# - ZOO 化 SuIPTrise. WEEK of GREAT BARGAINS. 

Bargain season is here again. The calendar prompts us to bring the bargain subject forward at this time. We've been celebrating the Friday Surprise Sale Idea for about fourteen years now-That's long enough for you to get pretty thoroughly acquainted with its good points but not quite sufficient time to grow old-fogyish if we were inclined that way. We have always felt that we were building our reputation in the bargain field with the Friday Surprise Sales, and for that very reason always made an unusual effort to offer just the right thing at the right time, in the right place. We've now reached the seventh hundred mark and couldn't think of letting it slip by unnoticed, so tomorrow we inaugurate a week of Surprise Sales that no person economically inclined can afford to pass by. In every department, in every nook and corner of the "Big Store" there's remarkable values. New, clean, desirable, seasonable merchandise for women, men and children, as well as things for the household at a fraction of their real worth. Read carefully. Don't skip a word. Sale continues through the week.
