SAN FRANCISCO, May 20 .- (Special.)-Brother Joe Corbett furnished the sensational feature of the game at Recreation Park this afternoon by pitching as rank ball as has been seen this season. He was hit ten times, walked seven batters, plugged two more in the state and was keen disappointment to the large crowd that came out to see the Scals win an-other game that would have made at three to one for the season so far. But Corbett was put in the box for Prisco and the result was that the Giants made It a case of two to two, not so bad after the wretched start. Portland was not strong in the box. French opened the ball, but retired in the third, Garvin tak-Ing his place and doing little better. It was a long, tedious affair, made more unpleasant by a high wind. The score: PORTLAND

NEW HAVEN, Conn., May 20.-Yale's team won the annual dual meet Harvard today. The score was: 65.1-6; Harvard, 38.5-6. with Yale

In only one event was there anything like an upset. This was in the mile run when Alcott, of Yale, outsprinted D. Grant, of Harvard, in the last quarter. The games were beid under more favorable conditions than in many years, a cold Northwest wind sweeping across the field. The wind is credited with having helped the sprinters to the extent of a broken record in the 220-yard dash, when Captain Schick, of Harvard, won it in the final in 212-5 seconds, which is one-fifth of a second better than his own record in these games two years ago. The judges did not decide that Schick's performance in the final was a new rec-and it is not likely to be allowed. In the 160-yard dark Schick equaled own record of 94-5 seconds.

Yale's team showed superiority in all the field events except the broad jump and the shotput. In the pole vault Yale took first place by a tie between Dray and Hinton and third place was split between two other Yale men and a Harvard vaulter, giving Yale 72-2 points out of a possible eight. The broad jump went to Jordan of Harvard, who got less than an inch and a half the better of Knox, a freshman, upon whom the Yale men counted to take the event.

pensive Undertaking. PEORIA, Ill., May 20.-The rivers and harbors committee ended their trip of in-spection over the proposed route of the deep waterway from Chicago to St. Louis. They returned home tonight. Congress-man Bishop gave his opinion as to the feasibility of the pian in the following in-terview:

terview:

"I am reasonably certain that \$25,000,000 will never be sufficient to construct this deep waterway." he said. "Of course, we can tell nothing about the cost until the engineer board reports on its finding, but I fear that in placing the cost of con-struction at \$25,000,000 the enormity of the task has been underestimated. It will come nearer to \$40,000,000. If the work will cost so much, I do not see where the money will come from. We are able to appropriate but \$16,000,000 for rivers and harbors, and when it comes to asking for

\$30,660,600 or \$40,000,000 for one improve ment, it is a big thing." DAILY CITY STATISTICS

In the mile run, McCrorey, of Washing-ton, took the lead from the pistol and was never headed, although Wood and

Mitchell, two Oregon freshmen, ran a game race. Perkins, of Oregon, won the half-mile from Captain Tibbals, of Washington, in a hair-raising finish, in which Tibbals showed a fine burst of speed. Green and Tibbals took first and second honors for Washington in the 40-yard dash, and Dohn was an casy winner in the pole vault,
Frissell was Oregon's best point-winner, He captured first place in the 229-yard dash, 220-yard hurdle and running broad jump, took a second place in the 100-yard sprint, and tied for second in the high jump—a total of 30 points. Captain Hag-did splendid work in all the weight events.

Trainer Hayward realized the importance of winning second and third places, and most of these were won by the local col-legians. legians. Today's score was a repetition of Ore-gon's 62-69 victory over Washington at Scattle in 1909. When Henderson and Frissell won second and third places in the broad jump this afternoon, Oregon had the necessary & points, and the rooters broke loose in the grandstand. Today's victory gives Oregon a clean sweep over the University of Washington for the present college year, as Oregon had already won in football and debate. The summary

Big Crowd Mobs Criminals in Wis-

consin Town. RICHLAND CENTER, Wis., May 29 .-Special.)-A mob of 1000 men and boys with a few women, was prevented from lynching three men here tonight only by the coolness of one or two prominent men. The mob made no attempt to dis-guise and was composed of men of all walks of life. The people are almost frengied, and the danger of a lynching is not yet past. A heavy guard surrounds the jail, but it is made up of special deputies who are in sympathy with the mob, and it would not be hard to get past them to the prisoners.

Tonight crowds began to congregate on the street corners, and in a short time a mob of between \$00 and 1600 persons was formed and started in search of the three men. They went to their homes, but not finding them, returned to the Courthouse square. Here others gathered, and for a time officers were powerless to control the mob, which was bent on lynching. Deputy Sheriffs were sworn in and addresses made by city officials and prominent citizens. The mob clamored for the men, and at last cooler heads in the crowd suggested they be lodged in jail, and this met with approval. After this crowd suggested they be looged in Juli, and this met with approval. After this the men were captured and the mob allowed them to be taken to jail.
