

STRONG LINE

Reliance Team Will Give Multnomah a Battle.

INDIANS WON BY TRICK PLAY

Portland Eleven, to Score on New Year's, Must Adopt Same Tactics—Reliance Ends the Week-End Points.

Multnomah meets another football team strong in the line on New Year's Day. The Carlisle score of 20-0 against Reliance was made by trick plays...

All-Oregon put up the best defensive game seen in Portland this fall, but the Reliance line must be much stronger...

This year's game with Reliance is to be especially interesting, as in the only two recent games played by the two teams, Reliance won the last game...

The Reliance Club of Oakland first organized a football team in 1890, but it was not until 1901 that they were successful...

Reliance has a good team yet, only Multnomah has improved, and in spite of the Carlisle victory Multnomah will have no walkover New Year's.

MANY RECORDS BROKEN.

Season of 1903 Remarkable for New Athletic Marks.

The athletic season of 1903 passes into history as an exceptionally brilliant one. Records that have stood for years were broken with apparent ease...

John J. Joyce, of the Pastime Athletic Club, Alexander of the Georgetown University; W. E. Schutt, of Cornell University, and Ellery H. Clark, of the Boston Athletic Association, must be classed as the four leading track and field men of the year.

Joyce leaped into prominence when he won the ten-mile championship in 57 minutes and 32 seconds at Madison Square Garden last March and defeated such men as Grant, Carr and Todd.

Grant earned undying fame by lowering the American record for two miles to 9 minutes and 40 seconds at the same place on September 25. Grant was in magnificent condition at this time and decided to try for the three-mile record a week later, but the day was unpropitious when he made the record in 17 years and 40 seconds.

White Grant's record is remarkably successful season, the athletic sharp is not ready to concede that he was a better man than W. E. Schutt, the great distance runner of Cornell.

While Grant's record is remarkably successful season, the athletic sharp is not ready to concede that he was a better man than W. E. Schutt, the great distance runner of Cornell.

He is exceptionally tall for a runner and has an enormous stride. He is a natural runner and many regard him as a second "Willie" Day. Great things are expected of him on the cinder path during the coming year.

While Arthur Duffy, the peerless American sprinter, did not equal his famous record of 100 yards in 9.4 seconds, made at the Intercollegiate championship of 1902, he nevertheless again proved himself the foremost sprinter in the world.

One of the most talked of athletes of the year was W. A. Schick, of Harvard. When this man made a new record of 7.15 seconds for 70 yards at an army meet, it was predicted that he would give Duffy a close race in the intercollegiate championship. As it turned out, Schick lost only by a few inches to Duffy. There was genuine surprise when Schick was beaten by another Harvard man, M. T. Lightner, in a running dash at the intercollegiate meeting.

One of the surprises of the year was furnished by P. J. Walsh, who had won the American and Canadian sprinting championships in 1902. Walsh, of the Milwaukee A. C., defeated Walsh in the 100 and 200-yard dashes at the American championships, and also got the best of Walsh in the same events at the Canadian meeting. Walsh did even time for 100 yards at the Canadian meet.

Another surprise, but in a different way, was furnished by Harry Hillman, of the New York Athletic Club. Hillman won the quarter-mile American championship on a slow track in 52 seconds, but was beaten by J. D. Morrow, of Montreal, in the fast time of 49.3 seconds at the Canadian meet.

Hillman has the same build as Maxey Long and runs in the same easy fashion. He has improved so rapidly that it would not surprise the athletic world to see him attain as much time.

Association Football Game. The East Side baseball grounds on Hawthorne avenue, are in fine condition for the association football game which will be played there at 2:30 o'clock this afternoon between teams representing Ilwaco and Eastern Oregon.

Kenilworth Wins From Gold Money at Ingleside.

VICTORY A MATTER OF LUCK

Gold Money is Knocked on the Fence at the Start by San Nicholas—Five Favorites Meet With Defeat.

SAN FRANCISCO, Dec. 26.—Kenilworth won the six and a half furlong race, which was the feature of the card at Ingleside today. It was a lucky victory, as Gold Money, who was beaten half a length, was knocked on the fence at the start and thrown out of the race.

Le Debat, a Montreal paper, comes out flatfooted for Canada's union with the United States, provided the provinces of the Dominion be admitted as states. Some of them would be admitted thus on the consumption of the union, even if that event took place tomorrow.
