There were five candidates for first honors, and all acquitted themselves remarkably well. A committee, consisting of Miss Hannah Schloth, Professor T. T. Davis and Rev. Dr. Allen, awarded the medal to Miss Adela Eversman, who recited "Anarchy and the Saloon." The readings were interspersed with musical selections, and an interesting evening was enjoyed by a large audience. A number of similar contests are being planned for the near future.

COMMISSION HEARS REILLY'S PLEA.—The Civil Service Commission met for a few brief moments yesterday afternoon to hear the plea of Lester N. Reilly regarding his eligibility as an applicant for appointment to the fire service. Reilly put in his application some time ago, and immediately charges were filed, stating that he did not pay his just debts. He appeared in person and made a statement in his own behalf. The boy testified that Hubert struck and shook him violently, and the defendant was found guilty of assault and battery and fined accordingly.

CARD OF THANKS.
The undersigned wish to thank all parties who have helped us in helping us and offered to help us during the bereavement of our dear son Johnny. Credit belongs to Mr. Swanson for breaking the sad news to us in so fitting manner, and Rev. Chambers, who lent us the first assistance. Special credit belongs to the boys that worked with Johnny in the Oregon Furniture Factory, who through their spokesman, Malcolm Grider, expressed their sympathies in very fitting language. The proceeds of their collection were used in paying the minister for the funeral service to Mr. Swanson for Johnny's contribution on April 6, for which Johnny often spoke of, that he wished to earn the money and pay for. As long as the country is possessed of such youths it will suffer for want of patriotic citizens for the next generation. Thanks to the contributors of the Rich display of wreaths and flowers. We hope that we may never be obliged to return these favors under similar circumstances.

A POSSIBILITY

That Became a Fact and Pleases Many Bald People.

A. L. Lewis, M. D., in a lengthy article in the columns of the American Journal of Health, says concerning hair: "The deterioration is a constant source of worry to humanity, consequently bald people are readily deceived by 'fake' hair restoratives. The wish that a hair preparation will 'fill the bill' is father to the fancy that it is likely to do so. A rare case in point is that of Newbro's Hair-oil, which actually does 'fill the bill.' It destroys the parasite that attacks the hair root and prevents dandruff, falling hair and baldness." For sale by all druggists.
