KLAMATH ASKS AID

Big irrigation Project Has Enemies at Washington.

THEY PUT IT'S DEFEAT

Commercial organizations of Portland will send local protests to National Capital and Ask That Work Go On.

BUT BOYS ARE NOT ROBBED HIM.

They were called "Vale Boys" when Dr. Leebert of the Vale, now Governor of Oregon, decided to bring the great irrigation project for the Klamath Valley through his county.

They are still "Vale Boys" but their Governor is a Democrat.

POLITICS PLAY AT SALEM

A Political Organization of Multnomah County May Try New Appointment Today Without Governor in the Way.

The story of this new political organization of Multnomah County is another lesson in the art of politics.

Political organizations have learned that if a political appointee is not appointed by the Governor, the prospect of his being appointed by the Legislature is increased.

It is a lesson in the art of politics that may be applied to the appointment of Dr. Leebert to the Governorship of Oregon.

AX IS OUT FOR TWO

Driscoll and Thomas Are Not Wanted on Port Board.

The two men who have been candidates for the Board of Port Commissioners of Portland are said to be out of the running, according to a report from Portland.

They are said to have been out of the running for some time, but the report is not yet confirmed.

Motor Club Holds Cross-Country Run at Mount Hood.

Nearly all the Portland Motor Club members were present at the meeting of the Club at the hotel last evening to hear Mr. F. V. Williams announce the program for the run to Mount Hood.

The run will take place this week-end and will be one of the most exciting events of the season.

When your child is ill you dislike to make it take bad tasting medicine. Hence it is well to know that Ayer's Cherry Pectoral is very pleasant. But it is a medicine, a strong medicine.

Time and time again we have published the formula of this cough medicine in the principal Medical Journals of this country and Europe, and have mailed it to nearly every physician in the United States.

So it follows that when your doctor orders it for coughs, colds, bronchitis, or consumption, he knows precisely what he is giving.

Physicians recommend their families to keep it on hand.
