A Full Dollar's Worth Free Can any Ailing One Refuse?

I will pay outright for your first dollar bottle of Dr. Shoop's Restorative. I ask no deposit—You take no risk. You pay nothing, either now or later. The dollar bottle is free to those who have not tried my remedy.

I want no references—no security. The poor have the same opportunity as the rich. To one and all I say: "Merely write and send me an order on your druggist. He will give you free, the full dollar package."

I can afford to offer a full dollar's worth free because mine is no ordinary remedy. Ordinary remedies treat symptoms. My remedy treats the cause that produces the symptoms. Symptom treatment must be kept up forever—as long as the cause is there. My treatment may be stopped as soon as it has removed the cause, for that is always the end of trouble.

There is no mystery—no miracle. I can explain my treatment to you as easily as I can tell you why cold freeness water is why heat melts ice. Nor do I claim a dis-

covery. For every detail of my treatment is based on scientific facts that none can deny them. And every ingredient of my medicine is as old as the hills it grows on. I simply applied the truths and combined the ingredients into a remedy that is practically certain. The paragraphs below will show you the reason why.

But my years of patient experiment will avail you nothing if you do not accept my offer. For facts and reason and even belief will not cure. Only the remedy can do that.

So now I have made this offer. I disregard the evidence. I lay aside the fact that mine is the largest medical practice in the world, and come to you as a stranger. I ask you to believe not one word that I say till you have proved it for yourself. I offer to give you outright a full dollar's worth of Dr. Shoop's Restorative. No one else has ever tried so hard to remove every possible cause for doubt. It is the utmost my unbounded confidence can suggest. It is open and frank and fair. It is the supreme test of my limitless belief.

Inside Nerves

Only one out of every 98 has perfect health. Of the 97 out of every 98 who are bedridden, some are half-cured, and some are only dull and lame. But most of the sickness comes from a common cause. The nerves are weak. Not the nerves that govern your movements and your thoughts.

But the nerves that, unguided and unknown, night and day, keep your heart in motion—control your digestive apparatus—regulate your blood—operate your kidneys.

These are the nerves that wear out and break down.

It does no good to treat the eating organ—the irregular heart—the disordered liver—the rebellious stomach—the deranged kidneys. They are not to blame. But go back to the nerves that control them. There you will find the seat of the trouble and eradicate the cause.

That is why causes become "coughs." That is why one kind of sickness leads into another. That is why causes become "coughs." That is why one kind of sickness leads into another. That is why causes become "coughs." That is why one kind of sickness leads into another.

There is nothing new about this—nothing any physician would dispute. But it remained for Dr. Shoop to apply this knowledge—to put it to practical use. Dr. Shoop's Restorative is the result of a quarter century of endeavor along this line. It does not merely soothe or deaden the pain—but it does go at once to the nerve—the inside nerve—the power nerve—and builds it up, and strengthens it and makes it well.

Woodlawn Christian Church—Service with sermon on "The Three Doors," 11 P. M.; Sunday school, 10 A. M.; Y. P. M. C. E. at 6:30 P. M.; preaching at 7:30 P. M., on "The Needs of the World."

Many Ailments—One Cause

I have called them the inside nerves for simplicity's sake. Their usual name is the "sympathetic" nerves. Physicians call them by this name because they are so closely allied—because each is in such close sympathy with the other. The result is that when one branch is allowed to become impaired, the others weaken. That is why one kind of sickness leads into another. That is why causes become "coughs." That is why one kind of sickness leads into another.

That is why causes become "coughs." That is why one kind of sickness leads into another. That is why causes become "coughs." That is why one kind of sickness leads into another.

Simply Write Me

The first free bottle may be enough to effect a cure—but I do not promise that. No one I fear a loss of possible profit if it does. For such a loss, will surely covering the cured one beyond doubt, or dispute, or disbelief, that every word I say is true.

The offer is open to everyone, everywhere. But you must write ME for the free dollar bottle and order. All druggists do not grant the law. I will then direct you to one that does. He will pass it down to you from his stock as freely as I will send you the book you ask for beside. It is free. It will help you to understand your case. What more can I do to convince you of my interest in your recovery?

For a free order for Book 1 on Dyspepsia, a cure—but I do not promise that. No one I fear a loss of possible profit if it does. For such a loss, will surely covering the cured one beyond doubt, or dispute, or disbelief, that every word I say is true.

The offer is open to everyone, everywhere. But you must write ME for the free dollar bottle and order. All druggists do not grant the law. I will then direct you to one that does. For Stomach Troubles

The stomach is controlled by a delicate nerve called the solar plexus. Visceral fibers know a blow over the stomach—the solar plexus blows—means a sure knock-out. For this nerve is so sensitive as the pupil of your eye.

Yet the solar plexus is only one of the centers of the great inside nerve—the power nerve—that controls the body. The stomach is its slave. Practically all stomach trouble is nerve trouble—inside nerve trouble—plexus trouble. Dr. Shoop's Restorative strengthens the inside nerve—strengthens the plexus—and the stomach trouble disappears.

Woodlawn Christian Church—Service with sermon on "The Three Doors," 11 P. M.; Sunday school, 10 A. M.; Y. P. M. C. E. at 6:30 P. M.; preaching at 7:30 P. M., on "The Needs of the World."

For Kidney Troubles

The kidneys are the blood filters. They are operated solely by the inside nerves. The branch which operates them and regulates them is called the renal plexus. When the renal plexus is weak or irregular, the kidneys become clogged with the very poisons they should have off. No kidney treatment can clean them out until they are cured. The cure is to reach the nerve—the power nerve—that controls them. There you will find the seat of the trouble and eradicate the cause.

That is why causes become "coughs." That is why one kind of sickness leads into another. That is why causes become "coughs." That is why one kind of sickness leads into another.

There is nothing new about this—nothing any physician would dispute. But it remained for Dr. Shoop to apply this knowledge—to put it to practical use. Dr. Shoop's Restorative is the result of a quarter century of endeavor along this line. It does not merely soothe or deaden the pain—but it does go at once to the nerve—the inside nerve—the power nerve—and builds it up, and strengthens it and makes it well.

For Heart Trouble

Your Heart beats more than ten thousand times a day. And every heart beat is an impulse of the inside nerve branch called the cardiac plexus. The heart is a muscle, but it is the nerve that makes the muscle do the work. An irregular or weak heart is, almost in every instance, the direct result of a weak or irregular cure them. The cure is to reach the nerve—the power nerve—that controls them. There you will find the seat of the trouble and eradicate the cause.

TWENTY-THREE YEARS A SPECIALIST.

As Certain as Night Follows Day

There is a fixed penalty for the violation of any law of Nature. The punishment, which surely comes sooner or later, may be either sickness, pain, decay or death. If you are suffering, it is certain that you have, knowingly or unknowingly, transgressed. Your chief concern, of course, is how to get well, not how you got sick.

We are restoring sick men to sound health every day. As specialists we treat and cure all chronic blood, nervous, skin and special diseases of men, also stomach, heart, liver, kidney, bladder and throat troubles. Our doctors are graduates of the leading medical colleges of America and Europe. In surgery we possess the highest skill and we perform the most serious surgical operations successfully. Any person taking treatment with us may deposit the price of a cure in any bank in Portland, to be paid to us when a cure is effected. If the patient prefers we will take weekly or monthly installments.

LIBRARIANS COMING TO PORTLAND

ON JULY 2 there will gather in the City of Portland the officers and members of the American Library Association, men and women who have charge of millions of volumes which circulate among the masses and enable the men and women of America to become acquainted with the greatest minds at little or no cost.

These librarians will remain in Portland for five days, during which time will occur the 27th annual convention of the association. The official headquarters will be at the Hotel Portland. The sessions will be held in the First Unitarian Church. Both in the general sessions and in the sections the topics treated will relate to practical questions of policy and administration and the programme will be designed to prove especially interesting and helpful to those interested in or working with libraries where such work is new or entirely undeveloped. Ample time will be given for full and free discussion of all papers.

Special Train from New York.
A special train will leave New York probably Saturday, June 24. It will pick up delegates from Fitzburg, Albany, Buffalo, Chicago. Other parties will join the party en route, and when the train arrives in Portland it will consist of two sections composed of 15 cars. The train will run via the Canadian Pacific, allowing a full day at Banff, the great scenic point in the Canadian Rockies.

The return trip will be made either over the Union Pacific or via the Northern Pacific. A post-conference trip has been arranged from Portland to Alaska, covering about 15 days. This trip will
