JANUARY MAGAZINES.

Popular Science Monthly. The Popular Science Monthly for Jan-uary opens with an article on the Mis-souri Botanical Gardens, by Professor William Trelense, director of the garden, It will be a surprise to many that one of the greatest botanical gardens in the world should be found at St. Louis; but this is made evident by this article, and the 20 or more Illustrations that accom-pany it. Professor A. C. Haddon 1978 Bark Methodiat Episcopal Church, correst Example a service of source and the service of source of the service of the servi nonsense, most of it illustrated, and that very prettily. departments grow richer every month.

## The World's Work.

The first World's Work of the new year contains a wide variety of subjects writ-ten about in the concise, optimistic man-ner which is characteristic of this maga-zine. Perhaps the most important arti-cle is Mr. Robert H. Montgomery's story of the American invasion of Canada, illus trated with many striking pictures and trated with many striking pictures and portraits. Mr. Lewis Nixon's prophecies of the "Battle-Ship of the Future" and Mr. Mosely's views of American indus-trial conditions as he has seen them dur-

ing his recent trip through this country are also very important. Morgan Rob-ertson's article concerning modern meth-

the work of the New York District At-torney. Wolf von Schlerbrand describes difficulties under which Russian newspa-pers are published. Thomas R. Duwley, Jr., tells the dramatic and pathetic story of General Toral, the man who failed at Santiago; Franklin Matthews writes of New Hartford, Conn., 'A Town Made Idle by a Trust.'' and Professor Frederic Ogg furnishes some interesting facts about urban and rural population. There is an important series of shattstice about Amer. SWANSON'S "5-DROPS" CURES

important series of statistics about Amer-

ican manufactures, a sketch of the late Herr Krupp, and an editorial article about

the "Individual Responsibility for Pan-ics," besides the usual "March of Events Among the World's Workers," and some letters from well-known authors about recent books they have read.

Popular Science Monthly.

Dumascus. Mrs. Bessle Van Vorst de-scribes her experience in factories in Chi-cago, being the last article of the series of "The Woman That Tolls." Juliet

of "The Woman That Toils." Juliet Wilbor Tompkins contributes a most in-teresting study of "The Personality of Heien Gould." In "Tragedies of Steam-boat Histories," G. W. Ogden tells some dramatic stories of life on the Mississippi. "Mrs. Damledick's at Home." the third of the "Unemployed Rich" series, de-seriber the twiced New York society.

"SWARSON'S "5-DROPS" is a positive cure for this disease. It makes no difference how severe the case may be, "5-DROPS," if used as directed will give quick relief and effect a permanent cure. Rheumatism is caused by an acid poison which accumulates in the system, settling in the joints, nerves or muscles, and causing the most intense pain. It is a blood disease and can only be cured by cleansing the blood of its impurities. No liniment can ever cure rheumatism, although if the right kind is used it will stop the pains for the time being. Swanson's "5-DROPS" is both an inter-nal and external remedy. Applied externally it will prevent those horrible pains with which a rheumatic victim suffers. Taken internally it will make a permanent cure of the disease by going directly to the seat of the trouble and removing the cause. "5-OROPS" purifies the blood by dissolving all poisonous matter and removing it from the system. This is the only correct method of treating this disease, and the only one whereby instant relief is given and a complete cure obtained. "5-DROFS" is the only remedy that will thoroughly and permanently cure Rheumatism, Lumbago, Sciatica and Neuralgia.

Ica and reuraiga.
FRED SMITH, Alembia, Mich., writes: "I sent to Mt. Piessant after a bottle of "3-DROPS" think-ing, of course, it was only another dollar wasted, we will suffect to say I was treated by two of our best pour "5-DROPS" with one foot in a chair where I held it about three weeks; could scarcely put it to the floor because of the intense pain. Now with one bottle, hardly gone, Iam out as work on my farm happy as a lark without a pain in my body. God bless your medicine sail I can say."

A. K. REEVES, Eim Grove, Ohio, writes; "I will write you a few lines to let you know I am well. My muscular Rheumatism is all gone after taking your "S-DROPS" for thirty days, I cannot recommend "S-DROPS" too highly."

"5-DROPS" NEVER FAILS TO CURE Rhoumatism, Kidnoy Trouble, Neuraigia, La Grippe, Oolds, Coughs, Bronchitis, Lumbago, Solatica, Gout, Asthma, Catarrh, Nervousness, Backaohe, Dyspopsia, Indigestion, Oroup, Nervous and Neuralgio Headache, Heart Weakness, Paralysis, Groeping Numbress, Sleeplessness, Eozema, Scrofula and Blood Diseases,

All that is required to keep in perfect health is to have the disease germs destroyed, the blood purified and the nerves and muscles restored to normal condition. That is what "5-DROPS" does, and that is the reason why it will give immediate relief and
