Smoke From Great Blaze Nearly Causes Guests to Flee.

CHICAGO, Nov. 12.—The large five-story stone building at the northeast corner of Madison street and Wabash avenue, occupied for the most part by Browning, King & Co. has been destroyed by a fire tonight. It is estimated that the loss on the building and contents will aggregate \$200,000.

A panic was caused in the Continental Hotel on the south side of Madison street, across from the burning building. Smoke penetrated the hallway and the intense heat cracked the windows. Men and women in the hotel sought safety in flight.
