

THE "DIFFERENT STORE" OLDS, WORTMAN & KING 5TH and WASHINGTON STS.

A MERRY, VERY MERRY CHRISTMAS TO ALL FROM PORTLAND'S BEST AND MOST POPULAR CHRISTMAS STORE

THERE'S BUT 10 SHOPPING DAYS LEFT in which to prepare for the glorious Yuletide festival that all Christendom celebrates. The season of gift-giving in which all civilization joins with unanimous acclaim. This grand, reliable "Old Homestead" Store simplifies matters by suggestive low price offerings which tell a story of careful preparation and complete readiness in the sensible, serviceable, helpful sorts of Christmas merchandise—and moreover, there's reasons why YOUR CHRISTMAS MONEY HERE WILL BUY TWO PRESENTS FOR WHAT YOU MAY HAVE THOUGHT TO PAY FOR ONE. Our Holiday orders were given with an enlarged store in view; our public knows the discomfort we've been put to in the delayed new building which will add one-fourth to our present size; stocks bought for that much larger store have had to be crowded into present premises, and we must send them out from here at quickstep pace within the next 10 days. Price advantages impossible to secure elsewhere are offered here now. Christmas buying is best done here for reason of better, newer assortments, and exceedingly low prices.
