ARBE LOUPE

Pianos Possessing Most Unusual Interest.

Webers Used By Members of the Grau Grand Opera Company and Many Other Famous Musicians Who Contributed to the Brilliance of the New York Season Just Past, Now Displayed at Eilers Piano House.

Commencing tomorrow, Monday, morning, the Eilers Piano House will display to professional musicians and music-lovers generally will be held in the recital hall at 400 Broadway, New York.

Probably there is no city in the United States, according to population, that has as many fine resident musicians and where so large a percentage of the population are enthusiastic music-lovers.

Grand pianos, however, such as is produced in New York, and in but very few other Eastern cities, in an account of its great expense, and owing to the small population, not yet possible here.
