YOU CAN SEE HAIR GROW

after washing the scalp with

Munjoy's WITCH SOAP

HAZEL SOAP

It makes the hair grow thick

It makes the hair grow strong

It makes the hair grow beautiful

Munjoy's Witch Hazel Soap is truly a blessing to those who are losing their hair and becoming bald.

This soap is a food and vitalizer; it stimulates and acts as a gentle tonic to the weak and sick roots, and gives them new life and vigor.

It promptly removes dandruff, scales, humors and all sores of the scalp. Don't use any more hair tonics or decoctions that are advertised to make hair grow on bald heads.

Give this soap a fair trial, and if there is a particle of life in the roots, this soap will stimulate and invigorate them into new life and healthy growth.

Of course, you know that Munjoy's Witch Hazel Soap for the complexion and for the toilet is superior to any other French soap made. It makes the skin soft as velvet, and keeps one free from pimples, blotches and most skin eruptions.

If your blood is out of order, take Munjoy's Blood Cure. It will drive all impurities from the system and make good, rich, red blood.

If your liver is sluggish and you have a sallow complexion, use Munjoy's Liver Cure. These two remedies taken in alternation, will soon rid the blood and system of all impurities, and give life and vigor to the whole body, and, when used in conjunction with the soap, makes the skin glow with youthful freshness.
