While it is a fact that a large number of people visited our Carpet Department the last few days to take advantage of our carpet offer of last week, and while the selling was very sharp, it did not exhaust our stock by any means. We have decided to continue the sale for the balance of this week, so don't let this opportunity slip by without taking advantage of the remarkable price reductions.

SMITH'S TAPESTRY BRUSSELS

85c Per yard for these well-known carpets. We say without fear of contradiction that the cheapest of these carpets will give good satisfaction for seven years. They are in very bright floral effects, and brighten up the duller room.

BRUSSELS CARPETINGS

\$1.65 Per yard. Perhaps no carpet has enjoyed such an enormous sale as this line; they range through all the effects—Oriental, Louis XVI, Floral, New Art—and in such lovely shades of color. We can assure you that in buying this grade of carpet you are getting a bargain.

IMPERIAL AXMINSTER CARPETS

\$1.50 Per yard, made, laid and lined. This is one of the most popular parlor carpets we can show you; rich designs, handsome in appearance, with borders to match. The assortment contains an array of rich colors.

VELVET CARPETS

\$1.50 per yard for this elegant carpet. Nothing excels a velvet carpet for durability; while they do not have the luster and brightness of the Axminster, their wearing qualities are excelled by no other carpet at the price. Suitable for parlors and libraries. We have a carefully selected stock from which to make your choice.

INGRAIN CARPETS

We are prepared to show you an excellent line of these goods at all times. We carry over 100 patterns.
