WASHINGTON, Feb. 18.—(Special.)—Theodore Roosevelt broke all records and traditions when he was elected President last November, being the first Vice-President to be elevated to the Presidency by the votes of the American people.

The local committee having the inaugural arrangements in hand expects that 200,000 visitors will come to the city to witness the ceremonies incident to the swearing in of the President and Vice-President. Four years ago the crowd numbered 128,000, but it is certain that this total will be greatly surpassed this year.

Indians in War Paint to March. Theodore Roosevelt and Charles W. Fairbanks will take the oath of office on the east portion of the Capitol promptly at 10 o'clock on March 4. After the ceremony they will proceed to Pennsylvania avenue to the White House, at the head of the most unique army ever organized.

FIREMEN'S DEMANDS REJECTED

They Now Consider Strike Question on New Haven Road.

NEW HAVEN, Conn., Feb. 18.—The reply of the committee of directors of the New York, New Haven & Hartford Railroad, sustaining the action of President Mellen in rejecting the demands of the Brotherhood of Locomotive Firemen, was formally received today at a meeting of the grievance committee of the firemen. Pending a meeting tomorrow of the executive committee, it was said today that nothing would be known regarding the result of the poll of members of the Brotherhood employed on the railroad system in reference to a strike.

Dr. Watson is Acquitted.

NEW LONDON, Mo., Feb. 18.—The jury in the case of Dr. T. Jones Watson, of Denver, charged with killing his wife, today returned a verdict of not guilty. Mrs. Watson was killed in a runaway accident while driving with her husband, who was picked up unconscious near a bridge over a small stream. Mrs. Watson's body was found in the water. The prosecution charged that Mrs. Watson had died from the effects of poison, and that Dr. Watson arranged conditions to bear out the runaway theory. Medical experts testified both for and against the presence of poison in the stomach.

SET BACK FOR GATES

Abundant Supply of Wheat Knocks Down Price.

ARMOUR HEADS OFF BULLS

Wall Street Crowd Bombarded by Chicago Men, Who Unload 5,000,000 Bushels—Gates Has Surprise in Store.

CHICAGO, Feb. 18.—(Special.)—Wheat suffered another severe decline today in the speculative war for control, presumably between John W. Gates and a party representing Wall street and the Chicago and Western men, 1 1/2 cents being knocked from yesterday's closing quotation for the May option. The first five minutes of the session witnessed a continuation of the onslaught which created a panic at the close of the previous "gathering."

Men very close to the situation declare that John W. Gates does not intend to spring his advertised big surprise until the time is too late for the bears to make a play on the May delivery. A feature that was regarded as significant was the buying of the "what on the 'sack spots'" by people with very good "facilities."

Armour, it appears, has headed off Gates, and the bull clique may what the, which three days ago was estimated at 20,000,000 bushels, is now declared to have dwindled to 5,000,000.

PRESIDENT HARPER HAS CANCER

Head of Chicago University Expects to Die of Operation.

CHICAGO, Feb. 18.—"I have received my death sentence. It is my firm conviction that I will not survive this operation, for I know I am afflicted with cancer." This, in effect, the Daily News today says, is what Dr. William R. Harper, president of the University of Chicago, uttered in the presence of some of his friends in discussing the operation set for next Wednesday. He does not expect ever to take up the active presidency again. Friends and relatives of the educator have been notified in this effect.

TWO WIVES APPEAR ON SCENE

Strange Consequence of Woman's Ignorance of Legal Procedure.

CINCINNATI, Feb. 18.—The climax of the supposed double marriage of Samuel Lawrence Barriett, the famous electrical inventor, whose dead body was found in a Dayton boarding-house early in the week, came today when the attorney of the second wife showed a certified copy of the decree divorcing the first wife, who, until today, believed herself still married to Barriett. The two women reached here today and consulted attorneys, seeking to procure from the estate whatever may be due for the children of the late inventor.

Grabs Woman's Diamonds and Flees.

NEW YORK, Feb. 18.—One of the most audacious of the many recent robberies in this city occurred in the Bronx today, when a highwayman attacked Mr. and Mrs. John W. Cornish in front of their home, snatched a \$500 diamond brooch from Mrs. Cornish's throat, fired two bullets through the clothing of Cornish when he remonstrated, then escaped after an exciting race with a policeman, in which several shots were exchanged, but so far as was known without effect. The police have conducted a manhunt in which the robber followed Mr. and Mrs. Cornish home from the scene, in which the lavish display of diamonds worn by the couple had attracted much attention.

Funeral of Law Wallace.

CRAWFORDSVILLE, Ind., Feb. 18.—The funeral of General Law Wallace this afternoon was private, in accordance with his expressed wishes. Only the family and a few intimate friends attended. Until noon the body lay in the Library building and was viewed by thousands. Business was suspended and the city did honor to the memory of the dead. The casket was draped with a flag given General Wallace by the ladies of Evansville, Ind., in the beginning of the Civil War. On the breast of the dead was the order bestowed upon him by the Sultan of Turkey. The body was placed in a temporary vault.
