LOS ANGELES, June 10,-(Special.)-The third game of the Les Angeles-Portland series was played at Chutes Park this afternoon, before a large attendance. The local team were crepe out of respect for the late Mrs. Flood. McCredie sent earvin into the box, while Morley entrusted the seraph twirling to Goodwin.

The feature of the game was the fourful exhibition put up by Umpire Bray. His decisions on balls and strikes were at all times faulty, but it was not until the eighth inning that they became unbearable. Garvin was getting all the worst of the deal, but the visiting pitcher was taking things philosophically until this stage, when the incompetent Bray walked two Seraph batsmen who were undoubtedly struck out. Garvin roared over this decision, slug his glove at Bray, and won

put out of the game.

Goodwin kept the hits well scattered until the eighth inning, when Portland fell on him for a base on balls, a zingle. a double and a home run by Atz. totaling two runs. Gray replaced him in the next loning and held the visitors. Garvin was latted freely throughout the nine linnings.

## **OREGON AGRICS** ARE CHAMPIONS

Win 82 Points at Salem Intercollegiate Field Meet.

VARSITY SECOND WITH 45

Two New Northwest Records Are Made, and All but Three of the Marks Previously Established Are Passed.

SALEM. Or., June 10 .- (Special.) -- Oregon Agricultural College won in the Intercellegiste amateur athletic field meet here today, securing 82 out of 148 points. All but three of the old records of the Intercollegiate Association were broken and two new Northwest records were made, but since the events did not take place on a regulation four-lap track, the new records will stand only in regard to this

ansociation.

The good feeling and enthusiasm which were manifested today in the first intercollegiate field meet since 1838, and the good work that was done, give promise of a very bright future for the association. The meet was a financial success, even though the expense was heavy on account of the purchase of a 50 silver cup and the necessary field apparatus.

The Agricultural College team won a place in every event, earrying off 18 med-

place in every event, carrying off 15 med-als, and will hold the silver cup for a year. The first school winning the cup three times will thereby accurs ownership The University of Oregon secured but 45

The University of Oregon secured but 45 points, this low score being due largely to the fact that Friessel was crippled. The team from Eugene could not have won, however, if Friessel had been in the best of condition, for if he had come up to early expectations the Agricultural College would still have had a good margin to its credit. Friessel should have won both hurdle races, the broad jump and taken places in the 169-yard dash and the high jump, thus reducing materially the score of the team from Corvallis.

Kuykendall Falls in Hurdles. Henderson, who should have taken first place in the high jump, has been out of training for ten days and was unable to take even a place. Kuyken-dail fell in both hurdle races but won fourth place in the 120-yard event nevertheless. He had a good lead when he fell in the 230-yard hurdle. Neither Pacific nor Williamette scored

as many points as had been predicted.
Peterson, the all-round strong man from Forest Grove, killed himself off in the broad jump and the half-mile run and was unable to participate in the 220-yard and 440-yard dashes, in which he would have won places. He fainted of the propose the half mile and was after running the half mile and was unconscious for a considerable time. Miller, of Willamette, failed to get his expected second place in the 440-yard dash and Lounsberry, of the same team, failed to take a place in the shot put.

#### Stars Are Smithson and Hug.

The star men in today's events were Smithson, O. A. C., and Hug, U. of O. Smithson won three firsts, one second and one fourth, making a total of 19 the relay race in good time. though ill. took first place in all weight events, making a total of 15 points. Greenbaw and Williams, of O. A. C., were two other good men for

#### their teams. Greenhaw Lowers a Record.

The most noteworthy record of the day was that made by Greenhaw, O. A. C., in was that made by Greenhaw, O. A. C., in the half mile, when he reduced the I. A. A. A. O. record from 2:04 to 1:55%. This also lowers the Northwest record of 2:02 held by Edmundson, of Idaho.
