

must when the war opened was marry worth the name (no figure being given), but it is known that the troops did not enceed 80.00 men, practically defenations, because the Emperor desired to avoid war and therefore refrained from schills reinforcements which surely would have voked it. to supply Port Arthur adequately is met by the statement that it was provisioned n gattison of 12 battalions, the decision to put to battalions there being tak-en so inte that the original calculations could not be remedied. While affirming that the quick-firing guns and field guns

there is a second of the other and the wongering spirit of the solders were miscalculated. The publication of this article has cre-sted a sensition among military men and in public circles. Many of the former are censuring the General Staff for disclosing valuable military secrets, and the latter finds from the figures a practical admission that the war has cost almost 550,500 men in killed, wounded, prisoners

fouted. The monks also establish Buddhist chapels and organize congregations. Their declared aim is to unite the vari-ous Buddhist sects in China. The Bud-dhist monasteries in Canton have already placed themselves under the protection of the Japanese flag, and have become branches of the greatest Pen Yuan Thue monastery at Tokio. At Watow, Prov-ince of Kwangtung, Japanese monks have rented a temple over which the Japanese flag has been holstod, and they already have 80 followers.
