The Alko Maru then struck a mine cable lengths from the mouth of the passage, which exploded and caused her to sink. The lieutenant of this vessel, Uchida: Chief Engineer Aoki, and eight nen are missing.

A steamer, thought to be the Asagawo Maru, which appeared to have had her rudder broken, blew herself up at the foot of Golden Hill and sank there.

Casualties Are Great.

Vice-Admiral Togo in his report says "This undertaking, when compared to the last two, resulted in greater casualties to our side. Owing to the inclement weather and the increased preparations to our side. for defense completed by the enemy, we could save none of the officers or the crews of the Otaru Maru, the Sagami crews of the Otaru Maru, the Sagam Maru, the Sakura Maru, or the Asagawa Maru. It is to be regretted that nothing particular could be learned concerning the brave discharge of their duties, but the memory of their exemplary conduc will remain long in the Imperial Navy.

"The destroyer and the torpedoboat flo tillas, besides resisting the enemy bravely fought against wind and waves. The tor

pedoboat flotilia approached close to the mouth of the harbor and rescued more than half the men. Torpedoboat No. 57 had a steam pipe broken by a shell and was disabled, but a consort, torpedoboat No. 70, went to her assistance and towed her away. Three of the crew of No. 67 were wounded. "The destroyer Actaka's larboard en-

gine was damaged by a shell, and one sailor on board of her was killed. One sailor on board the Hayabusa was killed by a shell. "The third detachment, Rear-Admiral

Dewn commanding, reached Port Ar thur at 6 o'clock Tuesday morning. The first detachment under Vice-Admiral logo, and Rear-Admiral Nashiha, ond in command, arrived off Port thur at 9 in the morning, for the pur pose of protecting the destroyer and torpedoboat flotilias and search for the crews of the sunken merchantmen. The vessels of these detachments then returned to their base, and since the morning of May 4 they have been engaged in other operations."

Coreans Resume Evil Practices.

quickly make friends, gather about, list-ening to the songs, which are mostly plaintive airs. The men, many of whom have been 4

days on trains on their way from the in terior of Russia, are all healthy, and join

The Chinese commander of the district, accompanied by an escort attired in barstaff baric uniforms, which contrasted strongly with their modern arms, whited at the sta-tion at Djandzun for an interview with General Kuropatkin, who later reviewed the garrison here. A large concourse of Chinese assembled to witness the review.
