

"RUMMAGE SALE" AT THE MEIER & FRANK STORE

The Annual "Rummage Sale" has its innings this week—Remnants, odds and ends, broken lines of merchandise of every description marked at prices regardless of cost—Portland's largest and best store, with Winter goods and all small lots cleaned up this month, is pretty sure to have the largest and newest and best Spring stocks in March—That's why we are determined that counters, shelves and cases shall be ready to receive Spring merchandise in a few days, that Spring season shall not associate with Fall and Winter—Up and down the length and breadth of every aisle, are piled high the remnants, odds and ends resulting from the phenomenal Clearance Sale business enjoyed during January—On every item we have divided the cost with you, and remember, all these broken lines are of dependable quality—it would be the height of folly to give you anything else, as well as being against the principles of this business—Arrange to come early tomorrow—The crowds of buyers we expect will clean up the best bargains early in the day
