HAWKERS MUST MOVE ON.

Judge Frazer Decides Municipal Ordinance is Constitutional.

Hawkers and fruit venders must keep on the move. Judge Francr yesterday decided that the ordinance providing that peddlers shall not stand in one place for more than five minutes and move at least one block within ten minutes is a reasonable police regulation.

The court held that the City Council has full power to pass any ordinance it deems proper to limit the use of streets

Judge Frazer stated that as it was possible for the Council to probibit en-tirely the use of streets for such pur-

propes, it certainly could limit their use by placing time restrictions.

The decision was rendered in the case of the City of Portland against M. Schwartz, and was argued several months ago. Schwartz was arrested and fined in the Municipal Court for vielation of the ordinance, and he carried the case to the higher court in order to test the constitutionality of the law, and may appeal to the Supreme Court for a final decision. The wagon peddiers are all in-terested in defeating the law.

Charge is Made Against John B. Campbell in Divorce Suit.

Because her husband, John B. Camp-bell, kicks and ill-treats her, Alice Camp-bell wants a divorce from him, and yesterday filed a suit against him for that purpose in the State Circuit Court. On February 19, 1994, Mrs. Campbell says John became wild with rage and she was obliged to fice from him for safety. On two other occasions, she states, ne struck her in the face, kicked her, threatened to kill her, and toid her he was tired of her. The litigants were married in 1896 and have no children. Mrs. Campbell asks to be allowed to resume her maiden name, Hicks, and asks for \$30 alimony. Campbell knew the proceeding was to be brought and came to the Sheriff's

TO CHECK SPEED OF AUTOS.

County Commissioners Will Be Asked to Take Action.

Now that the White House road is to be sprinkled, and the work of widening it from 60 to 50 feet completed, measures are to be taken to have the speed of au-tomobiles restricted on the road. Persons who drive teams complain the automobiles are run recklessly and at a high rate of speed and are dangerous to horses and those handling them. The Board of County Commissioners will probably be

asked to adopt means to regulate the speed of these machines on county roads. The county won the suit brought by Rosa Rohse to prevent the opening of the road through her property, and it is now believed that there will not be any

ENLISTING MEN FOR CHINA. South Dakotan is Securing Officers for the Imperial Army.

ST. PAUL, May 14-Evidence that the ST. PAUL May 14.—Evidence that the Chinese Government is recruiting officers for what is known as the Chinese Imperial reform army in the United States, developed here today on receipts by W. F. Maiden, of St. Paul, of what apparently is equivalent to a commission for a second lieutenancy in the Chinese army from Edmond F. English, of Yankton, S. D., who is said to be engaged in securing American officers for that purpose.

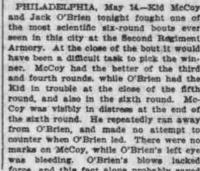

The commission was in the form of a receipt for an application for enlistment bearing the following inscription at its head:

"Chinese Imperial reform army, general "Chinese Imperial reform army, general staff, Yankton, S. D."
It is stated that the applicant will be enrolled as an officer in the Chinese service, and that his grade will not be lower than that of second lieutenant.

A special to the Dispatch from Yankton, S. D., says Mr. English admits he is securing recruits for the Chinese army, but that there is nothing specially significant in the movement now as the plan of securing American officers had its inception long before the Russian-Japanese war began.

Portlands Try Their Luck With Sallor Boys.

In the presence of a gathering of interest ed spectators, the first practice cricket match of the season of the Portland Cricket Club was played on the baseball grounds at Twenty-fourth and Vaughn streets last night with a mixed crowd, composed of sailor boys of the British ship Invermay and shore people, and resulted in a victory for the Portlands by eight runs. It was more of a social game than contested cricket, but it served to bring out several young players who will prove a source of considerable strength to the club. Two of the most expert and promising of these are Monteith and Douglas, good bowlers, batters and fielders. Gilman and Mallett also bowled fielders. Gilman and Maliett also bowled well. COLUMBIA LOSES IN FIRST GAME Victoria's Pitcher Was Too Much for Portland Team.

VICTORIA, B. C., May 14.—(Special.)—Although Columbia University lost to Victoria at baseball this afternoon it was a gallant fight, the visitors going down before superior metal. Emerson's pitch-ing for Victoria was irresistible and he accounted for 17 out of 27 batters. Me-Manus, imported specially from Seattle to play for Victoria, proved himself a star as a catcher, baserunner and field-Bernard Schwengers, the 200-pound made the only home run with a magnificent drive. Coach Tredway did the same drive, but was too fat to get farther than third on his chest. Jack Rithet, at third, played grand ball.

For the Columbias the fourth and eighth innings were the only ones in which they had more than three men to bat, their one run being scored in the fourth. Emerson's pitching was too much for the boys, while the fielding was close and fast. The captain of the Co-lumbia team said the Victorias were the fastest team they had met this season. His boys played good ball but the conpany was too rapid for their gait.

BOXING MATCH POSTPONED.

Kid Freeman Will Meet Jack Bulli van at Future Date. Ed Recker, of Oregon City, Kid Free-

man's manager, announced yesterday that owing to the death of Freeman's sister, that the match between Jack Sullivan, of Portland, and Kid Freeman would not be made just at present. Manager Reckner stated that Freeman did not wish to hox so soon after the death of his sister, but that later on he would be willing to have his man hook

up with Sullivan.

This will be a bit of disappointing news to the friends of the local boxer, who had looked forward to the contest with considerable interest. In the meantime Sullivan will not be idle. If a satisfactory match can be made. Sni-livan will take on Kid Patton, of East Portland. Sullivan has defeated Pat-ton at one of Tracey's shows, but the Eastsider thinks that he was entitled to a draw. Sullivan, however, will not take on Patton if there is a chance of boxing Freeman within the next month.
