges disabled and heavy property loss from flooded basements are among the results of the extremely heavy rainfall of the last two days. A full inch of water fell in an hour and a half this afternoon. The day before almost an inch fell, and thus far this month the total precipitation has been so heavy that it is almost record-breaking for a week during the last 25 years. At One Hundred and Sixth and One Hundred and Twentieth streets the bridges over the Calumet River are disabled. One railroad bridge is so badly damaged that it will be out of service for 30 days.

Denver Strike Called Off.

DENVER, June 7.—The Building Trades Council tonight declared off the strike which has paralyzed all building in Denver for the past two weeks, directly affecting 5000 mechanics. It is not known what action will be taken by the employers' organization in regard to re-employing the strikers. The calling off of the strike is said to be the result of an order from the National Building Trades Council, which declared the strike irregular in several particulars.

Great Northern Strike.

ST. PAUL, June 7.—Statements were obtained from the operating officials of the Great Northern Railway, denying that there was a strike among the boilermakers and helpers at Barnesville, Minn. No trouble whatever is reported from Havre, Hillyard or any other points where Great Northern shops are located. The strike in the St. Paul shops remained unchanged today.

Riot in a Convention.

WELCH, W. Va., June 7.—The Republican convention for the nomination of a State Senator here almost resulted in a riot. Guns and clubs were used. The chairman was carried from the hall bruised and bleeding. The fight was between the followers of Senator N. B. Scott and J. L. Caldwell, a candidate to succeed Scott.

TRUE HAIR GROWER

A CERTAIN REMEDY FREE TO ALL.

The above offer is a dangerous one for my reputation if the remedy is not thoroughly effective. I am so positive that it will restore all who are affected by baldness, partially or completely, that I am willing, at my own expense, to assume the burden of proof.

I was entirely bald when travelling in Switzerland when I obtained the secret formula of this hair grower. In 40 days my head was covered with a luxuriant growth of hair, which has remained permanently. This new hair is of the same color and texture as that which I had lost. I have supplied this wonderful remedy extensively in Europe, and similar results have been practically invariable. Since its introduction into the United States, a failure has not been recorded. I will send absolutely free, and without any obligation on the part of the applicant, a sufficient quantity of this unequalled hair producer and strengthener to satisfy the most incredulous that all my claims are true.

My home address is 110 St. Martin's Lane, London, England, but my rapidly increasing patronage in America has made a New York establishment necessary. Therefore address, naming this publication,

JOHN CRAVEN-BURLEIGH,
AMERICAN TRACT SOCIETY BLDG., N.Y. CITY.
