NEW FURNITURE ARRIVALS

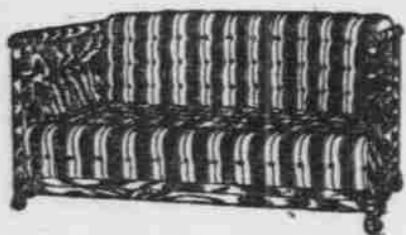

Are you ready to look at new furniture? We're ready to show it to you. It's coming in now by the carload and crowding every department to hold the many new designs. There isn't a part of the house we haven't provided for and there never was such a lot of pretty new ideas. Spring will soon be here. You'd best take time by the forelock and provide for the annual house renovating.

You'll be glad to know we have received nearly a carload of the popular "Quaint Furniture," the kind like the picture above. Rockers, Arm Chairs, Morris Chairs, Settees, Tables and Footstools in weathered and fumed oak. The chairs and rockers have big loose roan leather cushions, and the tables are made with roan leather and Spanish leather tops.

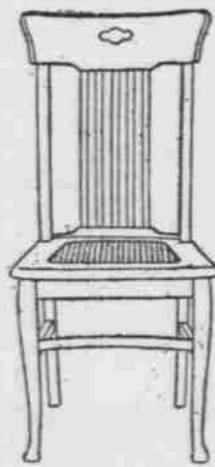

DINING SETS

In complete dining sets we show some beautiful new patterns in quartered oak, weathered oak and mahogany. For beauty of design and perfection of finish they are unique. They are all exclusive designs and there are no duplicates.

DAVENPORTS

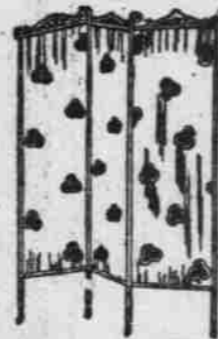

There is no more elegant piece of furniture than the Davenport. It's proper place is the parlor. It should be made of fine, highly polished wood and upholstered in the hand-somest velour, tapestry or haircloth. Ours are beauties—on many of them you can select your own covering fabric. That guarantees harmony with the rest of the room.

DINING CHAIRS

Appearance as well as comfort counts in the make-up of a dining chair. Of course you want chairs that look well and wear well. That's the sort we offer you. Solid quartered oak chairs with box cane seats or leather seats and backs. Twenty-five designs to select from. All built to order for us, carefully finished and hand polished. A handsome quartered oak chair like the cut herewith
