CURE BY CUTICURA

dies fail.

"I take the liberty to drop you a few lines to let you know of my won-

derful cure by Cuticura. My head was one mass of scabs and my fore-

head was covered down almost to my cycbrows. I had to wear my hat all

the time. My legs, arms, and body were covered with spots in size from

a pin-head to as large as a silver dollar. A white, crusty scab would form

and itch, and words cannot express how I suffered for fifteen years. I

tried many doctors and all kinds of treatments, but could get no help,

and thought there was no hope for me. While in Michigan last summer

a friend told me to get Cuticura. I got a cake of Cuticura Soap and a box

of Cuticura Ointment, and in three days my head was as clear as it ever

was. I applied the ointment night and morning, also taking a hot bath

three times a week, and using the ointment freely after the bath. After

using one cake of soap and two boxes of ointment I was completely cured,

without a mark on my head or body. I was so pleased I felt like tak-

ing my hat in my hand and running down the street to tell every one

I met what Cuticura had done for me. I shall never use any other soap

but Cuticura. If any one is in doubt about this, they may write to me.

K. Salsbury, chief witness for the pros-ecution in the water deal cases, today at the bribery trial of Ex-Mayor Perry, for the first time of acting of Petry, for the first time named the person who helped him in the duplicate key scheme in Chicago, by which he secured an al-leged boodle fund of \$50,000 deposited there and belonging to the Bartons, of SW. % of NE %, section 2, T. 1.8., R. 4 E.

J. Myere and wife to A. D. Jonee et there and belonging to the Bartons, of Omaha. Salsbury testified that it was his brother, Walter Salsbury. Salsbury stared further that the \$50,000 was not re-turned to the Bartons with the under-standing that they would not prosecute him. He declared that it was turned over to a detective named Maguire, who lives in Chicago. Maguire still holds the money, he said, the understanding being that in case Salsbury is convicted in the that in case Salsbury is convicted in the case against him in connection with the Barton fund, the money will be turned over to him. Salsbury made this state-

effect that the statement might lead to the prosecution of other persons in Illi-nols, and that he made it only because forced to do so.
 Sawmills Will Not Give Up.
 Though Judge-Advicate-General Davis has decided that the Water Board cannot be compelled by the War Department to lower the water mains under the river the sawmill companies who petitioned the War Department will not give up the fight for lower pipes and a deeper channel to their docks. What steps will next be taken the managers decline to say, how.
 Naturally the members of the Water Board consider that they have won out thus far and are pleased with the decis-ion. It has been feared that should the War Department order these pipes to be lowered similar requests might at any time be made, at continual expense to the city.
