Indians Make Dogged Resistance to Multnomah.

THEY ARE MUCH OUTWEIGHED

Chemawa Football Players Average Twenty Pounds to the Man Lighter Than Their Opponents, Who Win 34 to 0.

Outweighed 20 pounds to the man, overwhelmed and crushed, the Chemawa Indians made Multnomah work through two long halves of a football game yesterday afternoon to make a score of 34 to 0.

Not once during the whole game did the Indians make yardage. Multnomah's line might for a wall built across a field for all Chemawa, but the Indians were hard and tackled with the vehemence of a mad bull.

Chemawa received the first kick-off on the 35-yard line, and, failing to make yardage, punted to the 35-yard line. From that point in a few minutes Multnomah bucked the line and hammered the tackle for the first touchdown, Horan crossing the line.

From that time on during the rest of the game it was perfectly obvious which way the score was going, and the only thing which held the attention was the hard task Multnomah had of it. The Indians did not play any better or any worse at one time than another. They were doggedly taking defeat. They knew they could not win, but it has almost become a custom for the two teams to play each year, and the Indians were taking the annual dose of medicine they have been getting of late years.

HILL ACADEMY OUT OF RACE.

Is Defeated by Portland in Academic Series.

Hill Military Academy was practically put out of the running for the city academic football championship yesterday by its defeat by Portland Academy by a score of 19 to 0. At the end of the first half the two eleven were tied, with 5 to 5, but Portland Academy outplayed their opponents in the last half, scoring at the end of the game.

The game began with a kick-off to the P. A. Hill received the kick-off and lead off with a bunch of fast linebacks, which carried them to the center of the field. The P. A. got their feet and forced a punt. Hill's playing safety full was tackled so hard when he caught the ball that he dropped it, and it was regained by Hill. Then the line-backing, aided by formation plays outside tackle, began.

The second half was played on the Hill side of the field, but it was no more a game till the last. Hill's kick-off went behind the P. A. goal line, and soon after the ball was kicked out from the 35-yard line, the P. A. had it on Hill's 30-yard line. Hill made its hardest stand of the game, forcing the P. A. into trying a goal from the field. This failing, Hill had an opportunity to kick out, but the P. A. blocked on their 30-yard line, with the ball in their possession.

AT MERCY OF COMMERCIALS.

Albany College Outplayed at Every Point of the Game.

ASTORIA, Or., Nov. 5.—(Special.)—For the first time in three years, Albany College's goal line was crossed today by the Commercial Club football team. At no time during the game had the college players the least show to score, for, with a weakened team, the clubmen defeated them 12 to 6. Quarterback Stockton was crippled, but played a plucky game, and Blair could play but one half. Three substitutes were put in by Commercial, but even against them the college men were unable to accomplish anything.

Abercrombie crossed the goal line for the first score after ten minutes play, during which Blair made a 30-yard run. The score was made on Albany's failure to handle a punt, Graham securing the ball on the three-yard line. A goal was not kicked. The second touchdown was scored by Painter, who played a brilliant game throughout. Albany essayed a punt, but the ball was passed too high and Commercial secured it for a loss to the college line of 30 yards. A series of runs by Regan, Graham and Falster netted the score. The goal was again missed from a difficult angle. When time for the first score after ten minutes play, during which Blair made a 30-yard run. HARVARD UNABLE TO SCORE.

So Is Dartmouth, Although Honors Are Slightly in Her Favor.

CAMBRIDGE, Mass., Nov. 5.—Harvard and Dartmouth fought without scoring today, with the honors of the game slightly in favor of Dartmouth. Both teams put up a strong defense. Harvard reached Dartmouth's nine-yard line and lost the ball on down, and Dartmouth met the same fate on Harvard's side of the field. It was a rushing game with a few spectacular runs and very little kicking. In the plunges to the line Dartmouth averaged nearly three yards to a rush to two one-half yard for Harvard. The only brilliant run of the game was Vaughn's 40-yard dash around Harvard's right end while Glass' try for a field goal from Harvard's 45-yard line was an exciting moment. The ball missed the goal-post by a foot.

IDAHO LOSES HARD GAME.

University of Washington Students Make Touchdowns Just in Time.

SEATTLE, Wash., Nov. 5.—(Special.)—Washington won from Idaho by a score of 12 to 19 in the most exciting football game ever witnessed in Seattle. With the score 19 to 0 in favor of the visitors and the ball on Washington's eight-yard line, the locals held for downs 15 minutes before the close of the game. Shaw gave the ball and sent around right end for over 100 yards, scoring the first touchdown of the game. Washington then kicked off to Idaho and immediately held the Moccasins out on downs. By repeated end-runs the ball was gradually worked toward the Idaho goal-line, when Dean was sent around right end and a touchdown was scored. Brinker kicked both goals. Idaho played consistent ball throughout the game and made gains through the local line almost at will.

Class Game at Willamette.

WILLAMETTE UNIVERSITY, Salem, Or., Nov. 5.—(Special.)—The senior academy football team of Willamette University today defeated the second-year academy class of the same school by a score of 12 to 0. All of the points were scored in the opening half after the visitors had spent their energy. The only redeeming feature of Lafayette's playing was the carrying of the ball from their own 25-yard line to Pennsylvania's 20-yard line. Lafayette secured the ball on a 25-yard line and by steady line-plunging carried it to Pennsylvania's 20-yard line, where the latter held it, and the ball went to Pennsylvania. After this the Pennsylvania goal was never in danger.

Harry Jones, of Reno, dislocated a wrist and Smith, left guard, sprained his shoulder.

The scoring was done by California in the first half of the game. She should have made two touchdowns, but was penalized twice for holding when the ball was all but over the goal line. The fierce line smashing of Leaster, Sperry, Seeliger and McGrade in the first half was the feature of California's playing. Nevada failed to make gains against the variety line in the first half.

In the second half the California team Motion Coad and Nevada made a few runs, showing. She twice tried field goals, but failed. The spectacular playing of Frelsel, Nevada, was the feature of this half. On a fake kick he ran down the field 55 yards in the longest run of the day. He made a second run of 30 yards.

Stanford Rolls Up Big Score.

STANFORD UNIVERSITY, Cal., Nov. 5.—The Stanford variety team today defeated the Utah Agricultural eleven by a score of 10 to 0. Most of Stanford's gains were made by line-backing between tackle and end, there being very few end runs, and only on the quarterback runs. The Utah team had a few runs, but they failed to make their down. Although they had the weight, they showed lack of speed and form.

ANOTHER FORT LOST

Russians at Port Arthur Give Up Wantai Hill.

Japanese Also Report That Two of the Enemy's Ships Have Been Destroyed—General Tchinoh Proves Himself a Hero.

TOKIO, Nov. 5.—It is reported that the Japanese have occupied Wantai Hill, sunk several transports, and have set fire to a battleship at Port Arthur. There is no confirmation of the report.

It is known that a vigorous bombardment with naval guns was delivered at noon November 3 against the east harbor, dockyard and other points, as a result of which a fierce conflagration occurred near the east harbor. The fire raged from 12:15 P. M. to 4 o'clock. The same day the fire of large caliber guns was directed against "The fort at a height of 30 yards, and the northwest watch tower. Heavy damage was caused by the bombardment on both the fort and the tower. A Russian field gun placed at a vital point east of Keekwan Mountain was struck by a Japanese shell and destroyed.

Tonight there was published a series of reports from the besieging forces at Port Arthur covering recent operations. These reports show that the Japanese vigorously continue to press the attack, and that they are using heavy artillery to batter down the Russian defenses, following the artillery fire with valorous infantry rushes.

As a result of the five days' fighting the Japanese have made a number of distinct gains, materially shortening the defensive power of the garrison. The reports are as follows, in the order in which they were received at army headquarters here: Received October 31:

"Our army, from early in the morning of October 30, continued a bombardment with large and small siege and naval guns. At 1 o'clock in the afternoon our forces in all directions assumed the advance in attack formation. A portion of our center and right advanced against Sunchow and Kihung Mountains, and against the north fort of the east group on Keekwan Mountain, and by sundown took possession of their counterscarps and destroyed some machine guns, which had been used to flank the defense.

"Another portion of the center charged at 1 o'clock in the afternoon against 'P' fort, lying between the north fort of the East Keekwan Mountain group and the east fort of Sunchow Mountain, and despite the vigorous fire of the enemy succeeded

GRAFTON LEAVES ESQUIMAULT

Sails for England in Twenty-Four Hours After Receiving Orders.

VICTORIA, B. C., Nov. 5.—In obedience to an Admiralty order commanding immediate sailing, the British cruiser Grafton, flagship of the Pacific station, left Esquimault at 4 o'clock today, presumably for England, within 24 hours of receiving notice to sail. It is a circumstance that is puzzling people here is that the Grafton took away with her every piece of nine point two ammunition, solid and shell, that was in the Esquimault stores at Esquimault Navy-Yard. The 9.2 guns in the fortresses are therefore left without a particle of ammunition.

The Grafton will call at various ports of Central and South America for further instructions. The best informed naval men here declare that both the Grafton and Sierra, steaming to England under imperative rush orders.
