

Lipman, Wolfe & Co.

Lipman, Wolfe & Co.

TWO GREAT FORCES

On the one hand the strenuous efforts by means of reduced prices on all goods to close out our entire stock before closing our stores for needed repairs and progressive improvements.

On the other hand maintaining our stock up to its high standard by constantly gathering in the newest and most up-to-date merchandise from the leading dry goods centers of Europe and America.

The result---You are getting the very best and choicest merchandise here every hour in the day and every day in the week at lower prices than you can buy them anywhere else.
