HARVARD IS DOWNED

Pennsylvania Eleven Breaks Long String of Defeats.

SCORE, ELEVEN TO NOTHING

Quakers Completely Outplay Their Opponents—Game Is Unusually Rough, Slugging Being Frequent on Both Sides.

CAMBRIDGE, Mass., Oct. 29.—The Harvard football eleven was not only defeated and prevented from scoring on Soldiers' Field today, but was completely outplayed in every department of the game by the University of Pennsylvania. Score: Pennsylvania, 11; Harvard, 0.

Only three times throughout the game was the Harvard eleven within striking distance of Pennsylvania's goal. On two of these occasions she fumbled the ball. On the third, she was held for downs when only 12 yards from the Pennsylvania goal.

The game was a spectacular one throughout. The Pennsylvania play was extremely versatile, punting, delayed passes, quarterback runs, fake kicks and plunges through the line rapidly following one another.

Stephens, Piekarski and Greene were the stars for the Quakers, Stephens especially distinguishing himself for the manner in which he rushed his team and his fleetness of foot.

Harvard was not without brilliant players, for Starr, who went into the game in the second half, drove his men with an energy that seriously threatened the Pennsylvania goal-line. Brill also played an excellent game at left tackle.

Crowd Is Very Enthusiastic.

Twenty-five hundred followers of Pennsylvania occupied the east side of the stadium, and the scene in that section when Pennsylvania scored was spectacular indeed. The crowd arose en masse and with waving of flags, sang "The Red and the Blue," and when the game ended the students jumped into the field and in the wildest enthusiasm carried to their dressing-rooms the team which had broken the long string of defeats which Pennsylvania had sustained at the hands of Harvard.

During the first half, the ball was never on Pennsylvania's territory, and Harvard was compelled to play a defensive game almost conotinually. In the second half, with the advent of Starr into the game, things changed, and it was then that Pennsylvania showed the strength of her defensive as well as offensive work.

The game was unusually rough, slugging being frequent on both sides, and for this offense two Pennsylvania players were ruled off the field by Referee Edwards. Harvard and Pennsylvania were both penalized for offside play and holding in the line.

Harvard made many substitutions in the second half, and the substitutes played a faster game than did the regulars. Pennsylvania also sent in a number of substitutes, but not until the outcome of the game was practically a certainty.

Pennsylvania rushed 66 times for 198 yards, kicked 13 times for 463 yards and had 20 first downs. Harvard rushed 77 times for 178 yards, kicked ten times for 232 yards and had 18 first downs.

PRINCETON IS VICTORIOUS.

Cornell Loses by Eighteen to Six, Her Ends Being Ineffective.

ITHACA, N. Y., Oct. 29.—Princeton won today's football game from Cornell, 18 to 6. The victors were forced to work their hardest to make gains, but they were outclassed by Cornell in many stages of the game, especially in the first part of the contest. The Cornell men showed ability to advance the ball consistently, and Birmingham did well in the punting, nearly always sending the ball more than 40 yards and losing nothing in exchanges with Tooker. But the failure of the Cornell ends to get down under these kicks proved disastrous, gave the Princeton eleven nearly as much ground as they made in scrimmages and greatly influenced the outcome of the contest.

On several occasions the ends failed to get beyond the line of play before the man who fielded the punt had started back with the ball and most of the tackling in open field was done by other members of the team. Captain Lynah did splendid work in this line, and also was a mainstay to secondary defense before he was compelled to retire in the second half.

The Cornell back field, composed of Halliday as fullback and Rice and Birmingham as halves, played as one man, and gained every time they struck Princeton's defense line. The Princeton ends, Crawford and Tooker, were rather weak on the defensive and many runs were made around each of them, but they got down under punts well and with hardly an exception were on the man as soon as he had the ball. This made Tooker's punts more effective than Birmingham's.

Ritter and Captain Foulke at halves and Miller at fullback did good work in advancing the ball for Princeton. Ritter, in particular, was able to skirt the Cornell ends for long gains.

COLUMBIA IS OUTCLASSED.

Yale Leads From the Start, and Game Ends With Score of 34 to 0.

NEW YORK, Oct. 29.—Outclassed in every department of the game, Columbia's football eleven was defeated by Yale at American League Park today 34 to 0. In their five contests, this was Yale's most decisive victory. It was Yale's day from the start and after the first half it became merely a question of the score, not of the result. In the first half Columbia held Yale to 12 to 0, and showed at intervals good football form. In the second period, the game was a rout for the local eleven, Yale's players jamming their way through the whole Columbia eleven for big gains.

Columbia's reverses in the second half was due largely to her lack of substitutes. When the first 'varsity men were retired, Columbia was compelled to put in substitutes who showed poorly in the effort to stem Yale's attack. Columbia's best work was shown at the start of the game when Metzenthin caught Roraback's kickoff, and, eluding nine of the Yale eleven, rushed 70 yards down the field before Hoyt caught him and prevented Columbia's quarterback from scoring a touchdown that for a moment looked certain.

Yale was never held on downs. Columbia received many more penalties than Yale for offside play, holding and interference with the ball. About 10,000 persons were present.

Captain Stangland, of Columbia, was seriously hurt in the first few minutes of play and was forced to leave the game. His absence seriously crippled Columbia.

PULLMAN TEAM IS LOPSIDED

Right Side of Team Holds, When Left Side Yields to University.

SEATTLE, Wash., Oct. 29.—(Special.)—With the score of 6 to 0 in favor of Pullman the University of Washington crossed their opponents' goal twice in the last 20 minutes of play, winning the game by 12 to 6. The teams were evenly matched and it was not until the second half that either one was able to score. Most of the gains made by both elevens were around the ends. The line of each team held perfectly until towards the end of the game, when the University of Washington held its yardage at will by straight line-bucks.

Pullman's score was largely due to costly fumbles made by the university backs. Washington would have scored in the first half but for the fumbling, and when the visitors made their touchdown it was after they had secured the ball in Washington territory on a fumble. The star of the game was Homer Dean, right-half for the local eleven. Time after time he ran his end for 25 and 30 yards, finally carrying the ball over Pullman's goal-line, which gave Washington the victory.

Shaw, the left-half, was prevented from gaining ground on account of the strength of the right side of the Washington Agricultural College line.

VICTORY FOR THE INDIANS.

Monmouth Normal Is Defeated by a Score of 23 to 5.

MONMOUTH, Or., Oct. 29.—(Special.)—The Chemawa Indian School defeated the State Normal School this afternoon in an interesting game of football by a score of 23 to 5. Disastrous fumbling at critical times prevented the local team from making a better showing. Both teams played better on the offense than on the defense.

Monmouth showed some brilliant individual playing, but were weak in team work. Chemawa got its men into the interference better and won the game on its merits. Following is the line-up:

Chemawa.	Position.	Monmouth.
Washoe	C.	Dunton
King	R. G.	Butler
McCulley	L. G.	Boche
Welfelt	R. T.	Craven, Crowley

Pendleton Played in Hard Luck.

WALLA WALLA, Wash., Oct. 29.—(Special.)—Pendleton High School was up against hard luck this afternoon in the game on the Whitman campus. Although it had the ball most of the time, the scores at the end of the game was 6 to 6. For the first ten minutes Pendleton was up in the air, with the result that Walla Walla scored a touchdown, which was converted into a goal. Then the Pendleton boys pulled themselves together and the remainder of the half the game was clearly theirs. Strand was thought to have scored a touchdown, but Walla Walla claimed it was within the five-yard limit, which the umpire allowed. A wrong signal at another time spoiled the score.

Pendleton maintained a good play in the second half and Pearce made a touchdown. Means kicked a goal. There were several fumbles by each side. Pendleton made repeated gains through the line. Their yardage would total about 250. There was fair weather and a good crowd. The return game is to be played at Pendleton Friday, November 11.

McMinnville High School Won.

M'MINNVILLE, Or., Oct. 29.—(Special.)—Today in a hotly contested game of football, played on the college grounds, the McMinnville High School team defeated an eleven from the Independence High School. Both teams played good ball and the local players did not score until late in the last half. The McMinnville team were the best line-plungers while the visitors were the strongest on end runs.

Time was called with the ball near the center of the field in the local players' possession, with the score standing 5 to 0 in McMinnville's favor.

Centralia Defeats Reform School.

CENTRALIA, Wash., Oct. 29.—(Special.)—The Centralia High School football team defeated the State Reform School team at Chehalis by a score of 21 to 6. The game was cut short, only 20-minute and 15-minute halves being played. Philips, a substitute, was put in during the second half in the place of Pearson, and he signalized his appearance by making a touchdown on Hubbard's fumble, when Centralia was within two yards of the Reform School line.

MORMONS SHUT OUT

Multnomah Football Team Wins From Utah 29 to 60.

VISITORS ALL BUT SCORE

After Second Touchdown They Take a Brace and Rush the Ball Seventy Yards Towards the M. A. A. C. Goal.

Multnomah defeated the Utah Agricultural College in the football game yesterday afternoon by a score of 29 to 0, but, in spite of the outcome, the honors belong to the Mormons. By sheer plunging against Multnomah's stout line, they made 70 yards at one stretch, and were within ten yards of scoring when they finally found themselves hurled back in their own tracks for three downs and lost the ball. It took three downs almost to make yardage each time, and often the linesmen would have to come out into the field to decide whether they had covered the distance. But Utah kept it up across 14 five-yard lines till Multnomah was in the shadow of its own goal and fighting desperately. The pluck of the visitors brought cheers from a Multnomah crowd.

The game started off so easily. There was nothing to it at all. Multnomah scored in about three minutes. The ball at the kick-off was downed on the Utah ten-yard line, where the Mormons attempted a poor punt of 15 yards, Multnomah getting the ball. The 25 yards to Utah's goal was made in five downs. Horan made three yards, Corbett made eight, Horan plunged for as many more and Corbett carried the ball over the line.

After the second kick-off, Utah had its first chance with the ball, and showed it could do something rather to the surprise of the spectators, on account of the easy victory to Washington, by making yardage. It was thought Utah would not even be able to do that. But Multnomah got the ball again and made another easy touchdown.

Then it was, after the third kick-off, that Utah took its brace and made the long up-hill fight against Multnomah's stubborn defense. Afterward it rallied once or twice for a few downs, but was constantly being overwhelmed. It was a pity that it could not have scored. It certainly deserved to.

How was it that Multnomah was on the go for those few minutes, when Washington and Corvallis both had the Mormons at their mercy all the time? The Mormons themselves explain it as an inspiration. Washington threw them off their feet from the start, and kept them going backwards. They had a little less stage fright when they lined up against Corvallis, but it was also too speedy for them. But after Multnomah had scored twice, they found a moment to breathe, and for ten minutes they got the winning spirit in them, and with two overwhelming defeats in the past week and another one on them now, they threw themselves against a much better team for full 70 yards, earning every inch of it.

When Multnomah was on the go once more, and Utah was falling back unceasingly, there was nothing more in the game, and the 29 points might have well been more. But Multnomah seems to have no barbarous ambition to run up huge scores, and the game was really ended before time was up. The line-up was:

Multnomah	Position.	Utah.
Blanchard	L. E. R.	Roberts
Stow	L. T. R.	Olsen
Ross	L. G. R.	A. Hanson
Kellar	C.	Egbert
Seeley	R. G. L.	Mattson
Pratt, Kirkley Gault	R. T. L.	Madsen
Dowling, Clemmer	R. E. L.	Kadlitz
Kerrigan	Q.	S. Hanson
Corbett	L. H. R.	Ingersoll
Horan	R. H. L.	Rich
Dolph	F.	Wangard

SECOND MULTNOMAH ALSO WINS

Junior Team Plays Match With the Portland Academy.

As a preliminary to the Multnomah-Utah football game yesterday afternoon, the second Multnomah and the Portland Academy played a match, which was far more interesting to watch than the other game. Multnomah won 6 to 0. The victory was theirs with due credit, but the scoring was not done till the very end of the second half, when Captain Whittlesey, of the Academy eleven, had been taken off the field unconscious. However, this does not detract from the club's victory, which was well earned.

The Academy received the kick-off and gained through the line for several downs, working the ball from their 25 to their 35-yard line, where a fumble gave it to Multnomah.

Foley, left half, plunged through tackle for four yards first clip, but tried it again, and was thrown back by Williams. Downs tried the other end of the line, and was thrown back by Clark, and the Academy got the ball on downs. A fumble gave it back to Multnomah. The club players could not make headway on the school line, however, and were forced into trying a place kick, which went wide.

The Academy was saved for the time being by punting out from the 25-yard line to the center of the field. Multnomah made a few good gains, but was forced to punt, and Williams blocked the kick. Clark returned the punt, booting the leather 45 yards, the longest punt of the day.

Here was a long distance for Multnomah to make up before it could score. But it had to punt once more, this time making 30 yards and falling on the ball. By that the Academy's chances of scoring were lost and Multnomah continued to gain, though now and then the two Academy halves, Clark and Williams, would throw back a runner for a loss. Downs made 12 yards around the end once. This was after Whittlesey was taken out. Austin hurdled for eight more. He then made yardage on a fake kick. A few line plays, and the ball was approaching the Academy goal line once more when the half was up.

The Academy was on the defense during the entire second half, Multnomah gaining steadily from the kick-off to the 20-yard line, till Foley finally plunged over the line. Some times yardage came easily, five yards at a time, but it was eked out by hard work, and when the Academy was on its 20-yard line, it held for two downs. It looked as if the ball would change hands, but a hurdle over the Academy forwards gave the distance. After the touchdown, Smith was brought into the game to kick the goal. The rest of the game was colorless. Ray Goodrich and Rudy made excellent officials. The line-up follows:

Multnomah.	Position.	Port. Acad.
Serasnous	L. E. R.	Whittlesey, Hart
Allen, Murray	L. T. R.	Hurlburt
Wiley	L. G. R.	Failing
Callahan	C.	Cook
Sterling, Shell	R. G. L.	Olds
Seeley	R. T. L.	Polhemus
Montague	R. E. L.	White
Harder	Q.	Reed
Foley	L. H. R.	Clark
Downs, Holman	R. H. L.	Williams
Austin, Alexander	F.	Flavel

HARD, GRUELLING GAME.

Columbia University Has Difficult Task in Defeating Hill Academy.

In a hard, rough game of football Columbia University defeated the Hill Military Academy yesterday morning at University Park by a score of 5 to 0. Hill had rather the better of it during the first half, but the Catholic team executed a few center plays in the second half, which wrested ground steadily from Hill, till the one touchdown was made.

It was Hill's game through most of the first half, Hill receiving the kick-off and working down the field to the Columbia 15-yard line, where a fumble gave Columbia an opportunity to punt out of danger. Hill made two or three more attempts to rush a touchdown, but Columbia was never so nearly scored upon later.

In the second half conditions were reversed and Columbia had Hill on the go, making center plays effectively and rushing for 40 yards by short but certain gains. The longest run of the half was only eight yards, effected by the use of a flying wedge. The touchdown was made by straight center plays. The line-up was:

Columbia.	Position.	Hill.
Kelly	L. E. R.	Mays
Scott	L. T. R.	H. French
Quinn	L. G. R.	Stackpole
Meaney	C.	R. Francis
Quinlan	R. G. L.	Voigt
McInerey	R. T. L.	English
Leeston-Smith	Q.	Pease
Moore	L. H. R.	Holman
Bingham	R. H. L.	R. French
Dooley	F.	McCoy

Varsity Second Team Wins.

UNIVERSITY OF OREGON, Eugene, Oct. 29.—(Special.)—The Oregon Agricultural College second team was defeated on Kincaid Field this afternoon by the score of 5 to 5. Both teams played good offense, but the University of Oregon scrubs were superior on defense. The first score for the State University came after five minutes of play in the first half. Linebucks and cross-tackle runs did the work. Goal was kicked soon after Oregon Agricultural College scored their five points on a spectacular run of 70 yards.

In the second half Oregon succeeded in getting two more points on a touchback. Homes, at quarterback, was Oregon's star. The line-up was as follows:

Oregon.	Position.	O. A. C.
McLain	C.	Burroughs
Steiwer	R. G. L.	Vonderhellen

Both teams were speedy and formed good interference. Neither side was penalized. Eighteen points of the score were made in the first half.

His time was 9:12 3-5, which beats all world's records for ten miles on a tract from a standing start by two-fifths of a second. Sartori's time was 9:34 4-5.

Oldfield had previously defeated Bernin and Sartori had beaten Thery. CAN GANS MAKE THE WEIGHT?

Interest in His Fight With Britt Centers on This Question.

SAN FRANCISCO, Oct. 29.—Interest in the contest between Joe Gans and Jimmy Britt, scheduled for Monday night, centers in the question whether Gans can make the required weight of 133 pounds. Gans has been around the 136-pound mark for several days. By some, it is alleged that he is having much trouble reducing, while others suggest it is a play to bring the betting at even money.

Britt says if Gans is one ounce over weight he will insist on the $1500 forfeit, and there will be no fight.

Referee Graney has announced if Gans is overweight and Britt is persuaded to go on, he will declare bets off.

Gans asserts he has no fear of being at weight when the time comes. For the present, betting is practically at a standstill, though a few bets have been placed at 10 to 8 on Gans.

It was stated tonight that Gans had reached 134½ pounds and that he appeared in good condition.

MORE STATE FUNDS ARE GONE

Kansas Governor Reports Accountant Finds Discrepancy of $31,000.

TOPEKA, Kan., Oct. 29.—At noon today the Governor gave out a long report from State Accountant Rowett showing additional shortages in the State Treasury aggregating in all about $31,000, and covering school fund transactions concerning Pratt, Cowley, Nemaha and other counties. Accountant Rowett draws no conclusions from his findings. He simply records the fact that certain blocks of bonds were purchased on certain dates by the school fund commissioners and that certain interest payments were made on these bonds which are not accounted on the books of the State Treasurer.

The largest shortages are in Cowley County. Recently Accountant Rowett submitted a preliminary report, in which he disclosed an alleged shortage of $1400. Following this State Treasurer Kelly filed his resignation in escrow, to take effect in case the charges against his office were proved.

The dates given show that many of the shortages occurred during the last administration, but the present State Treasurer is looked upon as responsible because he was assistant treasurer during that time; in fact, T. T. Kelly has handled the funds during the entire time covered by the investigation.

The largest shortages are in Cowley County, which has paid nearly $5000 into the State Treasury which is not accounted for; Reno County is short nearly $4000; Allen County has paid over $3900, and McPherson County over $2000, which is not accounted for.

Nurses to Form Association.

At a meeting of the trained nurses of Portland at the Good Samaritan Nurses' Home, it was decided to form a nurses' association. There were 45 present, and while the organization is assured, there was not sufficient time to elect officers. A partial constitution was adopted, which will be completed at the next meeting. Much enthusiasm is being manifested among those who are interested in this association, and it is thought that a great deal of good will result from it. In addition to promoting good fellowship among the members, the association will have many worthy objects, one of them being a pledge to do a certain amount of work for the poor and needy sick. All nurses holding diplomas from reputable hospitals of two years' course and training are eligible to membership.
