Spring Styles in Women's Smart SUITS, FROCKS, GOWNS AND COATS

From Authoritative Fashion Sources GRAND SALONS OF DRESS—Second Floor. LARGEST AND FOREMOST SUIT AND WRAP STORE WEST OF CHICAGO.

An Impressive Showing Is Ready Though not a complete array, as yet. The new styles will be unfolding as Spring advances as do the petals of a rose when the sun coaxes.

It's to be a fancy season in tailored style. Put that down as a certainty. The erstwhile severely simple tailored lines are lost in the elaborations of plaits, shirrings and ornate trimmings—tailored styles have almost the effect of frocks.

- NEW STREET SUITS. In jacket, Eton, blouse and tight-fitting effects, in materials of homespun, serges, chevots, panne chevots, broadcloths, Panama cloths, mohairs and handsome exclusive patterns in mannish mixtures. A full color-line embracing blues, grays, browns, greens, tans, blacks, mixtures and the ultra fashionable shepherd plaids and checks.

Women's Undermuslins Art Pieces and Infant's Goods

Who sets the fixed values on undermuslins? Standard, dependable stores of the Olds, Wortman & King class—do they not? We have known some undermuslins we sold regularly at \$2.00 the piece to be advertised with a flourish as a "great special value" by another store at \$2.19.
