INKILLIN'S MEMORY

Members of the Bar Adopt Resolutions of Respect.

TRIBUTE TO THE DEAD

Suitable Memorial Reciting the Life and Character of the Departed Attorney Is Drafted by a Committee.

Members of the Portland bar met in Department No. 1, State Circuit Court yesterday morning to hold services in honor of the late Benton Killin. The attendance was large, and included many of the older and long acquaintances and association with Mr. Killin had endeared him to them and caused his loss to be felt deeply.

The following report of the committee on resolutions was presented by Julius C. Moreland, the chairman, who was a business partner of Benton Killin, and the resolutions were read and adopted:

Resolved, That in the death of Benton Killin this bar and the community in which he dwelt has suffered a great loss, and that the death of a man whose sterling integrity, unflinching industry, indomitable courage and fidelity marked him as a fine type of American manhood, a man whose achievements will stand as an example and an inspiration to ambitious youth in the years to come, is a loss to the community and to the state.

GREAT LUMBER CITY

Portland Stands First as Manufacturing Center.

SHOULD SUPPLY THE CANAL

Isthmian Commission Is Asked to Establish a Purchasing Headquarters Here to Supply Timber for Panama.

The Isthmian Canal Commission, through Major Gallagher, its purchasing agent, has had its attention called to the fact that Portland is the largest lumber manufacturing city in the United States, with unequalled facilities for handling export trade.

The Oregon Lumber Manufacturers' Association was the medium through which this information was conveyed, and at a meeting held in this city May 27 a resolution was adopted calling the attention of the commission to the advisability of opening purchasing headquarters here for supplies on the Pacific Coast for the Isthmian Canal.

Salvationists Change Hall. The Salvation Army Corps, No. 4, which for the last ten years had its quarters at No. 128 First street, has moved to No. 182 Second street pro tem, and will conduct meetings at that place every Saturday evening and all day on Sunday. During the rest of the week street meetings will be held only.

IS ARRESTED FOR THEFT

William Burrows Hits the Trail With Another's Coin.

Charged with stealing \$150 from a sheepherder in Malheur County, Or., William Burrows was taken into custody at 9 o'clock yesterday morning by Detectives Hartman and Vaughn on a warrant. He was turned over to Sheriff J. K. Lawrence last night, who left for Eastern Oregon on the O. R. & N. train with the prisoner.

It was to enable him to hit the trail at the Lewis and Clark Exposition that Burrows is said to have stolen the money from the shepherd. To what extent the accused man "hit" the thoroughfare of amusements may be seen by the fact that he possessed of the amount alleged to have been stolen only \$73 when arrested.

Burrows must have had a great time at the Fair," said Sheriff Lawrence, at police headquarters yesterday afternoon. "He had spent all but \$73 of the sum he is accused of taking. He met the herder, whose name I do not know at this time, while he was at Vale last Thursday. Although the herder did not know Burrows, he entrusted him with the care of \$150. Afterwards, the herder got drunk, and while he was in that condition, Burrows fled the town. We had reason to believe he would make for Portland, and so wired the police to arrest him."

Burrows was arrested by Detectives Hartman and Vaughn, who had procured a warrant for him. He insists he is not guilty, but there seems strong evidence against him. Burrows reached Portland June 1, and participated in the opening exercises of the Lewis and Clark Exposition. His part on the programme consisted of a series of visits to all of the numerous attractions on the Fair, and of all those who went there none was more generous or lavish in expenditures than he. Nothing was too good for himself or those who chanced to be in the throng where he went, and he literally threw away money. It is said.

DR. W. NORTON DAVIS & CO.

During the Past Eight Years
"Crayon Treatment"
We have treated over 10,000 cases of weak men by means of the
"Crayon Treatment"
without a single failure. By this method lost vigor, nervous debility, stricture, losses and drains, as well as prostatic diseases, are readily cured.

Dr. W. Norton Davis & Co. are an association of eminent physicians, experienced surgeons and expert specialists, with abundant capital, established in 1897, for the purpose of treating

ALL CURABLE MEDICAL AND SURGICAL DISEASES OF MEN.
They will accept no case for treatment except certain that they can effect a cure, nor will they make any charge in case of failure.
Dr. W. Norton Davis & Co. are undoubtedly the greatest authorities on

DISEASES OF MEN
in the United States. They are the founders of the only system of treatment which will cure varicocele, impotency and other forms of weakness, with any degree of certainty. This is a system of home treatment which locally stimulates the prostate gland. A similar method is now employed by nearly every specialist of note in America.

THE REASON
why "weak men" are frequently not cured is because the trouble is complicated with "diseases of the prostate gland" or with "urethral obstruction." Our treatment cures where others fail.

WE USE A CRAYON
One-Fourth Size,
made of medicated "cocoa butter," which dissolves readily at the temperature of the body. This easily passes the smallest obstruction without pain. It heats the inflammation and removes the congestion and swelling. The remedy reaches the weakened "seminal ducts," heats them and stops unnatural drains. In most cases internal medicine is required also. The "Crayon" is only used in complicated cases. The patient places it without any trouble at night by means of

THE APPLICATOR.
One-Fourth Size,
which is made of hard rubber and is similar to a syringe. Thus, without any trouble whatever, the healing process goes on while you sleep.
This is also the most successful method known of treating "Frequent and Painful Urination of Men."
We prescribe for each individual case, using many different formulas in crayons. If you have used a similar treatment, do not be discouraged before you have consulted us.
A personal interview is desirable, but if you can not call, write us, giving your symptoms in full.
Our home treatment is successful, even in complicated cases. Strictest confidence observed. Plain envelopes used in all correspondence. Instructive book for men sent free, securely sealed.
WE GUARANTEE A CURE IN EVERY CASE WE UNDERTAKE OR CHARGE NO FEE. CONSULTATION FREE.
All correspondence is strictly confidential.
Office hours—9 A. M. to 5 P. M. and 7 to 1. Sundays and holidays, 10 to 12 A. M.
