UNITARIAN WOMAN'S ALLIANCE.—The
regular literary day of the alliance prom-
ises to be one of rare and novel interest.
The subject is "Mountain Sunshine and
Summer Snow," with Miss Gertrude Met-
calfe as speaker. Miss Metcalfe is a care-
ful observer and gifted writer, as well as
an enthusiastic Mazama, and has made
frequent trips with the organization to
the summit of our most famous snow-
covered mountain peaks. The talk, with
its illustrations, will be given in the
Mazama Club rooms at the City Hall
next Wednesday afternoon, beginning at
2:30 o'clock. The members of the alliance
extend a cordial invitation to friends and
strangers alike who may be able to at-
tend, the opportunity to a rare and novel
short business session of the alliance will
be held at the church parlors at promptly
2 o'clock, after which its members will go
to the City Hall to hear Miss Metcalfe.

BUNKER POST, G. A. R., OBSERVANCES
ANNIVERSARY.—Bunker Post, G. A. R.,
No. 12 celebrated its Twenty-second an-
niversary last evening in its hall on
Union Avenue. After the transaction of
business the doors were thrown open to
invited friends. Long tables were quickly
spread, tin cups and plates produced,
when the assemblage of old soldiers sat
down to a repast of hot coffee, baked
beans and crackers, a meal that reminded
them of army days. Following the repast
came much sharpshooting and skirmish-
ing, in which J. A. Newell, M. L. Pratt,
W. Ogilvie, Daniel Clark and others
took part. Many of the comrades rarely
seen at meetings were present. The old
boys were young again and fought over
the battles of long ago.

MICHAEL WILLIAMSON.—The Mich-
igan Society will entertain the members
of the other state societies at the Con-
cordia Hall Tuesday night. The com-
mittee having the affair in charge state that
it is to be a "basket luncheon." Each
lady will bring a basket of eatables suffi-
cient for two persons and her partner in
the feast will be selected by numbers
taken from a hat. A musical and liter-
ary program will be given, and after
the luncheon a dance will be enjoyed.

EXTENSIVE IMPROVEMENT.—At Jersey
and Philadelphia streets, St. Johns, El
C. Holbrook, owner of the park block, is
having the land cleared of trees and tim-
ber preparatory to erecting three build-
ings, which will cost more than \$30,000.
On the block stood the first car-barn—a
handmade structure of logs and timbers
torn down to make way for the
buildings. Two of the buildings will be
two-story frame structures, and the third
will be of brick.

ASKS COUNTY TO ASSUME BILL.—The
question of repairing the new Albina
ferryboat has been taken up by Mayor
Williams. He asks the county to assume
the bill for the necessary work upon the
ground that the boat was all right when
turned over to the county for its test trip.
The butlers have been asked to estimate
the cost of putting the boat in proper
condition, and when that is received will
enter into negotiations with the county.

THESE appeared in the columns of this
paper on last Friday an article referring
to the Penny Arcade and the arrest of a
young lady. I wish to state that my Ar-
cade is in the Imperial Hotel building and
that nothing of the kind occurred in my
place. I have a man on the floor at all
times to keep the kind of characters out
of my place that this article referred to.
Yours truly, W. H. Kleckner.

HORTICULTURAL BOARD WILL MEET.—
Preparations are being made for the semi-
annual meeting of the State Board of
Horticulture, which will convene in Port-
land April 10. All the Commissioners
of the Board will be present at this meet-
ing and much business of importance will
be transacted. The board meets on the
second Monday of April and of October
of each year.

FINED FOR FIGHTING.—On a charge of
fighting, Lou Radabaugh was fined \$50
yesterday by Municipal Judge Hogue.
Radabaugh was found guilty of fighting
He was previously fined \$50 for breaking
the right arm of Mrs. T. Platz by throw-
ing a bottle at a man. It missed its ob-
ject, struck the woman and his arrest
followed. Both cases have been appealed.

COLLEGE MEN AT BANQUET.—In the par-
lors of the Y. M. C. A. last night the Col-
lege Men's Club held its monthly banquet.
The ladies were admitted, and were also
present at the social and literary pro-
gramme rendered immediately afterward.
Professor Greave gave an interesting talk
on European countries, illustrating by
the aid of a stereopticon.

o'clock.

brook this week purchased a 60-acre tract
near St. Johns and the Ladd estate,
paying \$21,000 for the property. He also
purchased an eight-acre tract from the
Windle estate for \$3000. Mr. Holbrook
will have the land cleared and platted.

known as the "masher," paid his fine of
\$25 and is now at liberty with no charge
hanging over him. He was arrested by
Patrolman Gibson for "mashing" women
who passed by Washington-street cigar
stores, and when tried before Municipal
Judge Hogue was found guilty and fined.
His attorney stated that he wished to
appeal, and bonds were fixed at \$200.
Somehow Hertz went away without fur-
nishing the required sum, and when his
five days for appeal were up a bench
warrant was issued for him. He learned
of this and paid his fine.

PICKPOCKETS ARE BUST.—While the
Nineteenth Infantry marched by this
morning, and while bands were playing
and people shouting and military ardor
filled the air, pickpockets were busy. F.
Littlehales, employed by the Portland
General Electric Company, was "touched"
for an \$80 diamond stud. He was standing

robbed. The police were notified by him,

NEW BILL AT STAR THEATER

Programme is Headed by Bird and
Cat Show.—Popular Prices.

Beginning tomorrow afternoon at
2:30 one of the greatest bills ever pre-
sented in a Portland vaudeville house
will be shown at the Star Theater. The
programme is headed by Panshastrin
bird and cat show, an act especially
imported by the Star Theater manage-
ment as one of the greatest features in
the vaudeville world. This wonder-
ful trained troupe of birds and cats
will interest both young and old. Their
reputation over the Keith circuit in
the East has made them famous.
Brought out direct from the East and
a decided hit is the act of Ferrington
and Boyle, the versatile comedy duo.
The act is very valuable all the way
through. Alexander & Co., the hand-
cuff king, will be seen in his original
creation "The Haunted Mail Pouch."
The act is a distinct novelty in vaude-
ville. The two, De Montrose, "King
and Queen of the Silver Slipper," are
sure to please. They encircle their
bodies in such small dimensions that
they completely mystify all specta-
tlers. Billy Tan, the singing and dan-
cing comedian, has imported a trunkful
of new jokes.

Marvelous Russell does a number of
difficult tricks on the aerial rings, his
work being very clever. He is the per-
former of athletic grace on the "Silver
Cradle." Morgan and Chester will of-
fer a bright comedy sketch, new and
very novel, while Roscoe Arbuckle will
be heard in the new comedy "Down On
the Farm." The Projectoscope will
show brand new film subjects. Begin-
ning tomorrow, owing to a popular de-
mand, the prices of admission will be
10 cents to the new house after-
noon and night. Continuous bill today
2 to 10:30 P. M.
