OYEZ! OYEZ! OYEZ! SIX MORE DAYS OF CLEARANCE SALES

EVERY ARTICLE IN THE HOUSE RIGOROUSLY REDUCED—Except Contract Goods, upon which manufacturers control prices—HEAR YE! HEAR YE!! HEAR YE!!! THE LAST DAY DRAWS NIGH! One more week and the Great Clearance Sales of 1905 will have become history, and the saving chances that they offer will have gone for at least another twelve-month. Perhaps their equal may not come again—at least not in years; for circumstances will not be the same a year hence, nor in many cycles. Events that caused delay in the completion of our new building also caused stocks to pile up and clog the mercantile stream until heroic measures to clear the channel became necessary, and such blasting of prices as has never been known before has been resorted to. And now the stream flows on again—clean, clear and unhampered. And yet blasting has not stopped. We're deepening the channel now and clearing out the snags. Only a week away stands the man with the book and pencil of stocktaking, and there's much to do in the intervening time. There's thousands upon thousands of dollars' worth of stock here that must not find; for six busy days yet we shall smash prices even finer than ever, and many Spring goods, new arrivals, harbingers, early advance styles sent in by our buyers now in the East, are included, at the Clearance Prices. But be warned—THE CLEARANCE SALES POSITIVELY CLOSE SATURDAY, FEBRUARY 4TH, AT 6 P. M.—This announcement tells the news of rare bargains prepared for the final week OPENING TOMORROW, MONDAY, JANUARY 30TH, A MONSTER LAST OPPORTUNITY SALE.

THE GREAT MELBA.

Opera Wraps and Gowns For Grand Melba Event Tomorrow Evening at the Marquam A REMARKABLE SALE OF MAGNIFICENT GOWNS AND SUPERB WRAPS AT THE COST OF ORDINARY STREET GARMENTS. MONDAY ONLY! Opera Wraps and Evening Costumes at Half Price or Less—to Close!

And the sale is particularly timely from the fact that it comes ushering in the appearance of the great Melba at the Marquam Grand on Monday night. The magnificent models and wraps occupy drawers in fixtures that are to be discarded for newer and more modern ones the coming season. A bit of lace or embroidery torn or any slight damage caused by moving would ruin their sale with us, so we'll take no chances. We'll sell these precious jewels from their present caskets and afford our clientele opportunity to provide themselves with a magnificent gown or wrap at price far less than cost in every instance. Choose from any Opera or Evening Gown or Wrap in the house—regular value from \$40 to \$250—AT ONE-HALF PRICE AND MANY FOR LESS.

LAST OPPORTUNITY SALE

Portland's largest, leading Apparel Shop for Women, offers sensational Clearing-Out Sale Garments this week. Nothing like it ever known before in Portland merchandising. Every suit in the house at HALF PRICE. Absolutely every Street and Calling Gown included.

A last grand clean-up of the salons before the drastic housecleaning and installing of the new fixtures that will make this the handsomest garment store, as well as the largest, without exception, west of Chicago—un surpassed in America. In order to give the fixture-builders full sway we've determined to resort to desperate loss this week. Of course the great variety baffles detailed description, suffice to say that the suits are our own well-known high-grade frocks and gowns, both street and calling styles, in every wanted fabric that fashion favors, and coloring. Plain tailored and trimmed street suits, the latter in fancy button, stitching, braid and plait effects. But description is needless, for remember.

Every Suit and Every Calling Gown in the House Is Included

The Street Suits in regular values up from \$12.50 to \$125, at prices already lower than any other house in the city ever offered equal qualities. This closing week of clearance at HALF PRICE. MAGNIFICENT CALLING GOWNS HALF PRICE. In very latest modes and beautifully trimmed in rare, rich laces, velvets and hand-embroideries. Here again the immense variety makes description of little use. Come

and select your Calling Gown from the largest stock of superb creations that were ever shown by any Portland house. Regular values up from \$40 to \$250; this week HALF PRICE. We prefer our patrons would benefit by this present loss than run risk of damage to the Gowns during the department renovations. COATS, HALF PRICE. In order to make the clearance more complete, we shall also include the Coats. In every variety and style—Raincoats included. For one week, to close, positive and final, YOU MAY SELECT ANY COAT IN THE HOUSE AT HALF PRICE. And we guarantee every regular price to be lower than equal value garments are offered by any Portland house—and yet, this week you divide that price and save HALF. Watch for the great, sensational specials of the week in this section. If prices will do it, we're going to clear the racks and tables bare to the walls.

The Really Magnetic Values in Domestic and Linen Aisles

FIRST FLOOR.

Beckon strongly this week. These final days of the January Clearance Sales will be remembered for the great bargains offered, values that will not be equaled again in a twelve-month. This has been by far the most successful sale ever held in this department of staples and this final week's bargains will be doubly interesting. Staple goods, sold at smallest margin the year through, are pared to profitless prices for the next six shopping days. A Grand Last Opportunity Sale in the Domestic Aisles—First Floor.
