## Our Dress Goods Division

Is headquarters for fine dress fabrics. It positively outranks the whole Northwest in variety, values, quality and stylish materials. We have spared no pains to make it so, and are not content to let anything new or good in this line pass us by. Consequently new and lovely goods are constantly being augmented by more new and lovely goods in all the standard weaves and novelties, which create an everchanging and interesting showing in this department.

**Black Goods**—Our showing in this line is far superior to anything we have yet done in variety, quality and price. Everything desirable is here in heavy and light-weight goods, smooth and rough finish, in endless variety. There are Etamines, plain, striped and pebbled; beautiful silk-striped Mistral, Voiles, Caritas, Crispines, Turkish Mohairs, Panne Sateens, etc.

### Priestley's Black Goods

Are too well known to need introduction. We have these beautiful, excellent wearing, rain shedding goods, at prices from 50c up, and broadcloths from \$2.50 per yard to \$5.00.

### Street Wear Fabrics

The best values known are here in sackings, panne cloths, zibelines, unfinished worsteds, venetians, granites, chevots, etc. Prices 50c to \$2.50 per yard.

### Colored Dress Goods

Too much cannot be said of our new stock, either as to price, quality, color or style. It contains the choicest and the newest of unsurpassed wearing qualities in an infinite variety of weaves.

There are heavy service weights in street shades, and light-weight clinging materials in the daintiest and most delicate shades, some with effective little silk stripes running through them.

### For Shirtwaists

There are rich colorings for street wear in a great variety of combinations.

### Leather Goods

We have "the things" in these goods. To begin with, we have the new and popular

#### Arm or Wrist Bags

In handy, convenient sizes: in finest finished seal, walrus, lizard, alligator, morocco and sealion. Colors black, brown, tan and gray, with long chains, silver and gold mountings and plain and jeweled clasps in a great variety of designs.

#### Chatelaine Bags

In all sizes and designs, in the genuine hornback alligator, seal, walrus, lizard, morocco and seal leather; in plain and mottled effects, with plain scroll and jeweled mountings; many in the very neat and elegant leather cover frame and chatelaine.

#### Purses

### Cotton Waistings

One of the newest and most correct things for Fall wear. We have by far the greatest assortment on sale, and they have been admired by thousands the past week. There are mercerized canvas cloths, vestings, with handsome raised effects, Marsilles cloth, soft finish piques, momic and basket cloths, satin striped chevots and shirt-waist linens in all colors.

### Our Mail Order Department

Is ever on the alert to fill your orders to your perfect satisfaction. When you are unable to visit our store, give it a trial.

### Colored Silks

Among our many new rich silks is the Peau de Chamoise. Its name suggests the soft richness of its weave. It is 24-in. wide and comes in all the popular colors, black and white, and is especially handsome in the deep-toned, cream shade.

The Laventine is also a very rich, soft silk fabric, 24-in. wide and very popular. We have it in black, white and lovely new shades.

### Velours

In high novelties, our velours take the lead, in stripes, polka dots and moire effects, and it is a material that is the rage in the East.

### For House Gowns and Kimonos

Beautiful new printed cashmeres, that lay in the softest folds and are admirably adapted for such wear.

### Plaid Taffetas

There promises to be a very great demand for plaids for dressy waists and they are here in a bewildering variety of harmonious color-combinations, both light and dark.

### Panne Velvets

For Fall shirtwaists is one of the season's high novelties. The line we are showing in Persian effects is rare indeed in its beautiful finish and elegant subdued colorings.

### New Laces

We are now showing a very complete line of the finest Point Venise bands, galloon and medallion effects that can be procured. These are in the daintiest, airiest combinations imaginable. We have them from 15c per yard to \$9.00, with all-over laces to match.
