November in the Cloak Store

November will bring something new in women's fine outer apparel to the garment store every day. With the cloak chief in the eastern markets for the second time this Fall it promises to be the most eventful month the cloak store has ever known. The display at present is most comprehensive—there is so much to tell of the new that newspaper space is too limited to give complete details. A word of a few of the excellent values—you'll be agreeably surprised at the beauty and high character of the garments offered at a low price.

New styles arriving by express every day—
Personal selections by our Mr. Hirsch now in New York City
