Lipman, Wolfe & Co.

Our Store Will Close for Repairs About July 15 And Will Be Reopened About September 1

Our entire establishment will be given over to the carpenters, painters, plasterers, plumbers and electricians. The doors will be closed to business about July 15, and when we reopen about September 1, an entirely new store will greet you.

Extraordinary bargains will be the powerful force that will clear our counters and shelves of all our present stock. The people of Portland and Oregon and the surrounding states will right now have a feast of bargains that has never been equaled in America. Our stock is composed of entirely new, up-to-date, first-class goods, bought since the fire. All prices will be cut and slashed to close out the stock as speedily as possible. As lines of goods are closed out none will be replenished again this season, as we want bare counters and shelves when we close.

READ CAREFULLY EVERY ITEM. There is not one that you can afford to miss. Each day will see many lines of goods entirely closed out. You must be prompt and secure at once the bargains you desire, as when lines are closed out they will not be replenished again this season.
