

TRACY WOUNDED. Outlaw Known to Be Near Auburn. HE IS IN CLOSE QUARTERS. Officers Confident Outlaw Cannot Escape. MERRILL SEEN WITH HIM.

be was Harry Tracy and wanted supper. He ordered the old man into the house, where Mrs. Pautot was preparing the evening meal.

Fugitives Appear Together at Two Different Places—Tracy Holds Up a Farmhouse—Just Then Poase Passes By.

SEATTLE, July 12.—Late advice from Auburn state that Tracy is known to be about nine miles east of Auburn. He is badly wounded, and the Sheriff, who is at Auburn, says there is no doubt that the convict's race is about ended, and that, while he may not be taken for a day or two, yet he cannot get away, and is sure to be killed or captured.

BLACK DIAMOND, Wash., July 12.—Deputy Sheriff Walker Collins arrived here from Leary late tonight, with the news that Elmer McDonald, a Franklin butcher, saw Tracy and Merrill together between Franklin and Kananaskat noon today.

Tracy and Merrill Again Seen. Another story heard by Collins just before leaving Leary was that Tracy and Merrill had been seen by a man named Williams, near Lake Thirty-Two, not far from Kangley, Williams told a crowd of people that he had met the two at Lake Thirty-Two just after they had held up a family and secured a meal.

Three wagons loaded down with members of two posses, one under ex-Sheriff Woolery, and the other in charge of Deputy Fred Berner, left here about 10 o'clock this morning on receipt of news that Tracy had been at Frank Pautot's house. After the bounds refused to take the trail, the majority of the combined posses went toward Annaculus.

POASE PASSES RIGHT BY TRACY. He Had Just Held Up an Old Rancher—Outlaw Prepares to Fight. SEATTLE, July 12.—Tracy, the Oregon convict-outlaw, was last seen on Green River, about two miles southwest of Black Diamond, last night, by Frank Pautot, a rancher. The convict passed in front of Pautot's house, and a short distance beyond it took to the brush. Pautot was so frightened he passed the night at the house of another rancher.

NAMED FOR APPOINTMENT AS CADET TO ANNAPOLIS.

FRED H. PERKINS, OF SALEM. SALEM, July 12.—Fred H. Perkins, named by Representative Tongue for appointment as naval cadet to Annapolis, is a son of Mr. and Mrs. W. T. Perkins, of this city. Fred was 15 years old on June 1, a few days before his graduation from the Salem public schools.

Water street will be unable to supply the demands for food products Monday unless the strike shall be brought to a close. Tons of perishable matter lie rotting on railroad tracks and in the freight houses. The freight-handlers will not touch it, the teamsters will not haul it and the ice delivery drivers will not bring the ice to the streets if it once existed. The truck teamsters refused today to accept freight for the freight-houses, and in many of the wholesale houses they were informed by their employers that if it was impossible to deliver the freight they need not attempt to do so.

TO BE BIG POST. Vancouver Barracks to Be Enlarged. \$145,000 IS SET ASIDE

New Quarters for Two Companies Will Be Erected. LOCAL TIMBER WILL BE USED. Department Proposes to Develop the Station into One of the Largest in the Country—Plans for Work Being Drawn Up.

WASHINGTON, July 12.—The action of the War Department today in allotting \$145,000 for immediate expenditure in enlarging the present quarters at Vancouver Barracks indicates that this post is not only to be retained as department headquarters, but is to be gradually developed into one of the largest permanent Army stations.

The War Department will enlarge the barracks at Vancouver, Wash., to accommodate a full regiment of infantry. New quarters will be erected for two companies of field artillery. The improvements will represent an outlay of approximately \$150,000. The buildings will all be frame, and local timber will be used.

WASHINGTON, July 12.—The action of the War Department today in allotting \$145,000 for immediate expenditure in enlarging the present quarters at Vancouver Barracks indicates that this post is not only to be retained as department headquarters, but is to be gradually developed into one of the largest permanent Army stations. The money now made available will be expended under the direction of the department and constructing quartermasters in enlarging and fitting up the 10 barracks' buildings now standing, making them sufficiently large to accommodate a full regiment of infantry. New quarters will also be erected for the accommodation of two large companies of field artillery of 120 men each. Such additional officers' quarters will be erected as are necessary to accommodate the complement of officers in command of the additional troops provided for. A large building for the "Bachelors' Mess" will also be erected, together with several smaller buildings not yet arranged for.

The appointment of funds made today does not provide for sewer, water and heating systems, for which additional funds will be allotted later. In the construction of all buildings, local timber will be used, as experience has taught that on the Pacific Coast frame buildings are a great deal cheaper and equally as satisfactory as brick. Plans for this new work are now being completed, and will be advertised at an early date, as most of the work will be done by contract.

At Fort Lawton, \$102,000 has been apportioned for erecting new quarters for two additional companies of infantry in addition to the two companies now quartered there, while headquarters for a regiment will also be built, making this the most important post on Puget Sound. These buildings will be frame.

CAPTAIN GREBLE HURT. Receives Serious Injuries While Inspecting Artillery Class.

WEST POINT, N. Y., July 12.—Captain Edwin St. John Greble, instructor in artillery tactics, and three cadets were injured today in an artillery drill. Captain Greble, accompanied by six cadets, was taking a gun along a high embankment west of Highland Falls, when the horse Captain Greble was riding became unmanageable and leaped over the embankment, drawing the gun carriage with it. The cannon fell on Captain Greble, crushing both legs and injuring him internally. Two cadets who were riding on the caisson were also injured.

THE NEW MAINE.

BIG BATTLE-SHIP WILL HAVE HER BUILDERS' TEST THURSDAY. PHILADELPHIA, July 12.—The battleship Maine, which has been under construction in Cramp's shipyard since the Spring of 1899, will leave for her builders' test off the Delaware Capes Tuesday afternoon. The trial will take place Thursday, and it is expected the Maine will be again moored at the shipyard Friday.
