It is also on sale at Gearburt Park, Collins' Hot Springs, Moffett's Hot Springs and St. Mar-tin's Springs. Orders by mail will receive careful attention. All mail subscriptions ust be puld for in advance.

ENLARGE TENTH WARD .- The WILL strip of territory annexed to Portland between the old city boundary line and St. Johns will be joined to the Tenth Ward, marging its territory, but not materially creasing its population for the present, ovement has already been started in the annexed territory to have corresponding treets dedicated and extended. Dawson avenue will be made 80 feet wide three the new territory to a connection with St. Johns, forming a fine boulevard. Mc-Kenna avenue, formerly but 30 feet wide, will be made 60 feet wide. It is not settied what disposition will be made of the school children in this territory, but they will probably be sent to the Portsmouth No other provision can be made for them.

CHILDREN'S HOME PICNIC .- The happy band of 50 children of the Children's Home in South Portland, with the matrons and nurses, numbering four, were, through the kindness of F. I. Fuller, of the Portland Consolidated Street Railway Company, given a delightful outing upon the Fourth. With well-filled lunch basthe Fourth. With well-filled lunch bas-kets they went to Columbia Beach, appo-site Vancouver, where they spent the en-tire day. The entertainment was guile varied-strolls upon the beautiful, sandy beach or in the shady groves, firecracknerry songs, together with a fine The beach is an ideal one for chlldren's sports, while the scenery opposit the Columbia River banks added to the delightful day.

MR. CHARLES K. HENRY reports having just sold a quarter-block on Sixth street for \$3,500. This property is improved and the layer procured same for an invest-ment and has also sold for Mr. J. M. Birowbridge the southeast corner of Fifth and Oak streets. The buyer will erect a new building thereon for suitable tenants as may be required. Persons wishing a building in this fine location would do well to call upon Mr. Henry. Mr. Henry also reports having sold a building site on the north side of Everett street, 100 feet enst of Twenty-third street, which will be immediately improved. Also a quar-ter-block on East Eleventh and Broadway streets, on which a new dwelling will se erected immediately. Parties having good real estate for sale, either business property, will find it to their o list it with Mr. Henry, who advantage t has been for the past 15 years in the real estate business in this city. Investors and buyers will find it to their advantage before buying elsewhere to call upon Mr. Charles K. Henry, 273 Stark street

SATS AUCTIONEER VICTIMIZED HIM. Frank Schnefer claims that he was made the victim of an auctioneer at Third and Davis streets last night by being asked to bid \$ on a watch a_8 a blind to make others raise the price. Schaefer claims that he offered \$ by the request of the auctioneer, and the watch was knocked down to him, after which he was compelled to take it against his will.

ARRESTED FOR BATTERY.-Harry Dixson was arrested by Patrolman Hunter yes-ferday on a charge of asanuit and bai-all who have had the pleasure of a ride

ABBESTED FOR FORDERY.-Clyde Grew-ell was arrested at St. Helens yesterday, upon instructions from Detectives Kerri-gan and Snow, of the Portland depart-ment. He is wanted for forgery, and will be sent back here immediately. It is al-lored that Greevell who is a young man ieged that Grewell, who is a young man of St. Helens, forged the name of a wom-on to a check issued by the Barnes Mar-ket Company in payment for chickens. The fowls were shipped to the store, and Grewell is said to have known all the de-tails. It is barnered that he claimed to tails. It is charged that he claimed to be a son of the woman who sold the chickens, and was given a check in paywhich he signed, and got th

in it. This verdict is concurred in by many of the Exposition officials as well, day; only first-class family restaurant in the city. 109 Fourth street, near Washand general regret is expressed that room could not be found for it within the gates. Since the management has engaged the Glidden's Ladies Orchestra and reduced ington. the price of admission to 10 cents (children Finest chicken dinner in town 30c. Al delicacies of the season. 192 3d St. under 16 years 5 cents), the whirl is grow-ing in popularity, and hundreds who have taken the exhibitating ride once return almost daily to repeat the performance. As to the safety of the whiri the severesi tests the cars can be subjecter to show them capable of bearing a strain of 24 tons each. Competent engineers, who

have examined the machine, pronounce it absolutely safe. Among others who have examined it is W. H. Corbett, president of the Willamette iron & Steel Works, This is what he says: "After giving this structure a thorough

examination I am convinced that the mechanical principles are correct in every detail and that it offers an entirely detail and that it offers an entirely safe and reliable source of amusement. The materials used in construction seem to be of the highest quality throughout and the designer has evidently figured out every possible strain and allowed a most liberal margin of safety in every case."

VANCOUVER TRIPS.
